The workman has filed statement of claim. In his statement of claim, it has been stated that the above noted workman was appointed as a messenger on temporary basis, though he was told that his capacity of workman will be permanent, w.e.f. 03-09-1991 by the Indian Overseas Bank, Defence Colony, Branch. The salary of the above noted workman was fixed at Rs. 1,450 per month including all the benefits, letter dt. 30-11-1992 issued by the Manager, Indian Overseas Bank, Defence Colony is attached herewith as Annexure-A through which the workman was appointed with the above noted bank. That since the appointment the above noted workman has been doing his work very sincerely, faithfully and has never given any chance of complaint from Management/employer on his efficiency conduct on his part in discharging duties assigned to the workman.

That the workman has been working regularly without any break till 19-02-1997 since his appointment i.e. 03-09-1991. It is pertinent to mention here that there is not even a day break in the services of the workman from the inception of his employment till his illegal termination by the management. The workman had been serving the above noted bank, Defence Colony, Branch with his best capabilities. That on 19-02-1997 the above noted branch of Indian Overseas Bank, Defence Colony, has terminated the services of the workman without giving any notice and without assigning any cause for the above said illegal and unjustified termination. That on 19-02-1997, the time of termination the workman was drawing Rs. 2,710 per month as his wages including all the other allowances and some other payments, he was getting in terms of extra works-wages.

That the poor workman who has to carry out the family responsibilities was fully dependent on the above noted employment and has no other means of income, has come on the street in the absence of his employment and has no other means of income hence he is forced to seek helps from different sources but in vain. The workman is at edge of starvation.

That the bank has terminated the services of the workman verbally and has not given any letter for the same. The workman had requested the officer of the bank not to terminate the services of the poor workman but in vain, and also the employer bank has not given any reason for the termination. The workman was asked to go flatly despite his six years long association with the bank. That the action of the termination of the services of the workman is illegal and unjustified and with sheer/absolute contravention of the labour laws on the part of the management/bank.

The management has filed written statement. In the written statement, it has been stated that the claim of the workman is not maintainable either in law as well as in facts. That claim petition is totally misconceived, untenable, against the law laid down by the Hon'ble

Supreme Court as reported in 1996 6 SCC 216 and 1998 2 L.L.J. 627 and contrary to the Employment Exchange [Compulsory notification of vacancies] Act, 1959 and against the Banking Service Recruitment Rules and Regulations and the Government Guidelines.

As per the law laid down by the above mentioned judgements, the management, being a nationalized bank is under legal obligation to give wide publicity through media notifying the each and every vacancy arising with them and recruit the candidates for permanent vacancies. Whereas the service of Sh. Suraj Mal was utilized by the bank purely as unapproved candidate whose engagement was on temporary basis which will not give him the right to have any lien over permanent employment. If an irregular employment is regularised contrary to law and is approved by a judicial decision not only those persons who are the beneficiaries of the irregular appointment could get undue advantage over the regular appointments made as per rules but would also frustrate and defeat the object of the Employment Exchange [Compulsory Notification of vacancies] Act, 1959.

For the above raised preliminary objection the claim petition is liable to be rejected by this Hon'ble Court.

That the above noted workman was appointed as a messenger on temporary basis, but it is denied that he was told that his capacity of workman will be permanent w.e.f. 03-09-1991 by the Indian Overseas Bank, Defence Colony Branch. It is not correct that the salary of the workman was fixed Rs. 1450.00 p.m. including all the benefits. The manager of the Branch is not an appointing authority. The letter dated 30-11-1992 issued by the bank manager is not appointment letter at all as claimed by the workman.

The service of the workman is utilized only by the Defence Colony branch of the management, whenever temporary vacancy arose purely on daily wages basis. It is not true and correct that he has worked from 03-09-1991 to 19-02-1997 without any break. He was paid minimum wages for those days his services were utilized by the bank. It is denied that the workman has been terminated without any notice and without assigning any cause of the termination. In fact the services of the workman were dispensed with by the Defence Colony branch from 17-07-1997 onwards as his services were no more required, by the branch.

It is not correct that on 19-02-1997, the time of termination the workman was drawing Rs. 2710.00 per month as his wages including all other allowances and some other payments which he was getting in terms of extra-work-wages. The workman was paid minimum wages in cash for those days he worked in the Bank. The workman is put to strict proof how he has arrived at the sum of Rs. 2710.00 as his last drawn wage from the bank. It is not true and correct that the workman has served the bank for

more than 6 years without even a single break. The workman is put to strict proof of the same.

It is denied that the workman was not given any reason/answer for his termination by; the bank officers, on 19-02-1997 when the officer of the Bank informed the workman that his services are not required any further. The management being a nationalized bank could not act contrary to the provisions of the employment exchange act and the rules relating to selection of temporary messengers by the Board of officials hence the service of the workman was dispensed with from 19-02-1997.

Since the workman was neither sponsored by the Employment Exchange nor included in the approved panel of the temporary messenger therefore the management bank could not continue with the temporary/ substitute service of the workman. It is denied that the action of the termination of the services of the workman is illegal and unjustified and with sheer/absolute contravention of the labour laws as alleged. It is true that the workman has opened an account No. 1746/3 in the branch. The workman is paid by cash for those days he was engaged in the Defence Colony branch. It is denied that the workman has six years long association with the bank without any single break.

It is true that on 14-03-1997, workman served the legal/demand notice through his advocate was received by branch management as well as regional office. Since the engagement of the workman in the branch as of substitute as purely temporary in nature his name was not included in the approved panel of the temporary messenger and the claimant was well aware of these facts hence management had not sent any reply to his notice. It is respectfully submitted that the workman was engaged by the Defence Colony Branch of the management purely as a substitute. The question of payment of any amount towards his dispensing with his further service does not arise.

It is denied that the termination of workman had been made without observing the law prevailing in India. The action of the employer is justified and it is in consonance with the judgement of the Hon'ble Supreme Court and the Employment Exchange Act and compliance with the guidelines issued by the Government and followed throughout the country. It is denied that the employer has terminated the services of the workman w.e.f. 19-02-1997 without assigning any reason for the same and the same amounts to victimization. It is wrong to say that the termination of the workman is illegal, unjustified, unfair and consequently no question of reinstatement of the workman with back wages arises. Moreover utilization of his services any further, would be against the legislative intend, Government guidelines and against the spirit of the decision laid down by Hon'ble Supreme Court.

It is denied that the bank has violated the prescribed provisions of Industrial Disputes Act, 1997. No specific

provisions is stated and the claim of the workman is based on surmises, conjectures and inadmissible in law.

The management has denied almost all the paras of the statement of claim.

The claimant has filed rejoinder. In his rejoinder, he has stated that he worked continuously w.e.f. 3-9-1991 to 19-02-1997 and he got payment every month by voucher. He was a temporary employee and it has been mentioned on the vouchers that he is a temporary employee.

Heard arguments from both the sides and perused the papers on the record. It was submitted from the side of the workman that it is admitted by the management that he has worked from 03-09-1991 to 19-02-1997. The management has stated in the written statement that it is not correct that he has worked without break but the management has not filed any paper to show the break in his service. On every payment cheque, temporary employee has been written. He has not been given appointment letter for a fixed term appointment or for adhoc appointment so the workman applicant is not daily rated workman. He is not a workman for a fixed period and he is not an adhoc employee. He has worked for more than 240 days and almost for 6 years. The bank prepared a panel for temporary messenger but his name was not included as his name was not sponsored by the employment exchange. It was submitted from the side of the management that the appointment is against the rules of recruitment. The Manager is not the competent authority to appoint the workman applicant. His name was not sent from employment exchange. He is a substitute and a purely temporary employee. It has been admitted by the bank that the workman worked for the aforesaid period as a temporary employee.

So far as the competency of the Branch Manager is concerned, even if the Branch Manager is not the competent authority and the appointment is illegal and invalid even then, the workman is entitled to compensation otherwise 25(F) will be attracted in view of the judgement of the Hon'ble High Court of M.P., 1994 LLJ-II-320. As such, there is no force in the arguments of the management that he was appointed by the Branch Manager and the Branch Manager is not the competent authority. In view of the law laid down by the Hon'ble Court, he is entitled to compensation. He has not been paid any compensation, as such, Section 25(F) of the ID Act is attracted.

The other point raised by the management is that his name was not sponsored by the employment exchange. The management is not bound to employ every person being sponsored by the employment exchange. It is the duty of the management to call for names from the employment exchange and those who were found fit and have not been sponsored by the employment exchange can also be appointed. There is no illegality in it. It has further been submitted that the workman applicant worked

as a substitute but no name has been given against which employee, he has worked. There was no other messenger from 3-9-1991 to 19-02-1997 in the Branch. He was the sole messenger or the workman in the Branch and he performed all the duties of the Branch and he was treated in writing as temporary employee. So, the plea of the management is that he worked as a substitute is not tenable.

My attention was drawn to 1998 S. C. cases-258. The Hon'ble Supreme Court has held that in case the appointment is based on political consideration, and the services are terminated, and Govt. have issued notification for reducing expenditure and the Government has prohibited to fill up the vacant posts and the creation of new posts including regularisation, in such circumstances, regularisation is not permissible, contrary to the administrative directions. In the instant case, there is no administrative direction and the workman applicant was not appointed on political considerations so the law cited is not applicable.

My attention was drawn to 1997 (1) Hon'ble SC Cases, 350, the judgement of the High Court is regarding adhoc appointees and the appointing authority is the Public Service Commission so it was held that it was not permissible. In this connection, no process of recruitment has been bypassed and the appointment is not adhoc appointment so the law cited by the management is not applicable in the facts and circumstances of the case.

My attention was drawn to 1994(2) Hon'ble SC Cases, 630, the Hon'ble SC has held that in case, there is an ad-hoc appointment, in violation of statutory rules, in such cases the ad-hoc appointment cannot be regularised. This law of the Hon'ble SC is not also applicable in the facts and circumstances of the case.

My attention was drawn to 1996 (2) Hon'ble SC cases 562 this case is about Asstt. Development Officers, where as the workman applicant is a class-4 employee so this law of the Hon'ble SC is also not applicable. My attention was drawn to 1998 (A) Hon'ble SC cases 258, the judgement of the Hon'ble SC is about daily rated muster roll casual labour so this judgement of the Hon'ble SC is not applicable in the facts and circumstances of this case. It is clear that the workman served the bank as temporary employee for almost 6 years and it is also admitted that the management prepared a panel of temporary messengers. In the circumstances the workman applicant should have been given preference. It is settled law pronounced by the Hon'ble Supreme Court that last cum first go should be followed in the cases of temporary employees. The workman applicant was a temporary employee. As such, he should be given preference and his name should be included in the list of panel of temporary messengers prepared but the bank has given no concessions to the workman applicant who served the bank continuously for 6 years. Section 25(F) of the ID Act in such cases is attracted. He was a temporary employee. As such, when

his services were terminated, he should have been given compensation and he should also have been given the benefit of 25(G) and (H). The post of a messenger is purely a post of unskilled worker or a peon. Only 8th class pass qualification is required. The appointment is not political or ad-hoc but he was appointed in view of the necessity of the work and he worked for long six years. Such employees should be regularised and their name should be included while preparing a panel for temporary employees. No rules of recruitment has been followed and it has not been shown by the bank as to what rules of appointment have been followed. The management has filed no recruitment rules. The law cited by the management is not applicable in the facts and circumstances of the case. The workman applicant should have been regularised or absorbed in view of long unblemished service. The management has not followed 25(f) and 25(g) of the ID Act. The workman applicant deserves to be regularised. He is a manual worker so he must be doing some work. So 20% back wages is sufficient in the facts and circumstances of the case.

The reference is replied thus:—

The action of the management of the Indian Overseas Bank in terminating the services of Sh. Suraj Mal, Messenger, w.e.f. 19-02-1997 is neither legal and nor justified. The workman applicant deserves to be reinstated w.e.f. 19-02-1997 with 20% back wages. The management is directed to reinstate the workman and pay him the wages that have accrued within one month from the date of the publication of the award. In case of default, the workman applicant will be entitled to 12% interest per annum on the entire back wages.

The award is given accordingly.

**AWARD**

The Ministry of Labour by its letter No. L-12012/33/98-IR(B-II) Central Government Dt. 20-10-1998 has referred the following point for adjudication.

The point runs as hereunder :—

“Whether the action of the management of UCO Bank in treating Sh. Gordhan Lal Phogat, Gunman/ Armed Guard as Voluntarily retired from Bank Services w.e.f. 3-4-95 is just and legal? If not, what relief is the workman entitled to”.

The claimant has filed statement of claim. In the statement of claim, it has been stated that the above named workman joined respondent as Gun man/Armed guard w.e.f. 17-12-84. His provident fund No. is 39438. He was drawing Rs. 2500/- per month at the time of his illegal termination. That the workman came to resume his duties after the death of his wife, he was not permitted to do so by the respondent without assigning any reason. Several representations were made to the respondent by the workman directly and through UCO Bank employees union registered but of no avail. Respondent had not permitted the workman to resume his duties though his services have not been terminated at all which is evident from the letters of Divisional Manager of respondent. Respondent have always kept on prolonging the matter by informing the workman that his matter was under consideration and he would soon be taken back on duty.

That it is pertinent to mention here that due to certain unavoidable circumstances i.e. serious illness of workman's wife he was unable to attend to his duties w.e.f.

7-1-992. the workman tried his level best to provide every possible treatment to his wife but she finally died. It is mentioned here that during her illness the workman kept on informing the respondent about his inability to attend duties.

That when it became absolutely impossible for the workman to wait further as he had already reached starving point he had issued a legal notice dated 18/20-8-96 to the respondent. However instead of allowing him to assume his duties and or to impart any information, the respondent kept on sleeping over the matter. In those circumstances a reminder dated 12-9-96 was also issued to the respondent in continuation with the aforesaid legal notice. Only thereafter respondent replied to earlier legal notice dated 12-8-96 vide his letter dated 4-10-96 whereby respondent disclosed for the first time that since the workman remained absent without any application for leave he was deemed to be voluntarily retired from bank services w.e.f. 3-4-95 since then he failed to resume his duties despite notice dated 4-3-95. It was further mentioned therein that the aforesaid notice was sent as per clause of Bipartite settlement dated 8-9-93. The workman did not join his duties inspite of notice.

That the workman came to know for the first time that on the receipt of the aforesaid letter of respondent dated 4-10-96 addressed to the lawyer of the workman that his services were terminated illegally w.e.f. 3-4-95. It is pertinent to mention here that the workman had never received letter dated 4-3-95 alleged to have been issued by respondent.

That the workman has succeeded in laying hands in certain letters written by respondent to the Divisional Office of his bank at Chandigarh after the receipt of letter of the respondent dated 4-10-96. These letters disclosed that respondent terminated services of the workman in a most illegal fashion vide letter dated 4-3-95. It is proved from the letter of respondent bearing No. 288/95 dated 4-3-95, 289/95 dated 4-3-95 and letter No. 428-30/95 dated 4-4-95 all of them were addressed to the Divisional Manager, Chandigarh that the workman did not receive the notice of respondent dated 4-3-95 as respondent received back the letter with the remark of Postal Authorities on it that he was not residing on the said address.

It is pertinent to mention here that the aforesaid notice was sent to the workman at his native place where he was not residing at all and the respondent were well aware that the workman did not stay in the village and he was residing at Faridabad and respondent were having his address in his records. It is also revealed from the aforesaid letter that while striking off his name from employment of respondent, respondent did not pay any retrenchment benefit as required under section 25(f) of Industrial Disputes Act to him.

Hence aforesaid order of termination is totally unlawful and liable to be set aside. Assuming though not

admitting that respondent are competent to treat the workman as voluntarily retired in view of the alleged Bipartite Settlement date dt. 8-9-93 on his failure to report on duty within 30 days of the notice dated 4-3-95 even then respondent was liable to pay/offer retrenchment benefits to the workman before the removal/striking off his name from records of the bank and the said settlement if any is violative of mandatory provisions of Industrial Disputes Act and therefore is untenable under the law and can not over ride the provisions of Industrial Disputes Act. In view of violation of mandatory provisions of section 25(f) of Industrial Disputes Act the respondent is left with no other alternative but to withdraw his aforesaid illegal order of termination and to allow the workman to resume his duties forthwith. Even otherwise respondent has failed to seek prior permission to retrench the workman from the appropriate Government as he has more than 100 employees with him/respondent.

In view of the facts and circumstances mentioned above it is, therefore, prayed that claimant/workman may kindly be re-instated with full backwage continuity of service and all other benefits and accordingly an award may please be passed in favour of the claimant and against the respondent.

The management/respondent has filed WS. In the WS it has been submitted that the claim statement made by the claimant/workman is misconceived vague and against the facts and law as such the same is not maintainable and is liable to be dismissed. That the claim made by the claimant/workman does not come or fall under the ambit and scope of the Industrial Disputes Act and the rules framed thereunder, as such the claim statement filed by the claimant/workman is liable to be dismissed and the reference answered accordingly.

That the termination of claimant/workman from his services is legal and justified. In this connection para-17(a) of the Bipartite Settlement dated 10th April, 1989 is quoted hereas under;

"when an employee absents himself from work for a period of 90 days or more consecutive days without submitting an application for leave sanctioned originally/subsequently when there is a satisfactory evidence that he has taken up employment in India or when the management is reasonably satisfied that he has no intention of joining duties the management may at any time thereafter give a notice to the employee at his last known residence calling upon him to report for duty within 30 days of the date of notice stating inter-alia the grounds for coming to the conclusion that the employee has no intention of joining the duties and furnishing necessary evidence where available Unless the employee reports for duty within 30 days of the notice or gives an explanation for his absence within the said period of 30 days satisfying the management that he has

not taken up another employment or avocation and that he has no intention of not joining duties the employee will be deemed to have voluntarily retired from the bank's service on the expiry of the said notice. In the event of the employee submitting a satisfactory reply he shall be permitted to report for duty thereafter within 30 days from the date of the expiry of the aforesaid notice without prejudice to the bank's right to take any action under the law or rules of services".

In terms of the above mentioned clause of the Bipartite Settlement the employee was given a notice of 30 days vide letter dated 4-3-95 issued by the branch office Faridabad on the last recorded address of the claimant/workman to resume duty. This notice was sent to his last recorded address and contained the reasons/grounds for coming to the conclusion that the employee has no intention of joining his duties. The employee failed to resume his duties within the stipulated period of 30 days from the date of notice dated 4-3-95 and therefore, was deemed to have voluntarily retired from the bank's services on the expiry of the said notice. As such the contention of the claimant/workman that he has illegally been terminated from bank's services is absolutely wrong and baseless.

That the cause of the claimant/workman has not been espoused by the association where the workman was working but has filed the claim in his individual capacity as such the dispute raised by the claimant may be an individual dispute but does not constitute an industrial dispute as such also the claim made by the claimant/workman is not maintainable and is liable to be rejected as the provisions of industrial disputes act are not applicable to the facts and circumstances of the present case.

The workman has filed rejoinder. In his rejoinder, he has denied most of the paras of the written statement.

The management has also denied most of the paras of the statement of claim and rejoinder. It is admitted to both the parties that the workman applicant was appointed on 17-12-1984 but he was absent from 7-1-1992 on account of illness of his wife. The management sent him notice dt. 4-3-1995 and voluntarily retired him on 3-4-1995. The workman applicant has denied that he received any notice.

Heard arguments from both the sides and perused the papers on the record. It was submitted from the side of the workman that he was appointed on 17-12-1984. He absented himself from 7-1-1992 on account the illness of his wife and thereafter his own illness. He did not get notice of 4-3-1995. When he came to join after recovery, he was told that he has been voluntarily retired on 3-4-1995 in view of the bipartite settlement dt. 8-9-1993 and para 17-A of the same Bipartite Settlement. It was submitted from the side of the management that the workman applicant remained absent for long 4 years. He absented himself on

7-1-1992 and remained absent upto 18-08-1996 without any information. The copy of the notice dt. 4-3-1995 is annexed with the record. The workman applicant gave legal notice for the first time on 20-08-1996. The workman applicant has not filed any letter sent to the bank. There is no proof that the workman applicant has informed the bank regarding his illness. The legal notice has been issued by the workman so it is established that the workman applicant was absent from 7-1-1992 to 18-08-1996. He was absent for almost for more than four years.

My attention was drawn from the side of the workman to LLR 1998 page 385. The workman applicant was absent for seven consecutive days and his services were terminated, the Hon'ble Court held that it was not proper. In 2001 Lab I.C. 71 SC, the Hon'ble Supreme Court has held that overstaying of leave cannot result in automatic termination of service. An opportunity should be provided to hear the workman applicant.

In 1997 LLR 344, it has been held that service cannot be terminated without holding enquiry. These cases cited by the workman applicant are not applicable in the facts and circumstances of the case. In the instant case, the workman applicant absented himself for four and half years and the management was within a few kilometers of his residence. He ought to have contacted the management. He has not filed even the certificates to support his case that he was so ill that he could not inform the management regarding his illness. He should have sent applications alongwith medical certificates but he has not given any application supported by any medical certificate. He could not explain why he absented himself for four and a half years. It is the duty of the workman applicant to intimate the management as to why he absented for a long period. He has not disclosed any illness which will take four and a half years. It indicates that for sometime, he was not willing to join the management for duty and the attention of abandonment is clear from his very acts. The management cannot wait for four and half years for an employee. The employee was duty bound to inform the management regarding his illness and his whereabouts. The may be convicted for that period and he may not remain in Delhi as he has not sent any medical certificate and any application for leave. He has been given proper notice under the rules and thereafter his services have been terminated.

As such, his services have been terminated after giving him due notice as per the bipartite settlement referred to above. The notice was sent to him on 04-03-1995. Still, he did not report and he reported on 18-08-1996. As such, the management has given him proper opportunity. Principles of natural justice have been followed and there appears an intention of the workman applicant to abandon his job. As such, the workman is not entitled to get any relief. The law cited by the workman applicant are not applicable in the facts and circumstances of the case.

The reference is replied thus :—

The action of the management of UCO Bank in treating Sh. Gordhan Lal Phogat, Gun man/Armed Guard as Voluntarily retired from Bank services w.e.f. 3-4-95 is just and legal. The workman applicant is not liable to get any relief as prayed for.

The award is given accordingly.

1. The complainant has filed this complaint Under Section 33 A of the Industrial Dispute Act, praying that the act of the opponent changing his Service conditions is in violation of Section 33 and it is also prayed that the opponent should not interfere with the working of the complainant and for other relief.

2. The brief facts of the complainant is that he is working since last 10 years as a helper in D.B.G. department. The complainant and other workmen has raised the dispute which is pending before the Industrial Tribunal being reference I.T.C. No. 139/99. He is doing the permanent work. He is denied the wages which is given to the permanent employee of the O.N.G.C. The opponent is trying to change the service conditions and intending to terminate the services of complainant. Thus the act of the opponent being improper and illegal. Before terminating the services the permission of the Tribunal is necessary. Hence he prayed the relief as per para 10 of the complaint. By Ex. 2 the complainant has filed and *ad-interim* application and tribunal has granted the *status-quo*.

3. The oponent has submitted the Written Statement by Ex. 10. The brief facts are that the complaint is not maintainable at law and Hon'ble Tribunal has no jurisdiction. The opponent has not contravened any provisions of Section 33 of the Industrial Dispute Act and hence this complaint is not maintainable. It is also submitted that the complainant is not a concerned workmen. Thus the complaint is not tenable. Hence it is prayed that the complaint is required to be dismissed with cost.

4. During the course of proceedings the complainant had submitted Ex. 11 and it was submitted that in view of order passed in Main Reference, i.e. Reference C.G.I.T.A. No. 215/04 (Old No. 139/99), the present complaint is become infructuous. The complaint may be disposed off accordingly.

5. Looking to the order passed in Reference C.G.I.T.A. No. 215/04 as per Ex. 46 and 48, the Tribunal has granted the application Ex. 46 and 48 of the present complainant and direction was issued that there should not be change in the service conditions of the complainant till the final disposal of that reference.

6. Thus it is clear that the opponent has not committed any breach of Section 33 A of the Industrial Dispute Act and looking to the facts of the complaint there is no violation of Section 33 (A) of the Industrial

Dispute Act by the opponent. Hence thus complaint does not survive in law. Hence I passed the following order :

3. The opponent has submitted the Written Statement by Ex. 10. The brief facts are that the complaint is not maintainable at law and Hon'ble Tribunal has no jurisdiction. The opponent has not contravened any provisions of Section 33 of the Industrial Dispute Act and hence this complaint is not maintainable. It is also submitted that the complainant is not a concerned workmen. Thus the complaint is not tenable. Hence it is prayed that the complaint is required to be dismissed with cost.

4. During the course of proceedings the complainant had submitted Ex. 11 and it was submitted that in view of order passed in Main Reference, i.e. Reference C.G.I.T.A. No. 215/04 (Old No. 139/99), the present complaint is become infructuous. The complaint may be disposed off accordingly.

5. Looking to the order passed in Reference C.G.I.T.A. No. 215/04 as per Ex. 46 and 48, the Tribunal has granted the application Ex. 46 and 48 of the present complainant and direction was issued that there should not be change in the service conditions of the complainant till the final disposal of that reference.

6. Thus it is clear that the opponent has not committed any breach of Section 33 A of the Industrial Dispute Act and looking to the facts of the complaint there is no violation of Section 33 (A) of the Industrial Dispute Act by the opponent. Hence thus complaint does not survive in law. Hence I passed the following order:

6. Thus it is clear that the opponent has not committed any breach of Section 33 A of the Industrial Dispute Act and looking to the facts of the complaint there is no violation of Section 33 (A) of the Industrial Dispute Act by the opponent. Hence thus complaint does not survive in law. Hence I passed the following order :

1. केन्द्र सरकार के श्रम मंत्रालय की अधिसूचना संख्या एल-29011/78/2001-आईआर (एम) दिनांक 6-2-2001 के द्वारा औद्योगिक विवाद अधि. 1947 (तत्पश्चात् अधि. 1947 से सम्बोधित) की धारा 10(1) (ग) के तहत निम्नलिखित विवाद इस न्यायाधिकरण को अधिनिर्णयार्थ प्रेषित किया गया :—

“क्या क्षेत्रीय प्रबंधक, एम. एम.टी.सी. लि., भीलवाड़ा द्वारा कर्मचारियों को वर्ष 1992 से आउट फिट एलाउन्स का भुगतान रु. 450.00 प्रतिवर्ष प्रति कर्मचारी के हिसाब से नहीं करना उचित एवं सही है ? यदि नहीं, तो यूनियन किस राहत का अधिकारी है ?”

2. उपर्युक्तानुसार विवाद दिनांक 18-3-02 को प्राप्त होने पर क्रम संख्या 2/02 पर दर्ज हुआ तथा पक्षकारान को सूचित किया गया।

3. दिनांक 2-12-02 को प्रस्तुत स्टेटमेंट आफ क्लेम के मुताबिक आवेदक यूनियन पंजीकृत है तथा अनावेदक कंपनी से मान्यता प्राप्त है। आवेदक यूनियन के सदस्यगण पूर्व में माईकाट्रेडिंग कार्पोरेशन आफ इंडिया लि. के कर्मचारीगण थे। मिटको रुग्ण इकाई होने की वजह से मामला बी.आई.एफ.आर. में रेफर किया गया तथा दिनांक 1-4-95 से मिटको कंपनी एम.एम.टी.सी. में विलय हो गई—तत्पश्चात् मिटको में कार्यरत कर्मचारीगण की तैनाती अभ्रक प्रभाग में की गई। अभ्रक प्रभाग एम.एम.टी.सी. के अन्य विभाग/प्रभाग की तरह एक शाखा है। मिटको के पूर्व कर्मचारीगण को एम.एम.टी.सी. में कार्यरत कर्मचारीगण के समान वेतन परिलाभ अदा नहीं किया जा रहा है। पूर्व कंपनी मिटको के कार्यालय आदेश क्रमांक 7165 दिनांक 3-3-89 के द्वारा भीलवाड़ा कार्यालय को फील्ड स्टेशन घोषित किया गया तथा फील्ड स्टेशन में

कार्यरत कर्मचारीगण को 450 रु. प्रति वर्ष—प्रति कर्मचारी आउट फिट एलाउन्स देय होता है। यह एलाउन्स वेतन का हिस्सा है। वर्ष 1991 तक मिटको कर्मचारीगण को प्रति कर्मचारी 450 रु. प्रति वर्ष आउट फिट एलाउन्स अदा किया गया लेकिन वर्ष 1992 से इस एलाउन्स की अदायगी आवेदक यूनियन के सदस्यगण को नहीं की जा रही है। वित्तीय संकट का बहाना बना कर प्रबंधन इस एलाउन्स का भुगतान नहीं कर रहा है, जबकि स्वैच्छिक सेवा निवृत्ति योजना के तहत सेवा निवृत्त कर्मचारीगण को आउट फिट एलाउन्स का भुगतान किया गया है। वर्ष 1992 से वर्ष 2000 तक प्रति कर्मचारी 400 रु. प्रति वर्ष की दर से आउट फिट एलाउन्स की राशि 4950 रु. होती है। यही नहीं जिन कर्मचारीगण को आउट फिट एलाउन्स देय होता है उनको मकान किराया भत्ता की 5 प्रतिशत राशि कम अदा की जाती है। आवेदक यूनियन के सदस्यगण को आउट फिट एलाउन्स की राशि भी अदा नहीं की जा रही है तथा उन्हें मकान किराया भत्ता के रूप में भी 5 प्रतिशत राशि कम अदा की जा रही है जो सर्वथा अनुचित है। यूनियन ने निवेदन किया कि भीलवाड़ा फील्ड स्टेशन पर कार्यरत यूनियन के सदस्यगण को वर्ष 1992 से प्रति कर्मचारी 450 रु. प्रति वर्ष की दर से आउट फिट एलाउन्स के रूप में ब्याज सहित दिलाये जायें।

4. दिनांक 9-5-03 को प्रस्तुत जवाब में उल्लेख किया गया कि पूर्ववर्ती मिटको को एम.एम.टी.सी. में इस शर्त के तहत विलय किया गया था कि विलय किये गये तथाकथित कर्मचारी विलयन की तारीख पर लागू होने वाली सेवा शर्तों तथा वेतनमान के अंतर्गत कार्य करेंगे तथा पूर्ववर्ती मिटको के कर्मचारी एम.एम.टी.सी. के वेतनमानों के लिए आंदोलन नहीं करेंगे। भीलवाड़ा कार्यालय को फील्ड स्टेशन घोषित किये जाने से आवेदक यूनियन के सदस्य आउट फिट एलाउन्स के अधिकारी नहीं हो जाते। वर्तमान में इकाई में कोई उत्पादन नहीं हो रहा है तथा वर्ष 2000-2001 व 2001-2002 में माईका प्रभाग में हानि हुई है। पूर्ण आय नहीं होने की स्थिति में आउट फिट भत्ता प्रदान नहीं किया जा सकता। विलय योजना के तहत वेतनमान संशोधन का कोई प्रावधान नहीं था। समान कार्य के लिए समान वेतन के सिद्धांत को आवेदक यूनियन के सदस्यगण के संबंध में लागू नहीं किया जा सकता।

5. स्टेटमेंट आफ क्लेम के समर्थन में विरेन्द्र सिंह, अध्यक्ष आवेदक यूनियन का शपथपत्र पेश हुआ। उससे अनावेदक कंपनी की तरफ से जिरह हुई। जवाब के समर्थन में अनावेदक कंपनी की तरफ से कोई साक्ष्य पेश नहीं हुई।

6. बहस अंतिम उभयपक्ष सुनी। उभयपक्ष की तरफ से लिखित बहस भी पेश हुई। पत्रावली का ध्यानपूर्वक अवलोकन किया।

7. आवेदक यूनियन की तरफ से जाहिर किया गया कि पूर्व मिटको कंपनी का विलय अनावेदन कंपनी एम.एम.टी.सी. में होने के पश्चात् आवेदक यूनियन के सदस्यगण एम.एम.टी.सी. में कार्यरत कर्मचारीगण के समान वेतन व परिलाभ प्राप्त करने के अधिकारी हैं। आदेश दिनांक 3-3-89 के द्वारा भीलवाड़ा कार्यालय को फील्ड स्टेशन घोषित किया गया तथा तब से पूर्व मिटको के कर्मचारीगण को भी 400 रु. प्रति कर्मचारी प्रति वर्ष की दर से आउट फिट एलाउन्स अदा होता रहा है, लेकिन वर्ष 1992 से आवेदक यूनियन के सदस्यगण को यह भत्ता अदा नहीं किया जा रहा है। वर्ष 1992 से 2002 तक 450 रु. प्रति

कर्मचारी प्रति वर्ष की दर से आउट फिट भत्ता की कुल राशि 4950 रु. होती है। अनावेदक कंपनी विज्ञापन, कलेंडर, कार्ड आदि पर लाखों रुपये खर्च करती है तथा आउट फिट भत्ता की कुछ राशि अदा करने के लिए आर्थिक हानि का बहाना बना रही है। अनावेदक कंपनी ने आवेदक यूनियन की तरफ से पेश किये गये गवाह तथा दस्तावेजात के खंडन में कोई साक्ष्य पेश नहीं की है। अनावेदक कंपनी ने वर्ष 1992 से आउट फिट भत्ता के रूप में राशि अदा नहीं की, जबकि बी.आई. एफ. आर. के पेकेज में दो लाख रुपये की राशि आउटफिट भत्ता के रूप में दर्शाई गई है।

8. अनावेदक कंपनी की तरफ से बतलाया गया कि विवाद उचित पक्षकार के अभाव में पोषणीय नहीं है तथा विवाद के संबंध में निर्णय लेने के लिए पंजिकृत कार्यालय ही सक्षम है।

9. अनावेदक कंपनी की तरफ से लिखित बहस के माध्यम से जो एक मात्र तर्क पेश हुआ है वह तर्क यह है कि एम.एम.टी.सी. जरिये रीजनल मैनेजर, भीलवाड़ा इस विवाद में उचित पक्षकार नहीं है तथा उचित पक्षकार के अभाव में यह विवाद पोषणीय नहीं है। यह स्वीकृत तथ्य है कि पूर्व माईका ट्रेडिंग कॉर्पोरेशन (मिटको) जो वर्तमान में माईका डिवीजन के रूप में जानी जाती है, एम.एम.टी.सी. लि. की सब्सिडरी थी तथा मिटको रुग्ण इकाई होने की वजह से 1992 में बी.आई.एफ.आर. के रेफर हुई तथा बाद में मिटको का विलय एम.एम.टी.सी. में हो गया। अनावेदक कंपनी की तरफ से प्रस्तुत जवाब (हिन्दी अनुवाद) के शुरू में ही उल्लेख है कि "पूर्ववर्ती मिटको को एक बीमार इकाई घोषित किया गया था तथा बी.आई.एफ.आर. में भेजा गया था। बी.आई.एफ.आर. की संस्तुति पर दिनांक 1-4-94 से इसका विलयन एम.एम.टी.सी. में कर दिया गया था और इस समय यह एम.एम.टी.सी. के माईका प्रभाग के रूप में कार्य कर रही है। वेतन तथा भत्तों के संबंध में लगाये गये आरोप स्वीकार नहीं किये जाते हैं। पूर्ववर्ती मिटको को एम.एम.टी.सी. में इस शर्त के साथ विलय किया गया था कि एम.एम.टी.सी. में विलय किये गये तथाकथित कर्मचारी विलयन की तारीख पर लागू होने वाली सेवा शर्तों तथा वेतनमान के अंतर्गत कार्य करेंगे तथा पूर्ववर्ती मिटको के कर्मचारी एम.एम.टी.सी. के वेतनमानों के लिए आंदोलन नहीं करेंगे। इस तरह से पूर्व मिटको, आवेदक यूनियन के सदस्यगण जिसके कर्मचारीगण हैं, का विलय दी मिनरल एंड मेटलस ट्रेडिंग कॉर्पोरेशन आफ इंडिया (एम.एम.टी.सी.) में हो गया तब इस एम.एम.टी.सी. का रीजनल कार्यालय भीलवाड़ा में स्थित है। आवेदक यूनियन के सदस्यगण, जो कि पूर्व मिटको के कर्मचारीगण थे तथा मिटको का विलय एम.एम.टी.सी. में होने से वर्तमान में वे एम.एम.टी.सी. की माईका डिवीजन, भीलवाड़ा में कार्यरत होने बतलाये गये हैं। आवेदक यूनियन के कथानुसार भीलवाड़ा में माईका डिवीजन में कार्यरत पूर्व मिटको के कर्मचारीगण के कार्य तथा भीलवाड़ा में ही एम.एम.टी.सी. में कार्यरत कर्मचारीगण के कार्य में कोई भिन्नता नहीं है, जबकि उनको देय वेतन व परिलाभों में भिन्नता है। इस तरह की स्थिति में वेतन व परिलाभ में भिन्नता से संबंधित विवाद एम.एम.टी.सी. की भीलवाड़ा स्थित कार्यालय के प्रबंधन एवं आवेदक यूनियन के मध्य होना स्वाभाविक है— परिणामतः भीलवाड़ा स्थित एम.एम.टी.सी. का कार्यालय विचाराधीन विवाद में अनुचित पक्षकार नहीं है। आवेदक यूनियन द्वारा मांग पत्र

एम.एम.टी.सी. के भीलवाड़ा स्थित प्रबंधन कार्यालय को प्रेषित किया गया तथा विवाद भी भीलवाड़ा स्थित प्रबंधन कार्यालय आवेदक यूनियन के मध्य उत्पन्न हुआ—जिस स्थिति में एम.एम.टी.सी. को जरिये रीजनल मैनेजर, भीलवाड़ा पक्षकार बनाया जाना किसी तरह से अनुचित नहीं कहा जा सकता। अधि. 1947 की धारा 2 (जी) के तहत "नियोजक" को परिभाषित किया गया है जिसमें स्थानीय प्राधिकारी या उसकी तरफ संचालित उद्योग के संबंध में उस प्राधिकारी के मुख्य कार्यकारी अधिकारी को नियोजक माना गया है। एम.एम.टी.सी. की तरफ संचालित उद्योग में भीलवाड़ा स्थित कार्यालय में रीजनल मैनेजर मुख्य कार्यकारी अधिकारी होना प्रतीत होता है। यदि किसी कार्य के लिए उच्चाधिकारियों की स्वीकृति आवश्यक है तो वह स्वीकृति संबंधित अधिकारी यानि रीजनल मैनेजर द्वारा प्राप्त किया जाना संभव है। उच्चाधिकारियों द्वारा इस तरह की स्वीकृति प्रदान नहीं किये जाने की स्थिति में संबंधित अधिकारी कथित कार्य से इन्कार किया जा सकता है, लेकिन विचाराधीन मामले में इस तरह का प्रसंग नहीं है क्योंकि एम.एम.टी.सी. के रीजनल मैनेजर, भीलवाड़ा द्वारा इस तरह का कोई तर्क पेश नहीं किया गया है कि उसने किसी तरह की स्वीकृति के लिए प्रधान कार्यालय या उच्च अधिकारियों को लिखा। भीलवाड़ा स्थित प्रबंधन कार्यालय से आवेदक यूनियन का विवाद उत्पन्न होने की स्थिति में आवेदक यूनियन द्वारा भीलवाड़ा स्थित कार्यालय के रीजनल मैनेजर को स्वाभाविक तौर पर पक्षकार बनाया गया जिस प्रयोजनार्थ कंपनी के किसी सर्टिफिकेट आफ इनकॉर्पोरेशन को पेश किये जाने की आवश्यकता नहीं थी। यदि इस संबंध में किसी सर्टिफिकेट आफ इनकॉर्पोरेशन की आवश्यकता थी तो वह अनावेदक कंपनी द्वारा पेश किया जाना संभव था। सर्टिफिकेट आफ इनकॉर्पोरेशन के संबंध में अनावेदक कंपनी की आपत्ति निरर्थक है। इसके अलावा अधि. 1947 के तहत समुचित सरकार द्वारा प्रेषित विवाद का अभिनिर्धारण अधि. 1947 तथा इसके तहत बने नियमों के तहत होता है। इस तरह के विवाद के अभिनिर्धारण के लिए पक्षकार संयोजन के संबंध में दीवानी प्रक्रिया संहिता के तहत प्रावधान प्रभावी नहीं होते हैं तथा विवाद अभिनिर्धारण के लिए श्रमिक पक्ष एवं नियोजकपक्ष का प्रतिनिधित्व पर्याप्त है। विचाराधीन मामले में श्रमिक पक्ष का प्रतिनिधित्व आवेदक यूनियन द्वारा किया गया है तथा नियोजक पक्ष का प्रतिनिधित्व एम.एम.टी.सी. के रीजनल मैनेजर, भीलवाड़ा द्वारा किया गया है। यह सही है तथा आवेदक यूनियन के अध्यक्ष बिरेन्द्र सिंह ने भी जिरह में स्वीकार किया कि "यह सही है कि इस स्टेटमेंट आफ क्लेम की विषय वस्तु बाबत निर्णय लेने व उसे क्रियान्वयन करने का अधिकार हैडऑफिस को है" लेकिन अनावेदक कंपनी का भीलवाड़ा स्थित रीजनल मैनेजर कार्यालय अनावेदक कंपनी के प्रबंधन का हिस्सा है तथा अनावेदक कंपनी का प्रबंधन नियोजक पक्ष है। केन्द्र सरकार द्वारा प्रेषित रेफरेन्स के शुरू में ही उल्लेख है कि— WHEREAS the Central Government is of the opinion that an industrial dispute exists between the employers in relation to the management of The Regional Manager MMTCL Limited and their workmen in respect of the matters specified in the Schedule hereto annexed.; इस उल्लेख में प्रयुक्त शब्द "एम्प्लॉयर्स" बहुवचन है— जिसमें मेरी राय में अनावेदक कंपनी का रीजनल कार्यालय भीलवाड़ा शामिल है तथा यदि रीजनल मैनेजर, भीलवाड़ा की दृष्टि में यह विवाद

मुख्यालय से संबंधित था तो मुख्यालय द्वारा विवादको कंटेस्ट किये जाने में कोई बाधा नहीं थी। न्यायिक विनिश्चय में बक्षी स्टील लि. बनाम राज. राज्य आर. एल. आर. 2004 (I) पेज 755 में माननीय राज. उच्च न्यायालय द्वारा अभिनिर्धारित किया गया कि टेक्नीकल आधार पर क्लेम को खारिज नहीं किया जाना चाहिये। विचाराधीन मामले में भी एम. एम. टी सी. लि. को मुख्य प्रबंधन के जरिये पक्षकार नहीं बनाया जाकर रिजनल मैनेजर, भीलवाड़ा के जरिये पक्षकार बनाए जाने मात्र आधार पर यह विवाद खारिज किया जाना उचित प्रतीत नहीं होता।

10. पत्रावली के संलग्न कार्यालय आदेश दिनांक 27-12-91 अनेक्सर दो व प्रदर्श 6 के क्रम सं. 8 व 8.1 पर इस आशय का उल्लेख है कि OUTFIT ALLOWANCE :— The existing rate of outfit Allowance of Rs. 450/- per annum payable to the field Staff and Ministerial staff working in field as a compensation for comparatively rapid wear and tear of clothes shall remain unchanged” यह आदेश माईका ट्रेडिंग कार्पोरेशन ऑफ इंडिया लि. पी. एंड ए डिवीजन द्वारा जारी किया गया है। कार्यालय आदेश दिनांक 3-3-89 अनेक्सर एक भी माईका ट्रेडिंग कार्पोरेशन ऑफ इंडिया के चीफ मैनेजर पी. एंड ए के द्वारा जारी हुआ है तथा इस आदेश के तहत भीलवाड़ा सहित कुछ शहरों को फील्ड स्टेशन घोषित किया गया है। इस आदेश में यह भी उल्लेख किया गया है कि फील्ड स्टेशन पर कार्यरत कर्मचारीगण को देय लाभ भीलवाड़ा स्थित फील्ड स्टेशन पर कार्यरत कर्मचारीगण को भी देय होंगे। इन दोनों आदेशों से स्पष्ट है कि पूर्व मिटको के फील्ड स्टाफ व मिनीस्ट्रीयल स्टाफ, जो भीलवाड़ा फील्ड स्टेशन पर कार्यरत थे को 450 रु. प्रति वर्ष की दर से आउट फिट भत्ता देय था। यूनियन की तरफ से जाहिर किया गया है कि वर्ष 91 तक पूर्व मिटको के कर्मचारीगण को आउट फिट भत्ता राशि अदा की गई लेकिन वर्ष 1992 से इस राशि की अदायगी नहीं की जा रही है। इस संबंध में आवेदक यूनियन की तरह से पेश किये गये गवाह बिरेन्द्र सिंह के शपथपत्र का कोई खंडन अनावेदक कंपनी की तरफ से नहीं हुआ है। अनावेदक कंपनी द्वारा सहायक श्रम आयुक्त (केन्द्रीय), अजमेर को प्रेषित पत्र दिनांक 13-4-01 प्रदर्श 11 में उल्लेख है कि “आपके पत्र सं. एजे/50 (52)/2000 दिनांक 9-4-2001 के संदर्भ में निवेदन है कि निधि की कमी एवं वित्तीय संकट के कारण वर्ष 1992 से कर्मचारियों को आउट फिट भत्ते का भुगतान नहीं किया जा सका है।” “माईका ट्रेडिंग कार्पोरेशन आफ इंडिया के दो कर्मचारीगण नरेन्द्र सिंह, चालक व मुक्तेश्वर तिवारी, वाचमैन की क्रमशः 6-5-96 व 5-2-96 को सेवा निवृत्ति पर आउट फिट भत्ता के रूप में वर्ष 1992-93 से सेवा निवृत्ति तक राशि अदा किये जाने का उल्लेख है लाईबिलिटी से संबंधित विवरण प्रदर्श 14 में भी आउट फिट भत्ता के रूप में दो लाख रुपये की राशि जुलाई 88 से मार्च 94 तक की अवधि की दर्शाई हुई है। माईका ट्रेडिंग कार्पोरेशन आफ इंडिया लि. द्वारा ही जारी कार्यालय आदेश सं. 48 दिनांक 11-3-89 प्रदर्श 15 से स्पष्ट है कि फील्ड स्टेशन पर कार्यरत कर्मचारीगण को देय भत्तों के परिपेक्ष्य में उन्हें मकान किराया भत्ता के रूप में 25% के स्थान पर 20% भत्ता ही देय होता है। मामले की परिस्थितियों में, मेरी राय में, फील्ड स्टेशन पर कार्यरत कर्मचारीगण को देय आउटफिट भत्ता अधि. 1947 की धारा

2 (आर आर) में परिभाषित मजदूरी (वेजेज) की तारीफ में आता है तथा धनाभाव की वजह से संबंधित श्रमिक को इस तरह की राशि से वंचित नहीं किया जा सकता। अधि. 1947 की धारा 25 (एफ एफ एफ) में निहित प्रावधान के मुताबिक धित्वीय परेशानियों जिसमें आर्थिक हानि शामिल है, को उन अएवाएडेबल स्मिस्टान्सेज जो नियोजक के नियंत्रण में के बाहर हो नहीं माना गया है। इस तरह से मेरी राय में आवेदक यूनियन के सदस्यगण जो कार्यालय आदेश दिनांक 3-3-89 अनेक्सर 1 व कार्यालय आदेश दिनांक 27-12-91 अनेक्सर 2 व प्रदर्श 6 की परिधि में आता है, को वर्ष 1992 के आउटफिट एलाउन्स का भुगतान 450 रु. प्रति वर्ष प्रति कर्मचारी के हिसाब से नहीं करना उचित एवं सही नहीं है।”

11. उपर्युक्त विवेचन के आधार पर केन्द्र सरकार द्वारा प्रेषित विवाद निम्न तरह से निर्णित किया जाता है:—

क्षेत्रीय प्रबंधक, एम. एम. टी सी. लि., भीलवाड़ा द्वारा कर्मचारियों को वर्ष 1992 से आउट फिट एलाउन्स का भुगतान 450 रु. प्रतिवर्ष प्रति कर्मचारी के हिसाब से नहीं करना उचित एवं सही नहीं है। आवेदक यूनियन के सदस्यगण/कर्मचारीगण, जो कार्यालय आदेश दिनांक 3-3-89 व 27-12-91 की परिधि में आते हैं, 450 रु. प्रति वर्ष प्रति कर्मचारी की दर से आउट फिट एलाउन्स के रूप में बकाया राशि अनावेदक कंपनी से प्राप्त करने के अधिकारी हैं।

उपर्युक्तानुसार पंचाट जारी किया जाता है।

दिनांक 19-11-2004

1. केन्द्र सरकार के श्रम मंत्रालय की अधिसूचना संख्या : एल-29011/79/2001—आईआर/(एम) दिनांक 8-2-2002 के द्वारा औद्योगिक विवाद अधि. 1947 (तत्पश्चात् अधि. 1947 से सम्बोधित) की धारा 10(1) (ग) के तहत निम्नलिखित विवाद इस न्यायाधिकरण को अधिनिर्णयार्थ प्रेषित किया :—

“क्या इलैक्ट्रॉनिक ट्रेड यूनियन, भीलवाड़ा द्वारा मांग पत्र एनेक्जर “ए” प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को प्रेषित करना उचित है ? यदि नहीं, तो यूनियन किस राहत का अधिकारी है ?”

2. उपर्युक्तानुसार विवाद दिनांक 18-3-02 को प्राप्त होने पर क्रम संख्या 1/02 पर दर्ज हुआ तथा पक्षकारान को सूचित किया गया।

3. दिनांक 2-12-02 को प्रस्तुत स्टेटमेंट आफ क्लेम के मुताबिक आवेदक यूनियन पंजीकृत है तथा अनावेदक कंपनी से मान्यता प्राप्त है। आवेदक यूनियन के सदस्यगण पूर्व में अनावेदक कंपनी की शाखा कंपनी माईका ट्रेडिंग कार्पोरेशन आफ इंडिया लि., जिसे संक्षेप में मिटको कहा जाता है, के अधीन कार्यरत थे। मिटको रुग्ण इकाई घोषित होने से बी. आई. एफ. आर. में मामला रेफर हुआ तथा बी. आई. एफ. आर. एवं भारत सरकार के आदेश के तहत इसे एम.एम.टी.सी. लि., में दिनांक 1-4-95 को विलय कर दिया गया। विलय के पश्चात् मिटको में कार्यरत श्रमिकगण की तैनाती एम.एम.टी.सी. लि. के अभ्रक प्रभाग में की गई। यह प्रभाग एम.एम.टी.सी. लि. के अन्य विभागों/प्रभागों की तरह एक शाखा है। मिटको के श्रमिकगण अभ्रक प्रभाग के श्रमिकगण होते हुए भी उन्हें एम.एम.टी.सी. लि. में कार्यरत श्रमिकगण के समान वेतन व परिलाभ का भुगतान नहीं किया जा रहा है। पूर्ववर्ती मिटको कंपनी एम.एम.टी.सी. कंपनी की सब्सिडरी कंपनी के रूप में कार्यरत तथा एम.एम.टी.सी. में

समय-समय पर लिये गये निर्णय तथा वेतनमान आदि मिटको के कर्मचारीगण भी समान रूप से लागू होते थे। अनावेदक कंपनी के अभ्रक प्रभाग में कार्यरत श्रमिकगण का कार्य अन्य विभागों में कार्यरत कर्मचारीगण के कार्य के समान है। समान कार्य के लिए समान वेतन देय होता है, लेकिन मिटको कंपनी एम.एम.टी.सी. लि. अनावेदक कंपनी में विलय होने के पश्चात् मिटको कम्पनी के कर्मचारीगण को अनावेदक कंपनी के कर्मचारीगण के समान वेतन व परिलाभ नहीं दिए जा रहे हैं। स्टेटमेंट आफ क्लेम के पैरा सं. 7 के मुताबिक श्रमिकगण का वेतन पुनरीक्षण दिनांक 1-7-88 से तथा कर्मचारियों का वेतन पुरीक्षण दिनांक 1-11-92 से एवं अधिकारिणों का वेतन पुनरीक्षण दिनांक 1-1-92 से नहीं किया है। आवेदक यूनियन ने रेफरेंस में वर्णित मांग पत्र विपक्षी नियोजक को प्रस्तुत किया। मांगों का विवरण क्लेम के पैरा सं. 10 में अ से द तक है। मांग पत्र में वर्णित मांगें उचित हैं तथा स्वीकार किये जाने योग्य हैं। आवेदक यूनियन ने निवेदन किया कि आवेदक यूनियन द्वारा प्रस्तुत मांग पत्र एनेक्सर ए वैध व उचित मानते हुए मांग में वर्णनानुसार वेतनमान व लाभ आवेदक यूनियन के सदस्यगण को प्रदत्त किये जाये।

4. दिनांक 9-5-03 को प्रस्तुत जवाब (हिन्दी अनुवाद) के मुताबिक मिटको वर्ष 1987-88 से लगातार घाटे में चल रही है तथा 1991-92 में कम्पनी का नेटवर्क पूर्णतया समाप्त हो गया। बी.आई.एफ.आर. द्वारा अनुमोदित विलय योजना के मुताबिक माईका डिवीजन के कर्मचारियों को योजना में निर्धारित अधिकतम संख्या तक ही सीमित रखा जायेगा तथा उनकी सेवा शर्तें पूर्ववत् रहेगीं जैसे कि विलय की तिथि से पूर्व थी। पूर्व मिटको के विभिन्न श्रेणी के कर्मचारीगण के वेतनमान में संशोधन का विवरण जवाब के पैरा सं. 4 में अंकित किया गया। विलय योजना में वेतन संशोधन का कोई प्रावधान नहीं था। एम.एम.टी.सी. के कर्मचारीगण के लिए पिछला वेतन समझौता दिनांक 4-8-95 को हुआ था। समझौते की अवधि दिनांक 1-11-92 से 31-10-97 तक 5 वर्ष की थी। एम.एम.टी.सी. कर्मचारी संघों की फेडरेशन ने दिनांक 8-1-98 को नया मांग पत्र प्रस्तुत किया तथा एम.एम.टी.सी. के कर्मचारीगण के वेतन संशोधन के संबंध में नये समझौते ज्ञापन पर हस्ताक्षर हुए। माईका डिवीजन के स्टाफ कर्मचारी केडर को वेतन पूर्व समझौता दिनांक 5-10-91 के अनुरूप देय है। दिनांक 5-10-91 के पश्चात् कोई समझौता नहीं हुआ। बी.आई.एफ.आर. की सिफारिश के बाद पूर्व मिटको के कर्मचारीगण पर सेवा शर्तें तथा वेतनमान पूर्व मिटको वाले लागू होते हैं तथा वाणिज्य मंत्रालय में यह शर्त रखी गई थी कि मिटको कर्मचारीगण एम.एम.टी.सी. के वेतनमान की मांग नहीं करेंगे। समान कार्य के लिए समान वेतन का सिद्धांत आवेदक यूनियन के सदस्यगण के संबंध में लागू नहीं होता। आवेदक यूनियन द्वारा समान वेतनमान व अन्य परिलाभ के संबंध में की गई मांग उचित नहीं है। अनावेदक कंपनी ने बी.आई.एफ.आर. के प्रावधानों के अनुसार कार्य किया है।

5. क्लेम के समर्थन में विरेन्द्र सिंह, अध्यक्ष यूनियन का शपथपत्र पेश हुआ। उससे अनावेदक कम्पनी की तरफ से जिरह हुई। जवाब के समर्थन में कोई साक्ष्य पेश नहीं हुई।

6. बहस अंतिम उभयपक्ष सुनी। उभयपक्ष की तरफ से लिखित बहस भी पेश हुई। पत्रावली का ध्यानपूर्वक अवलोकन किया।

7. आवेदक यूनियन की तरफ से जाहिर किया गया कि आवेदक यूनियन के सदस्यगण समान कार्य के लिए समान वेतन के सिद्धांत के आधार पर अनावेदक कंपनी में कार्यरत कर्मचारीगण को प्रदत्त वेतन एवं परिलाभ के समान वेतन एवं परिलाभ प्राप्त करने के अधिकारी हैं। मिटको का विलय एम.एम.टी.सी. में होने के पश्चात् पूर्व में मिटको के कर्मचारीगण का वेतनमान में कोई संशोधन नहीं किया गया तथा पूर्व मिटको के कर्मचारीगण एवं अनावेदक कम्पनी के कर्मचारीगण के कार्य में कोई भिन्नता नहीं है। इस संबंध में आवेदक यूनियन ने मांग पत्र प्रेषित किया था जो उचित व स्वीकार किये जाने योग्य है। आवेदक यूनियन की तरफ से पेश की गई साक्ष्य का कोई खंडन अनावेदक कंपनी की तरफ से नहीं हुआ है। अनावेदक कंपनी को नियमानुसार पक्षकार बनाया गया है। आवेदक यूनियन के सदस्यगण मांग पत्र में वर्णानुसार वेतनमान व अन्य लाभ प्राप्त करने के अधिकारी हैं।

8. अनावेदक कंपनी की तरफ से जाहिर किया गया कि आवेदक यूनियन ने एम.एम.टी.सी. को जरिये रिजनल मैनेजर, भीलवाड़ा पक्षकार बनाया है, जबकि रिजनल मैनेजर, भीलवाड़ा इस विवाद में उचित पक्षकार नहीं है। रेफरेन्स यह तय होना है कि क्या प्रबंधक, एम.एम.टी.सी., भीलवाड़ा प्रोपर पक्षकार है। उचित पक्षकार के संबंध में अनावेदक कंपनी का सर्टिफिकेट इन कार्पोरेशन पेश किया जाना आवश्यक था—जिससे स्पष्ट हो पाता कि इस विवाद में उचित पक्षकार कौन है। उचित पक्षकार के अभाव में यह रेफरेन्स/विवाद पोषणीय नहीं है क्योंकि आवेदक यूनियन की तरफ से जो मांग की गई है उसकी स्वीकृति के लिए रिजनल मैनेजर, भीलवाड़ा सक्षम नहीं है तथा उचित पक्षकार के विरुद्ध ही अवार्ड निष्पादन योग्य होता है। उचित पक्षकार के अभाव में विवाद से संबंधित कार्यवाही निरर्थक है, अतः रेफरेन्स खारिज किये जाने योग्य है।

9. सर्वप्रथम यह उल्लेख किया जाना अनुचित नहीं होगा कि न्यायाधिकरण को प्राप्त रेफरेन्स के मुताबिक आवेदक यूनियन द्वारा मांग पत्र एनेक्सर ए प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को प्रेषित किया गया, जबकि 8 शुद्धि पत्र दिनांक 6-9-02 के संलग्न मांग पत्र एनेक्सर ए क्षेत्रीय श्रम आयुक्त, केन्द्रीय श्रम विभाग (भारत सरकार) सिविल लाईन्स, अजमेर को सम्बोधित है। प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को सम्बोधित या प्रेषित कोई मांग पत्र एनेक्सर ए के रूप में न्यायाधिकरण को प्राप्त नहीं हुआ है, लेकिन इस संबंध में अनावेदक कंपनी की तरफ से कोई आपत्ति नहीं उठाई गई है। आवेदक यूनियन की तरफ से प्रस्तुत स्टेटमेंट आफ क्लेम के पैरा सं. 10 में भी कथित मांग पत्र का विवरण दर्ज है, जो एनेक्सर ए में दर्ज विवरण के समान है। मामले की इन परिस्थितियों में एनेक्सर ए विवादित मांग पत्र होना माना जाता है।

10. अनावेदक कंपनी की तरफ से लिखित बहस के माध्यम से जो एक मात्र तर्क पेश हुआ है वह तर्क यह है कि एम.एम.टी.सी. जरिये रिजनल मैनेजर, भीलवाड़ा इस विवाद में उचित पक्षकार नहीं है तथा उचित पक्षकार के अभाव में यह विवाद पोषणीय नहीं है। यह स्वीकृत तथ्य है कि पूर्व माईका ट्रेडिंग कार्पोरेशन (मिटको) जो वर्तमान में माईका डिवीजन के रूप में जानी जाती है, एम.एम.टी.सी. लि. की सबसीडरी थी तथा मिटको रुग्ण इकाई होने की वजह से 1992 में बी.आई.एफ.आर. को रेफर हुई तथा बाद में मिटको का विलय एम.एम.टी.सी. में हो गया। अनावेदक कंपनी की तरफ से प्रस्तुत जवाब (हिन्दी अनुवाद) के शुरू में

ही उल्लेख है कि "पूर्व माईका ट्रेडिंग कार्पोरेशन (मिटको) जिसे वर्तमान में माईका डिवीजन के रूप में जाना जाता है, के मामले को वर्ष 1992 में बी.आई.एफ.आर. के पास भेजा गया था। विस्तृत जांच-पड़ताल के बाद बी.आई.एफ.आर. ने दिनांक 23 अप्रैल, 1993 को पूर्व मिटको को बीमार घोषित कर दिया। तदनुसार बी.आई.एफ.आर. ने 8-4-1996 की मिटिंग में मिटको के एम.एम.टी.सी. लिमिटेड में विलय एवं उसके पुनर्वास-सह-अमालगामेशन-सह-विलय प्लान को स्वीकृति (संक्शन) दी।" इस तरह से पूर्व मिटको, आवेदक यूनियन के सदस्यगण जिसके कर्मचारीगण हैं, का विलय दी मिनरल एंड मैटल्स ट्रेडिंग कार्पोरेशन आफ इंडिया (एम.एम.टी.सी.) में हो गया तथा इस एम.एम.टी.सी. का रिजनल कार्यालय, भीलवाड़ा में स्थित है। आवेदक यूनियन के सदस्यगण, जो कि पूर्व मिटको के कर्मचारीगण थे तथा मिटको का विलय एम.एम.टी.सी. में होने से वर्तमान में वे एम.एम.टी.सी. की माईका डिवीजन, भीलवाड़ा में कार्यरत होने बतलाये गये हैं। आवेदक यूनियन के कथनानुसार भीलवाड़ा में माईका डिवीजन में कार्यरत पूर्व मिटको के कर्मचारीगण के कार्य तथा भीलवाड़ा में ही एम.एम.टी.सी. में कार्यरत कर्मचारीगण के कार्य में कोई भिन्नता नहीं है, जबकि उनको देय वेतन व परिलाभों में भिन्नता है। इस तरह की स्थिति में वेतन व परिलाभ में भिन्नता से संबंधित विवाद एम.एम.टी.सी. की भीलवाड़ा स्थित कार्यालय के प्रबंधन एवं आवेदक यूनियन के मध्य होना स्वाभाविक है—परिणामतः भीलवाड़ा स्थित एम.एम.टी.सी. का कार्यालय विचाराधीन विवाद में अनुचित पक्षकार नहीं है। आवेदक यूनियन द्वारा मांग पत्र एम.एम.टी.सी. के भीलवाड़ा स्थित प्रबंधन कार्यालय को प्रेषित किया गया तथा विवाद भी भीलवाड़ा स्थित प्रबंधन कार्यालय में आवेदक यूनियन के मध्य उत्पन्न हुआ—जिस स्थिति में एम.एम.टी.सी. को जरिये रिजनल मैनेजर, भीलवाड़ा पक्षकार बनाया जाना किसी तरह से अनुचित नहीं कहा जा सकता। अधि. 1947 की धारा 2 (जी) के तहत "नियोजक" को परिभाषित किया गया है जिसमें स्थानीय प्राधिकारी या उसकी तरफ से संचालित उद्योग के संबंध में उस प्राधिकारी के मुख्य कार्यकारी अधिकारी को नियोजक माना गया है। एम.एम.टी.सी. की तरफ से संचालित उद्योग में भीलवाड़ा स्थित कार्यालय में रिजनल मैनेजर मुख्य कार्यकारी अधिकारी होना प्रतीत होता है। यदि किसी कार्य के लिए उच्चाधिकारियों की स्वीकृति आवश्यक है तो वह स्वीकृति संबंधित अधिकारी याने रिजनल मैनेजर द्वारा प्राप्त किया जाना संभव है। उच्चाधिकारियों द्वारा इस तरह की स्वीकृति प्रदान नहीं किये जाने की स्थिति में संबंधित अधिकारी द्वारा कथित कार्य से इनकार किया जा सकता है, लेकिन विचाराधीन मामले में इस तरह का प्रसंग नहीं है क्योंकि एम.एम.टी.सी. के रिजनल मैनेजर, भीलवाड़ा द्वारा इस तरह का कोई तर्क पेश नहीं किया गया है कि उसने किसी तरह की स्वीकृति के लिए प्रधान कार्यालय या उच्चाधिकारियों को लिखा। भीलवाड़ा स्थित प्रबंधन कार्यालय से आवेदक यूनियन का विवाद उत्पन्न होने की स्थिति में आवेदक यूनियन द्वारा भीलवाड़ा स्थित कार्यालय के रिजनल मैनेजर को स्वाभाविक तौर पर पक्षकार बनाया गया—जिस प्रयोजनार्थ कंपनी के किसी सर्टिफिकेट आफ इनकार्पोरेशन को पेश किये जाने की आवश्यकता नहीं थी। यदि इस संबंध में किसी सर्टिफिकेट आफ इन कार्पोरेशन की आवश्यकता थी तो वह अनावेदक कंपनी द्वारा पेश किया जाना संभव था। सर्टिफिकेट आफ इनकार्पोरेशन के संबंध में अनावेदक कंपनी की आपत्ति निरर्थक है। इसके अलावा अधि. 1947 के तहत समुचित सरकार द्वारा प्रेषित विवाद का

अभिनिर्धारण अधि. 1947 तथा इसके तहत बने नियमों के तहत होता है। इस तरह के विवाद के अभिनिर्धारण के लिए पक्षकार संयोजन के संबंध में दीवानी प्रक्रिया संहिता के तहत प्रावधान प्रभावी नहीं होते हैं तथा विवाद अभिनिर्धारण के लिए श्रमिक पक्ष एवं नियोजक पक्ष का प्रतिनिधित्व पर्याप्त है। विचाराधीन मामले में श्रमिक पक्ष का प्रतिनिधित्व आवेदक यूनियन द्वारा किया गया है तथा नियोजक पक्ष का प्रतिनिधित्व एम.एम.टी.सी. के रिजनल मैनेजर, भीलवाड़ा द्वारा किया गया है यह सही है तथा आवेदक यूनियन के अध्यक्ष विरेन्द्र सिंह ने भी बिरह में स्वीकार किया कि "मेरे द्वारा प्रस्तुत स्टेटमेंट आफ क्लेम की विषय वस्तु बाबत व निर्णय लेने व उस निर्णय का क्रियान्वयन करने का अधिकार चेयरमैन व जनरल मैनेजर एम.एम.टी.सी. पी. एन्ड ए में से दोनों में से किसी एक को है"। लेकिन अनावेदक कंपनी का भीलवाड़ा स्थित रिजनल मैनेजर कार्यालय अनावेदक कंपनी के प्रबंधन का हिस्सा है तथा अनावेदक कंपनी का प्रबंधन नियोजक पक्ष है। केन्द्र सरकार द्वारा प्रेषित रेफरेन्स के शुरु में ही उल्लेख है कि :—

Whereas the Central Government is of the opinion that an industrial dispute exists between the employers in relation to the management of MMTC Limited and their workman in respect of the matters specified in the Schedule hereto annexed;

मेरी राय में अनावेदक कंपनी का रिजनल कार्यालय भीलवाड़ा शामिल है तथा यदि रिजनल मैनेजर, भीलवाड़ा की दृष्टि में यह विवाद मुख्यालय से संबंधित था तो मुख्यालय द्वारा विवाद को कंटेस्ट किये जाने में कोई बाधा नहीं थी। न्यायिक विनिश्चय मै. बक्षी स्टील लि. बनाम राज. राज्य आर. एल. आर. 2004 (1) पेज 755 में माननीय राज. उच्च न्यायालय द्वारा अभिनिर्धारित किया गया कि टैक्नीकल आधार पर क्लेम को खारिज नहीं किया जाना चाहिये। विचाराधीन मामले में भी एम.एम.टी.सी. लि. को मुख्य प्रबंधन के जरिये पक्षकार नहीं बनाया जाकर रिजनल मैनेजर, भीलवाड़ा के जरिये पक्षकार बनाया जाने मात्र आधार पर यह विवाद खारिज किया जाना उचित प्रतीत नहीं होता।

11. आवेदक यूनियन द्वारा जो मांग पत्र अनेक्सर ए प्रेषित किया गया वह इस तरह से है कि :—

"विषय—वाणिज्य मंत्रालय (भारत सरकार) के अधीनस्थ एम.एम.टी.सी. लि. के प्रबंधन द्वारा हम कर्मियों के वेतनमान इत्यादि में भेदभाव तथा अमानवीय व्यवहार किये जाने के संबंध में।

मान्यवर,

विनम्र अनुरोध के साथ उपयुक्त विषय के संबंध में श्रीमान् का ध्यान हम लोग निम्न बिन्दुओं के माध्यम से आकृष्ट करना चाहते हैं ताकि श्रीमान् के स्तर से न्याय दिलाने एवं प्रबंधन की मनमानी रोकने की दिशा में आवश्यक कारवाई की जा सके।

#### 1. वेतनमान—

ए. श्रीमान् हमलोग वर्तमान में एम.एम.टी.सी. लि., जो कि भारत सरकार का उपक्रम है, उसके "माईका डिवीजन" में कार्यरत हैं।

बी. वस्तुतः "माईका डिवीजन" के कर्मी पूर्व में माईका ट्रेडिंग कार्पोरेशन आफ इंडिया लि. (मिटको) में कार्यरत थे जो

कि एम.एम.टी.सी. लि., एक सब्सिडी के रूप में कार्य था परन्तु, प्रबंधन द्वारा इसे रूग्ण इकाई घोषित कर दिये जाने के फलस्वरूप, बी.आई.एफ.आर. (भारत सरकार के निर्णय के आलोक में दिनांक 1-4-95 की अवधि से मिटको को पूर्ण रूप से एम.एम.टी.सी. लि. के साथ विलय कर दिया गया। संबंधित आदेश अवलोकनार्थ संलग्न है।

सी. श्रीमान् चूंकि यह इकाई आरंभ से ही एम.एम.टी.सी. लि. के एक इकाई के रूप में कार्यरत था, अतः हम कर्मियों का वेतनमान एवं अन्य देयों का भुगतान एम.एम.टी.सी. लि. के समान ही होता आ रहा था।

डी. परंतु खेद का विषय, विलय के पश्चात् हम लोगों को एम.एम.टी.सी. लि. के समान वेतनमान तथा अन्य देयों से वंचित रखा जा रहा है, परिणामस्वरूप हम कर्मियों का वेतन पुनरीक्षण का कार्य वर्षों से नहीं किया जा रहा है जो कि निम्न तालिका से स्पष्ट हो जायेगा—

1. कामगारों का वेतन पुनरीक्षण (पे रिवीजन) वर्ष 1988 से देय।
2. कर्मचारियों का वेतन पुनरीक्षण (पे रिवीजन) 1-11-92 से देय।
3. अधिकारियों का वेतन पुनरीक्षण (पे रिवीजन) 1-11-92 से देय।
- इ. श्रीमान् मिटको जब एम.एम.टी.सी. लि. के ही सब्सिडी के रूप में कार्यरत था तो मात्र इसके कर्मचारियों को ही पे-रिवीजन से वंचित करना कदापि न्यायोचित नहीं है जबकि एम.एम.टी.सी. लि. के अन्य कर्मियों का पे-रिवीजन (वेतन पुनरीक्षण) नियमानुसार होता आ रहा है।
- एफ. श्रीमान् जबकि बी.आई.एफ.आर. के निर्देश पर यह पूर्णतः एम एम टी सी लि. के एक अंग के रूप में वर्ष 1995 से कार्यरत है तो ऐसे परिस्थिति में भी हम कर्मियों को एम एम टी सी लि. के वेतनमान से प्रबंधन द्वारा वंचित रखना सरकार के "इक्वल पे फोर इक्वल वर्क" की नीति का उल्लंघन है ही और प्रबंधन का हम कर्मियों के प्रति अमानवीय एवं क्रूर पक्ष को स्पष्ट करता है। इस तथा से श्रीमान् भी सहमत होंगे।

#### 2. अन्य देयों के संबंध में—

प्रबंधन द्वारा वेतनमान के अलावा बोनस भुगतान में भी भेदभाव किया जा रहा है। माईका डिवीजन के कर्मियों को 8.33% की दर से तथा अन्य कर्मियों को 20% की दर से भुगतान किया जा रहा है जो कि सरकार के बोनस एक्ट का उल्लंघन है। इसके अलावा अन्य देयों जैसे पी.एल.बी. भुगतान, ए.एल.टी.सी., त्यौहार अग्रिम, विवाह अग्रिम, वाहन भत्ता, टी.ए., डी.ए., चिकित्सा सुविधा यहां तक कि फलुनरल ग्रांट इत्यादि के भुगतान में भी वर्षों से भेदभाव बरता जा रहा है जो कि श्रीमान् के स्तर के आवश्यक जांच के दौरान स्वतः स्पष्ट हो जाएगा। "आउट फिट एलाउन्स" का भुगतान जो वर्ष 1992 से बकाया है उसे प्रबंधन द्वारा मात्र शोषण करने के उद्देश्य से रोक कर रखा गया है।

### 3. कामगारों का वार्षिक वेतनवृद्धि—

श्रीमान् प्रबंधन का छोटे कर्मियों के प्रति मानसिकता का स्तर कितना अमानवीय है वो मात्र इस तथ्य से स्पष्ट हो जायेगा कि कार्यरत कामगारों का वेतन वृद्धि जो मात्र 5 रु. प्रति वर्ष है उसे भी विगत 8 वर्षों से रोक कर रखा गया है।

### 4. स्थानांतरण के संबंध में—

- ए. श्रीमान्, पूर्व कंपनी "मिटको" तथा एम.एम.टी.सी. लि. में कार्यालय प्रबंधन के स्तर तक के कर्मियों के स्थानांतरण का प्रावधान नहीं है।
- बी. वर्ष 1994 के पूर्व कर्मियों के व्यक्तिगत हितों को ध्यान में रख कर ही स्थानांतरण किया जा रहा था।
- सी. परन्तु वर्ष 1994 से प्रबंधन द्वारा अब तक लगभग 300-400 कर्मियों को मात्र दमन एवं शोषण करने के उद्देश्य से निरर्थक स्थानांतरण किया गया है।
- डी. परिणामस्वरूप, करोड़ों रु. के बहुमूल्य सरकारी राशि का दुरुपयोग तो हुआ ही साथ ही लगभग 1500 कर्मियों में से 1100 कर्मी विवश होकर "स्वेच्छिक सेवानिवृत्ति" ले चुके जो अपने आप में एक रिकार्ड है।
- इ. श्रीमान् भीलवाड़ा कार्यालय में हर स्तर के कर्मियों का स्थानांतरण कर्नाटक, आन्ध्र प्रदेश, केरल इत्यादि में नये कार्यालयों को खोल कर स्थानांतरण किया गया। इतने कम वेतन में दोनों जगहों का खर्च चलाने में सभी पूर्ण रूप से असमर्थ थे परिणामस्वरूप सभी कोई भी आर. लेकर अपने घर राजस्थान वापस आ गये।
- एफ. श्रीमान्, प्रबंधन जब अपने कुचक्र से भीलवाड़ा कार्यालय खाली करा देने में सफल हो गया तो यहां बिहार के कोडरमा, गिरिडीह एवं पटना इत्यादि स्थानों से हर स्तर के कर्मियों को लाना प्रारंभ किया गया और इस क्रम में वर्तमान में कुल 13 कर्मी बिहार से लाये गये हैं।
- जी. श्रीमान् जबकि कोडरमा एवं गिरिडीह में उद्योग चल रहा है, ड्यूटी तीनों शिफ्टों में हो रही है तथा निर्यात कार्य भी हो रहा है। परन्तु, प्रबंधन शेष बचे मात्र 400 कर्मियों के हितों की उपेक्षा तो वर्षों से कर ही रहा है साथ ही उन्हें सेवा में भी बने नहीं रहने के उद्देश्य से एक षडयंत्र के तहत ही ऐसा कर रहा है।
- एच. श्रीमान् बि. आई.एफ. आर. के आदेश के आलोक में भीलवाड़ा कार्यालय को वर्ष 1995-96 में ही बंद हो जाना था परन्तु प्रबंधन को इन बातों से कोई लेना देना नहीं है। प्रबंधन का उद्देश्य तो मात्र हम निरीह कर्मियों का हर स्तर पर शोषण मात्र ही है। प्रबंधन का इस तरह का आचरण "अनफेयर लेबर प्रैक्टिस" के श्रेणी के अंतर्गत आता है जिससे श्रीमान् भी सहमत होंगे।
- आई. श्रीमान् भीलवाड़ा कार्यालय में विगत 8-9 वर्षों से कोई व्यापारिक गतिविधि नहीं है, यहां तक कि सभी तरह के उपकरणों को बेच दिया है वैसे परिस्थिति में बिहार राज्य से लोगों को बगैर किसी कार्य के लाकर जमा करना कहां तक तार्किक एवं न्यायोचित है? इसे श्रीमान् स्वयं महसूस करने में सक्षम हैं।

हम सभी कर्मी, श्रीमान् से अनुरोध करते हुए कहना चाहते हैं कि "माईका डिवीजन" के कर्मी गुलामी से भी बदतर जिंदगी जीने को विवश हैं, अपने आश्रितों की भी उचित देखभाल करने में असमर्थ तो हैं

ही साथ ही हम लोगों की सामाजिक प्रतिष्ठा दिन ब दिन धूमिल होती जा रही है। अतः श्रीमान् के स्तर से अविलम्ब हस्तक्षेप आवश्यक हो गया है, ताकि सभी पहलुओं की जांच हो सके और भारतीय संविधान के विभिन्न धाराओं के अंतर्गत सरकार द्वारा बनाये गये नियमों एवं उपनियमों के आलोक में हम निरीह कर्मियों के हितों के रक्षार्थ एम एम टी सी लि. प्रबंधन को उचित दिशानिर्देश श्रीमान् के स्तर से प्रेषित किया जा सके।

श्रीमान् के सहानुभूतिपूर्ण हस्तक्षेप हेतु हम सभी कर्मी मात्र ही आशान्वित नहीं बल्कि 400 परिवार की निगाह आपके न्यायपूर्ण निर्णय के प्रति आभार पूर्ण नेत्रों के साथ प्रतिकारत हैं।

सधन्यवाद।

केन्द्र सरकार द्वारा इस न्यायालय को जो विवाद अधिनिर्णयार्थ प्रेषित हुआ है वह इस तरह से है कि क्या आवेदक यूनियन द्वारा उपर्युक्त मांग पत्र एनेक्सर ए प्रबंधक, एम.एम.टी.सी.लि., भीलवाड़ा को प्रेषित करना उचित है? इस रेफरेन्स में मांग पत्र के औचित्य बाबत कोई प्रश्न निहित होना प्रतीत नहीं होता तथा रेफरेन्स में यही प्रश्न निहित होना प्रतीत होता है कि क्या प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को मांग पत्र यूनियन द्वारा प्रेषित किया जाना उचित है। विधि की यह स्थिति स्पष्ट है कि न्यायालय का अभिनिर्धारण विवाद बिन्दु तक सीमित होता है। अधि. 1947 की धारा 10(4) के तहत भी इस आशय का स्पष्ट प्रावधान है तथा न्यायिक विनिश्चय आलिक गोमान बनाम औद्योगिक न्यायाधिकरण, भुवनेश्वर ए.आई.आर. 1964 (एस.सी. पेज 1446, पोटर मजदूर पंचायत बनाम परफेक्ट पोर्ट्री कं. ए.आई.आर. 1979) (एस.सी.) पेज 1356 में माननीय उच्चतम न्यायालय द्वारा भी इसी तरह का मत अभिव्यक्त किया गया है। विधि की इस स्थिति में परिपेक्ष्य में विचाराधीन मामले में न्यायालय का अभिनिर्धारण इस विवाद बिन्दु तक सीमित है कि क्या आवेदक यूनियन द्वारा मांग पत्र एनेक्सर ए प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को प्रेषित किया जाना उचित है। उल्लेखनीय है कि आवेदक यूनियन के सदस्यगण तथा एम.एम.टी.सी. लि., के श्रमिकगण/कर्मचारीगण के कार्य में समानता बताई गई है, जबकि उनको देय वेतनमान व परिलाभों में भिन्नता बताई गई है तथा आवेदक यूनियन के सदस्यगण भी अनावेदक कंपनी के अधीन हैं जिस स्थिति में आवेदक यूनियन द्वारा मांग पत्र एनेक्सर ए प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा को प्रेषित करना उचित है। यदि रिजनल मनेजर/प्रबंधक, एम.एम.टी.सी. लि., भीलवाड़ा कथित मांग पत्र एनेक्सर ए की स्वीकृति के लिए सक्षम नहीं है तो उसके द्वारा इस संबंध में समुचित कार्यवाही किया जाना संभव है। मांग पत्र के संबंध में यूनियन व प्रबंधन के मध्य वार्ता के पश्चात् समझौता होना भी संभव है।

1. The Central Government by exercising the powers conferred by clause (d) of Sub-section 2A of the Section 10 of the Industrial Disputes Act, 1947 has referred this dispute vide order No. L-12012/277/98/IR (B-II) dated 29th April, 1999 for adjudication on the following schedule :

#### SCHEDULE

“Whether the termination of Shri Henry, Cleaner-Cum-Sepoy, by the management of Dena Bank is justified? If not, what relief the workman is entitled to?”

2. The case of the first party workman as made out in the Claim Statement is as follows :—

The first party was appointed as a Driver by the Second Party Management during December 1987. His first appointment was treated as temporary and he was being paid Rs. 750 as wages every month. Even though, he was appointed by the Second Party management, his services were being treated as a Personal Driver, to the Officers of the Bank. It is submitted that by means of a memorandum issued by the Second Party management dated 1-8-1997 the first party workman was informed that he is appointed as a Cleaner-cum-Sepoy in the pay scale of Rs. 1600 with other allowances. This appointment order further stated that he will be on probation for a period of 6 months which is liable to be extended in terms of the service conditions governing the employees in the Bank. Pursuant to the said Memorandum, he was working continuously. Even though, the first party workman was working regularly and to the entire satisfaction of his official superiors, he was informed by means of a Memorandum dated 28-1-1998 that the management has decided to extend the period of probation by three months from 1-2-1998 i.e. on expiry of 6 months from the date of joining the bank i.e. 1-8-97. It is submitted that even though, he was designated as Cleaner-cum-Sepoy, he was working regularly as a driver and his record of service is totally unblemished. Instead of confirming his services, after he completed 6 months period of probation, the Second Party management by means of a memorandum dated 28-1-1998 unreasonably extended the period of probation by 3 months. However, in obedience of the said memorandum, the first party workman continued to discharge his duties as usual. It is submitted that to the entire shock and surprise of the first party workman, a memorandum dated 27-4-1998 came to be issued informing the first party workman that his services are terminated without notice and with immediate effect, as his services were found unsuitable for employment in the Bank. The first party workman was further informed that a month's pay and allowances for a period of notice period is paid as per the pay order dated 27-4-1998. He was further informed that he is relieved from the duties of the bank after the office hours on 27-4-1998. It is submitted that the action of the Second Party management in terminating the services of the first party workman as per their memorandum dated 27-4-1998 is unjust, illegal and arbitrary.

3. It is submitted that ever since his initial appointment in the Bank during December 1987, he has been working as a driver though the management contended that his services were being utilized as personal driver of the officers of the bank. Initially he was being paid monthly salary of Rs. 750/- which came to be enhanced to Rs. 1800/-. Right from the date of his initial appointment, there is no break in service and that the first party workman worked continuously till he was

illegally terminated as per the memorandum dated 27-4-1998. The action of the Second Party management therefore is totally unjust and otherwise illegal.

4. It is further submitted that the first party workman has worked continuously for more than 240 days before he was illegally terminated on 27-4-1998. The action of the Second Party management therefore amounts to retrenchment as defined under Section 2(00) of the Industrial Disputes Act, 1947 (hereinafter called as "Act"). Since the Management has not complied with the mandatory requirement of Section 25 F of the Act, the entire action is void ab initio and it is otherwise illegal. The action of the management is also violative of mandatory requirements of Chapter V-A and V-B of the Act.

5. In any view of the matter, the action of the 2nd Party management is totally mala fide. The work of the first party workman is totally unblemished and the record of service is highly exemplary. It is because of his excellent record of service as a driver on temporary basis from December 1987 onwards, the management of the bank gave him regular appointment order during 1997, without examining this aspect of the matter, the 2nd Party management has terminated the services of the first party workman on the ground of his unsuitability. During his entire career, he was not served any memo or notice with regard to his record of service. Hence, the entire action of the second party management is violative of rules of natural justice. The management has terminated the services of the first party workman by way of arbitrary and capricious exercise of powers. The entire action of the second party management lacks in bona fide, hence the order of termination cannot be sustained.

6. In any view of the matter, the action of the Second Party management is totally unjustified. In fact, when the first party workman was given an appointment during December 1987 he was informed that his appointment is temporary only for a few months and thereafter his services will be regularized. But this did not materialize. Nevertheless, the first party workman was working honestly with a fond expectation that his services will be regularized. Instead of regularizing his services and conducting like a model employer, 2nd Party management resorted to worst kind of unfair labour practice by utilizing the services of 1st party workman on temporary basis without paying him minimum wages and ultimately after he was brought on probation, the first party workman was highly confident that his services would be regularized sooner. Unfortunately, the Management after utilizing the services of the first party workman for over 11 years, terminated the services of the first party workman in most uncerecermonious manner. The entire action of the second party management is unjust and it is a clear case of unfair labour practice as defined under Section 2(ra) read with Vth Schedule of the Industrial Disputes Act, 1947. Looking at it from any point of view, the entire action of the second party management is unjust and arbitrary.

7. Being aggrieved by the action of the 2nd Party management, in terminating the services of the first party workman illegally, he approached the management on several occasions. Since his request was not considered, he raised an Industrial Dispute. The matter was taken up in conciliation and after conciliation ended in failure, the Government has referred the above dispute for Industrial Adjudication. Hence, this claim statement.

8. Therefore, the first party requested this court to set aside the order of the management terminating his services with reinstatement, continuity of service and other consequential benefits.

9. The Second Party management by its Counter Statement urged as under :

10. It is submitted that first party was working at our Regional Office, Bangalore as Cleaner-Cum-Sepoy vide appointment memorandum BRO/PER/3590/97 dated 1-08-1997. His appointment was made under following terms and conditions :

- (1) His appointment will be subject to his passing physical fitness examination by the Doctor approved by the Bank.
- (2) He will be on probation for a period of 6 months, which is liable to be extended in terms of the service conditions governing the employees in this Bank.
- (3) During the probationary period, his services are liable to be terminated at any time, without notice and without assigning any reason.
- (4) He is liable to be transferred to any of the branches of the Bank,
- (5) He will be bound by the rules and regulations of the Bank applicable to workman staff from time to time.
- (6) He will have to join, not later than 15-8-1997, he is posted at Regional Office, Bangalore temporarily.
- (7) In case any information/particulars supplied by him are found to be false or he has wilfully supplied false information or if material information is suppressed his appointment will be terminated forthwith without assigning any reason.

11. The first party after going through the memorandum dated 1-8-1997, signed his acceptance, stating that "I hereby accept the above terms and conditions".

12. Subsequently, during his probation period the Bank received a Complaint on 24-11-1997 stating that he was dismissed from services with effect from 13-10-1986 after conducting departmental enquiry, due to misconduct on account of misusing petrol by Karnataka Silk Industries Corporation Limited. Further, reference No. 72/1987 has

been filed before the Additional Labour Court where the matter was dismissed.

13. Later, the said complaint dated 25-11-1997 was sent to the Vigilance Department for Investigation and report. Meanwhile as, the investigation was going on, a memorandum No. BRO/PER/464/98 dated 28-1-1998 was issued to him, whereby, the period of his probation was extended by three months. The Regional Office Vide letter dated BR/PER/4638/97 dated 22-10-1997 directed Personal Manager and Vigilance Officer to conduct a proper enquiry at various organizations like KSRTC, KSTC etc. for verification of the complaint.

14. During the said investigation, it was found that he was dismissed from services with effect from 13-10-1986 due to misconduct on account of misusing petrol by Karnataka Silk Industries Corporation Limited. Further, reference where the matter was. This information was provided vide letter No. E6: PFH: 41:81-82 dated 11-02-1998 wherein General Manager (Per.) of Karnataka Silk Corporation Ltd. is the signatory.

15. The first party in his affidavit (Notarised on 25-7-1997) did not inform the Bank about the said dismissal from Karnataka Silk Corporation Limited. This is in contravention of clause 7 of appointment memorandum No. BRO/PER/3590/97 dated 1-8-1997. The clause (7), states that in case any information/particulars supplied by him are found to be false or he has willfully supplied false information will be terminated forthwith without assigning any reason.

16. The very purpose of placing Shri Henry on probation is to try him during the probation period to assess his suitability in the job. It is settled law that an order of discharge is not and order of punishment. (Unit Trust of India Vs. T. Bijaya Kumar 1992). Further the termination of probationer for not rendering satisfactory service or for not fulfilling conditions for confirmation is proper (Divisional Manager LIC of India Vs. M. Venugopal 1993 I CLR, 372).

17. As he has not acted as per the terms and conditions set out in his appointment order, affidavit etc. the Bank was constrained to terminate him with immediate effect from its services from 27-4-1998 as he was found unsuited for employment in Bank. One month's pay and allowance is paid to him by pay order No. 941295 dated 27-04-1998 vide memorandum No. BRO/PER/1949/98 dated 27-4-1998. The said memorandum satisfies the provisions of Bipartite Settlement and as per the undertaking given by Shri Henry, in writing, while accepting the terms of conditions of the appointment order. Though he was aware of the proceedings in reference No. 72/87, before Additional Labour Court, Bangalore where he was fighting against his dismissal from service from KSIC, he informed the Second Party only on 24-4-1998 after getting his appointment memorandum dated 1-8-1997. Similarly he also informed through his lawyer Shri A.J. Srinivasan about

the above dismissal reference vide letter dated 23-04-1998. He withheld the above said information at the time of his appointment, in his affidavit dated 25-7-1997. This is in total disregard of Clause 7 of his appointment memorandum.

18. The Disciplinary Authority perused the findings of the Manager (Personnel) and Vigilance Officer and found that the first party, Shri Henry is unsuited for employment in the Bank. As the first party has personally signed the acceptance of the terms and conditions of the appointment order and suppressed his past misconduct in his sworn affidavit, he fails in his conduct in his sworn affidavit, he fails in his conduct to uphold the undertaking given by him.

19. The Second Party was also satisfied to the reasonableness of the investigation conducted by the Manager (Personnel) and Vigilance Officer.

20. It is submitted that the action of the Second Party i.e. Dena Bank, Bangalore in terminating the services of Shri Henry, Cleaner-Cum-Sepoy from services w.e.f. 27-04-1998 is legal, proper and justified. The removal is proportionate to the acts of Shri Henry in accordance with the Bipartite Settlement.

21. Therefore the Second Party requested this court to reject the reference.

22. During the course of the trial, the management examined one witness as MW1 and got marked 12 documents Ex. M1 to M12. There was no cross examination on behalf of the first party. The statement of MW1 in his Examination Chief is as follows:

Counter are filed by the Personal Officer (Senior Manager, Personnel). I know the facts of the case. Ex. M1 is the application given by the workman. Ex. M2 is the affidavit of the workman. Ex. M3 is the letter of appointment. Ex. M4 is the extension of period of proceedings of first party. Complaint is Ex. M5. Ex. M6 is the letter of Silk Industries Corporation. Ex. M7 is the letter of bank to Silk Industries. Ex. M8 is Memorandum of termination. Ex. M9 is the letter of Advocate with Advocates letter. Ex. M10 and M11 is the letter of Silk Industries informing the details. Ex. M12 is the letter to Bank.

23. There was no oral or documentary evidence led on behalf of the first party. On 9-11-2004, when the case was taken up for arguments, learned counsel for the first party remained absent and whereas learned counsels for the Second Party in his argument submitted that the first party's services have been terminated during the course of probationary period, his services not being found satisfactory and on the ground that he has suppressed the material facts of his dismissal from service from Karnataka Silk Industries Corporation Ltd. before he joined services of the management. It was contended that the appointment of the first party as a Cleaner-cum-

Sepoy was, made as per the memorandum dated 1-8-97 and as per the terms of his appointment order his services were liable to be terminated during the course of probationary period at any time without notice and without assigning any reason. One of the terms of the appointment also was to the effect that in case any information supplied by him was found to be false or that he willfully supplied false information, his appointment will be terminated forthwith without assigning any reason. Therefore, since the first party suppressed the material fact of his earlier employment with the above said Corporation and the fact that he was dismissed from service on account of committing misconduct, the management was legally justified in terminating the services of the first party that too without any reason. In this context, learned counsel relied upon the aforesaid documents marked at Ex. M1 to M12. After having gone through the oral and documentary evidence produced before this Tribunal. I find substance in the arguments advanced for the management. As per Ex. M3 which is the memorandum appointing the first party as Cleaner-cum-Sepoy, condition No. 3 of the appointment order was to the effect that services of the first party are liable to be terminated during the period of probation without any notice and without any reason. As per condition No. 7 his services were liable to be terminated, in case, he furnished false information or suppressed any material information in getting his appointment. It can be seen from the very letter filed by the first party with the management and marked before this tribunal as Ex. M9, he had raised a dispute pending before the Additional Labour Court, Bangalore in Reference No. 72/87 challenging his dismissal order. The letter at Ex. M10 purported to be written by the counsel representing the first party before the said Labour Court would reveal the fact that the reference proceedings which were pending before the Additional Labour Court, Bangalore have come to be concluded and an award to be passed by the Labour Court, was awaited. An award copy also filed before this tribunal passed in reference No. 72/87 by the said Labour Court dated 1-4-98 would reveal that the dispute raised by the first party before the said Labour Court came to be disposed of by allowing the said reference in part where under the management, namely, the said Corporation was directed to reinstate the first party in to service with back wages of 25% from the date of dismissal till the date of reinstatement. As per the above said award an office order dated 11-8-98 also has been passed by the said Corporation reinstating the first party into service. Therefore, from the aforesaid document, two facts emerged very clearly. One is the fact that the first party had already been dismissed from service by the said Corporation on the ground of misconduct committed by him. This dismissal order was challenged by the first party in reference No. 72/87 before the Labour Court, Bangalore and pending disposal

of the said reference proceedings, suppressing this material fact, the first party joined the services of the Second Party management against the terms and conditions of the above said appointment order. As seen, above he joined the services of the management as per the appointment order dated 1-8-1997 when the above said dispute raised by him before the Labour Court was very much pending. Had he disclosed this fact in his application, then, certainly the Second Party Management would have been the last authority to provide him the employment. He suppressed this fact and during the course of investigation done by the management this fact was brought to light by the letter dated 11-2-1998 marked as Ex. M6 addressed to the management by the General Manager (P) of the said Corporation. Therefore, absolutely no fault can be found with the management in terminating the services of the first party after having come to know that he suppressed the material fact in acquiring the appointment under the management. Moreover, as per the appointment order condition No. 3, his services were also liable to be terminated during the probationary period without notice and without assigning any reason. Therefore, by no stretch of imagination it can be said that the management was not justified in terminating the services of the first party before he completed the probationary period satisfactorily. Moreover, the present reference also cannot be entertained for the simple reason that as per the above said award passed by the Labour Court, he has already been reinstated in service. He cannot hold the job with the above said Corporation simultaneously rendering his services with the Second Party management. Therefore, for the reasons stated above reference is liable to be dismissed and hence the following award.

**AWARD**

1. The Government of India, Ministry of Labour *vide* their order No. L-41012/18/2001-IR (B-I) dated 16-5-2001 has referred following dispute for adjudication to the Presiding Officer, Central Government Industrial Tribunal-cum-Labour Court, Lucknow.

“Whether the action of the management of Divisional Railway Manager, Central Railway, Jhansi in terminating the services of Shri Rup Narayan w.e.f. 6-7-1990 is legal and justified. If not, what relief the workman is entitled to?”

The workman's case on brief is that he worked as waterman/casual labour w.e.f. 18-8-1976 to 6-7-1990 under DRM, CR, Jhansi on Sidhi Itara Junction Railway Station, but the railway's administration instead of regularising the workman on regular post, they deprived worker of the job. The workman tried to know the reasons for his disengagement he was told that someone else was engaged in his place. The worker has therefore alleged that worker has been deprived of from his job and while the juniors were retained in service without notice in violation of Section 25 (f), (g) and (h) of the Industrial Disputes Act, 1947. The worker has alleged that he has worked for more than 240 days but he has been retrenched without notice pay and compensation. The workman has therefore prayed that his termination dated 7-7-1990 be declared illegal. He has further prayed that he be reinstated with back wages and all consequential benefits and has also requested that the opposite party may be asked to regularise the worker in service as he has put in more than 120 days work.

The opposite party has denied the claim *vide* his written statement. The Senior Divisional Commercial Manager has admitted that the worker was engaged as a mobile seasonal casual waterman for intermittent work at railway station for giving drinking water to the passengers at the said railway station. The aforesaid work for which the worker was engaged, was for hot weather seasonal work of intermittent nature. The nature of his engagement was properly explained to him along with all other watermen engaged for the aforesaid purpose before their such engagements. The worker continued to work as mobile seasonal casual waterman for less than 3 months each from year 1978 till 1990 and he never completed 120 days continuous service during the said period. There is no question of his completing 240 days service within a calendar year. He was never conferred the status of temporary railway

servant because he never completed the required number of continuous service during his entire career. It is admitted that the worker worked as mobile seasonal casual waterman only up to 1990 and from 1990 he was not engaged as mobile seasonal casual waterman any more. The opposite party has categorically denied that any of the juniors to the worker is continuing in the service. The service of mobile seasonal casual watermen are utilised during hot weather-cum-summer season, as soon as the monsoon starts or the period for which they were engaged (they are not engaged for more than 3 months in a year), expires, their services are automatically dispensed with or discontinued whichever is earlier. Since the year 1990, the railway administration is providing water coolers; water taps etc. at the railway station for providing cool drinking water to the passengers and thus the services of mobile seasonal casual watermen were no longer required during hot weather/summer season.

Accordingly, since 1990, mobile seasonal casual watermen were being disengaged on the basis of last come first go basis. However, since the year 1992 all the mobile seasonal casual watermen were disengaged and they were not engaged again till date. It has been further stated by the opposite party that the Ministry of Railways, Railway Board issued a circular dated 3-2-92 directing the railway administration to make sufficient arrangements for providing drinking water at railway stations by installing water coolers and water taps at railway station, Jhansi and at the nearby railway stations. 8 water coolers were installed at Jhansi railway station and more than 77 water coolers were installed at the nearby railway stations under the administrative control of DRM, CR, Jhansi. Thus, requirement of engaging any mobile seasonal casual waterman became less and less and since the year 1992 and it was not required at all, under these circumstances, the action of the respondent in not engaging these mobile seasonal casual watermen cannot be said to be arbitrary or illegal because there was no need for providing water to passengers and staff when alternative and permanent arrangements for the same had already been made at the railway station. None of the junior to the applicant has been retained in service nor there has been any violation of the provisions of Section 25 (f), (g) or (h) of the Industrial Disputes Act, 1947. The said provisions do not apply in the present case. The discontinuance of the service of the claimant was not a retrenchment as defined in the Industrial Dispute Act, 1947, as such, Section 25 (f), (g) and (h) of the Industrial Disputes Act, 1947 are not applicable in the present case. In view of the aforesaid facts, reasons and circumstances, the claimant is not entitled to any relief as claimed, on the other hand, the present industrial dispute is liable to be dismissed with cost against the claimant and in favour of the opposite party.

The authorised representative of the worker filed rejoinder on 12-4-2002.

The worker and his representative started absenting on dated of hearing, i.e., 11-7-2002, 2-8-2002 and 11-9-2002.

On 11-9-2002 the court ordered the case to proceed ex-parte against the worker and the management was directed to file documentary and oral evidence on 26-9-2002.

On 26-9-2002 the worker remained absent and therefore the next date fixed was 1-10-2002 for preliminary sitting in the lok adalat on 7-10-2002. The worker's representative appeared and participated in preliminary sitting of the lok adalat but no compromise was arrived at therefore, 13-11-2002 was fixed for evidence of the employer. Since the case was proceeding ex-parte against the worker on 13-11-2002, 23-12-2002, 24-2-2003, 28-2-2003 the worker and his representative remained absent. However, 31-3-2003 was fixed for filing affidavit by employer. On 31-3-2003 also the employer did not file affidavit and sought adjournment. However, on 30-6-2003 also when the worker remained absent the court ordered the case to proceed ex-parte against the worker and the opposite party was directed to produce his evidence. The representative of opposite party filed his evidence i.e. affidavit of S.K. Rajjada alongwith documents.

None appeared for argnment therefore perused case file, evidence and documents on record.

The employer has filed following documents :

1. Photo state copy of railway circular No. 92/TG.I/ I/P dated 3-2-1992 regarding deployment of hot weather and mobile watermen during summer season.
2. Photo state copy of award passed by the Presiding Officer, Central Governemnt Industrial Tribunal-cum-Labour Court, Kanpur in I.D. No. 15/1995 between Surendra Singh and DRM, CR, Jhansi.
3. Photo state copy of notification dated 31-5-2000.
4. Photo state copy of award of the Presiding Officer, Central Government Industrial Tribunal-cum-Labour Court Kanpur in I.D. No. 109/1997 between Surendra Singh and DRM, CR, Jhansi.
5. Photo state copy of order of Central Administrative Tribunal, Allahabad in Original Application No. 1309/1996 between Ram Chandra v/s. Union of India.
6. Photo state copy of the order of Central Administrative Tribunal, Allahabad in Original Application No. 1118/1999 between Raghunath v/s. Union of India.

The employer has also filed following case laws :

1. Judgment in Civil Appeal No. 1283 and 1284 of 2002 between the Range Forest Officer & another v/s. S.T. Hadimani of Hon'ble Supreme Court of India published in 316 All India Services Law Journal Vol. VII-2002 (2).
2. 2002 Allahabad Law Journal 831 Rajesh Kumar Sharma v/s. The Presiding Officer, Kanpur and another.

On the one hand the worker has failed to prove by documentary or oral evidence that he has put in 120 days continuous service in a year on the other hand the opposite party has alleged in written statement that the services of mobile seasonal casual watermen are utilised during hot weather-cum-summer season and as soon as the monsoon starts for the period for which they were engaged, expires, their services are automatically dispensed with or discontinued which ever is earlier.

The worker has not proved that he performed duties of other than seasonal waterman. The worker ought to have filed casual labour card issued to him, which are issued to casual labours. Since he has not filed any casual labour card therefore, adverse inference is drawn against the worker that if he had filed the casual labour card it would have effected his case adversely. The worker has failed to prove that he was given the temporary status as a casual labour.

The employer has by affidavit proved that the worker has never worked for 120 days in a calendar year. The management has also proved that vide letter dated 3-2-92, Ministry of Railways, Railway Board issued a circular in respect of deployment of hot weather and mobile watermen during summer season. A perusal of aforesaid circular would reveal that railway administration ought to have reduced the strength of watermen because of their diminishing utility and desirability. The employer has also proved that railway modernised drinking water arrangement, a large number of water coolers with multiples taps/single point taps suitably spaced have been installed on platform. Thus, the requirement of water huts; water trolleys etc. have been reduced. The utility and desirability of engagement of watermen during hot weather season is also not required. The employer has also proved that against their respective disengagement, certain hot weather staff raised an industrial dispute before the Central Government Industrial Tribunal-cum-Labour Court. Their cases were registered as I.D. No. 15 of 1995 and 109 of 1997. In both the cases, identical facts and law were involved. The learned Presiding Officer of Central Government Industrial Tribunal-cum-Labour Court was pleased to dismiss both the said cases with categorical finding that concerned workmen are not entitled to any relief. Similarly, certain other workmen preferred their cases before Central Administrative Tribunal, which

were registered as O.A. No. 1309 of 1996 and 1118 of 1999. The CAT was also pleased to dismiss the cases of respective workmen on merits.

Similarly, in a case of the Ranged Forest Officer and another v/s. S.T. Hadimani, the Hon'ble Supreme Court of India has said that unless the workman proves his claim, the opposite party cannot be called upon to disprove it. In yet another judgement of Hon'ble Supreme Court of India has held that in case of seasonal watermen, provision of Section 25F would not be applicable. Similarly, the Hon'ble High Court at Allahabad in yet another case has held that Section 25 F would not be applicable in cases of fixed term appointment. The employer has proved that as per provision of Rule 2005 of the Indian Railway Establishment manual, Volume-II, even those casual labour who have attained the status of temporary railway servant or MRCL status are not entitled to their automatic absorption/regularisation even they have to appear before the screening as per their seniority and only after being declared successful in the said screening they can be considered for their regularisation.

The Hon'ble Supreme Court of India in 316 all India Servie Law Journal VII-2002(2) between the Range Forest Officer and Another v/s. S.T. Hadimani has laid down that unless the workman proves his claim the respondent cannot be called upon to disprove it. In the present case the workman has not been able to prove his case that employer's action to terminate his services w.e.f. 6-7-90 is illegal or unjustified.

The seasonal water man are engaged in hot weather season to provide water to staff and passengers for the fixed period i.e. till the hot weather and as soon as the monsoon starts or the period for which they were engaged, expires, their services are automatically dispensed with or discontinued whichever is earlier. In the circumstances their appointment is termed as fixed term appoint and non-compliance of Section 25F of Industrial Disputes Act, 1947 is not illegal.

On the consideration of aforesaid evidence and fact I am of the opinion that action of the management of Divisional Railway Manager, Central Railway in terminating the services of worker Rup Narayan w.e.f. 6-7-1990 is legal and justified and the worker is not entitled to any relief. Award passed accordingly.

#### AWARD

The Government of India, Ministry of Labour, New Delhi vide its order No. L-12012/240/2000/IR(B-I) dated 16-10-2000 referred the following dispute for adjudication to Presiding Officer, CGIT-cum-Labour Court, Lucknow :

“ Whether the action of the management of State Bank of Bikaner & Jaipur in terminating the services of Shri Prem Singh w.e.f. 19-3-85 is legal and justified ? If not, to what relief the workman is entitled to ? ”

The worker's case in brief is that he was appointed in the State Bank of Bikaner & Jaipur branch Birhana, Kanpur from 28-12-84 on the post of Peon/Chowkidar and he continued to work till 18-3-85, but on 19-3-85 his services were terminated abruptly without any reason and without observing the provision of I.D. Act. According to the worker, the employer never allowed to works of 4th Class to complete 90 days work and after terminating the services new hands appointed, so that the worker may not claim permanency. It is alleged that the post of Peon/Chowkidar is of permanent nature but the management has been deploying temporarily and daily rated workman on the said post which amount of unfair labour practice. The worker has further alleged that the worker filed a case for conciliation before Asstt. Labour Commissioner (C) Kanpur through U.P. Bank Employees Federation within the time allowed by the law on which the bank object that the worker never turned up for service. the bank also alleged before the ALC(C) that regular notice shall be given and the workers shall be re-engaged. On the assurance of the opposite party the ALC(C) adjudicate the case as unsuitable for reference. Aggrieved by the order of the Central Government/Labour Deptt. the U.P. Bank Employees Federation filed a writ petition before the Hon'ble High Court, Allahabad No. CMWP 45884/92 the Hon'ble High Court on 12-3-99 passed the following order :

"Let a mandamus do issue accordingly. In case reference is sought by individual workman once again within a period of two months from the date a certified copy of this order is obtained by the union, the appropriate authority under section 10 is directed to reconsider the said question once again within a period of one month from the date of raising such dispute. No. Cost."

The worker again filed deprecation before Asstt. Labour Commissioner(C) Kanpur requesting for reference to the Government. The worker has been pursuing hard to get the employment but he failed to get the employment. It is further alleged that juniors to the worker has been retained in services.

The worker has prayed that this court may declare the termination of the worker dt. 19-3-85 as illegal and unjustified. The worker has also prayed that he be reinstated in services with all consequential benefits. The worker has filed photo copies of the following documents in support of his case ;

1. Memorandum of appointment of the worker for the period 29-12-84 to 27-1-85 paper No. 4/2.
2. Memorandum of appointment of the worker for the period 28-1-85 to 26-2-85 paper No. 4/3.

3. Memorandum of appointment for the period 27-2-85 to 18-3-85 paper No. 4/4.
4. Experience certificate for services w.e.f. 29-12-84 to 18-3-85 paper No. 4/5.
5. Photo copy of application for employment purported to have been received by the opposite party on 20-6-87 paper No. 4/6, 7.
6. Photo copy of application dt. 1-6-87 address to ALC(C) Kanpur.

Opposite party has denied the claim of the worker and has stated that the opposite party bank has prescribed rules for appointment of temporary workman and for such appointment the maximum age limit is 24 years. The worker's appointment was not made by the competent authority according to the rules, but he was appointed for temporarily period when the regular employees proceeded on leave. It is alleged that his appointment was purely temporarily period and was for fixed period without adopting the prescribed procedure only with a view to exigencies according to the procedure laid down for the appointment of such sub staff the names are called from Employment Exchange and after interview they are appointed and without observing this procedure nobody can be appointed. The worker was not appointed according to the procedure laid down. The worker was engaged to make the temporarily requirement of the bank so that the bank's activities do not suffer. Worker according to his own showing has not worked for 240 days before his termination and worker is not entitled for any relief. His termination was automatic on the expiration of the period for which he was employed and therefore the worker was not required to served any notice by the opposite party. According to the bank management the bank vide circular No. 42/87 dated 23-4-87 gave an opportunity to the workers who were temporarily employed by the bank and accordingly advertisement were given in the daily news papers throughout the country and after the selection of the suitable candidate workers were employed. It is also alleged that the worker has raised the dispute by the demand letter 2001 after a lapse of 16 years and therefore the claim is time barred. It is specifically clear from the appointment letters that the worker's services came to end on date mentioned therein and the worker after understanding well worked in the bank. It is admitted that the Hon'ble High Court passed the order in W.P. No. 45884/92 on 12-3-99 but it is alleged that the worker did not raise dispute within the period fixed by the Hon'ble High Court. It is stated in the order passed by the Hon'ble High Court that the worker should raise the dispute within the period of 2 months but the worker himself neglected it. The worker has twisted the facts for obtaining relief. It is also pointed out that in the circular No. 23-4-87 and subsequent letter No. F/3/104/87/IR dt. 16-8-90 all those workers were

eligible who completed 90 days working or more after 1-1-83 and who were terminated by letter No. P/REI/PENF/6 dated 22-10-90 and it is also alleged that Prem Singh is not eligible as he had not worked for 90 days or more. The management has therefore requested that issue may be decided against the worker.

The management has filed the following documents in support of his case :

1. Bank Circular No. PER/27/78 dt. 16-5-98.
2. Bank Circular No. PER/66/79 dt. 12-11-79.
3. Bank Circular No. PER/120/2000-2001 dt. 30-3-2001.
4. Bank Circular No. PER/24/87 dt. 12-3-87.
5. Letter to Govt. of India dt. 16-8-90.
6. Terms and conditions of Temporary Employees.
7. Bank Circular No. PERP/7EHP/6 dt. 22-12-96.
8. Copy of notice English.
9. Copy of notice Hindi.
10. Copy of notice publish in News Paper on 24-10-96.
11. Bank Circular No. PER/42/87 dt. 23-4-87.
12. Letter of Branch Manager address to personal.
13. Letter/application form for ex-temporary employees.
14. Bank Circular No. PER/41/87 dt. 22-4-87.
15. Letter From Branch Manager to AGM.

The worker has been cross examined by the representative of the opposite party and the management has been cross examined by the worker's representative. Additional documents have also been filed by the management which are same as those filed by the worker from paper No. 4/2 to 4/5.

Heard workman's representative. The opposite party representative could not be heard as he was absent as date was fixed for argument.

It is not disputed that the worker was engaged by appointment letters the photo copies of letters has been filed by the parties. From the appointment letters it reveals that the worker has not completed 90 days of working. It is false to say that the worker was engaged on 28-12-84 as the appointment letter itself shows that he was appointed w.e.f. 29-12-84. The worker has tried to put false facts in his statement of claim and affidavit that he was engaged to work from 28-12-84. It cannot be said that he does not know English and knows Hindi only. Because dates in Hindi Typewriter is also written in English only. He himself alleged that he worked as Peon/Chowkidar therefore he ought to have known the conditions of the appointment letter. Photo copy of experience certificate which has been produced by the worker also goes to prove that he worked for a period of 80 days from 29-12-84 to 18-3-85. He cannot come forward with the false story. There is photocopy of State Bank of Bikaner and Jaipur, H.O.

Jaipur circular No. PER/66/79 dated 12-11-79 which prohibits the Branch Manager employed temporarily workman in service beyond 80 days. It is in light of the circular restriction has been imposed for employing the worker beyond the period of 80 days. Circular also prohibits to employ in subordinate cadre any person who is beyond 24 years of age from the photo copy of the application submitted by the worker for employment his date of birth as shows as 18-7-66. Therefore he disqualified himself become even temporarily employee on 29-12-84. Sri S.K. Suri, Branch Manager, State Bank of Bikaner & Jaipur, Birhana Road, Kanpur has clearly stated in affidavit in para 7 that engagement of worker was not made by adopting prescribed procedure. As such on the basis of such engagement the worker cannot claim as back door entry in the bank and claim for regularisation. The said witness Sri Suri has not been cross examined on that statement. It is concluded on the basis of evidence produced by the parties that the worker has not completed 240 days of continuous working before his termination. Therefore he cannot claim to get the notice from the employer or to get any retrenchment compensation.

The worker was employed for the fixed term and last day of his work has shows in the appointment letter is 18-3-95. Therefore he stands terminated on 19-3-85 and no notice or compensation is needed in this regard.

The State Bank of Bikaner & Jaipur vide circular No. PER/42/87 dt. 23-4-87 came forward with the scheme of absorbing ex-temporary employees and consequently meeting was called by the Jt. Secretary, Ministry of Finance, Deptt. of Economic Affairs, Banking Division on 29-9-88. A committee consisted of representative of other banks including State Bank of Bikaner and Jaipur also represented and they finally came forward that those temporarily employees who have completed services of 90 days or more after cut of date i.e. 1-1-82 will only be eligible for considering under the scheme. This fact is based upon the documents filed by the management. From the photo copy of the application of the worker it is made out that he applied for absorption on 20-6-87 and it is found that he was not eligible therefore he was not absorbed in the services. It is noteworthy that worker has not challenged his absorption on the above ground that he was qualified to be considered for absorption and he was not absorbed.

On the discussions above I come to the conclusion that worker stands automatically terminated on the period 19-3-85 as he was appointed upto 18-3-85 alone. He has not put in 240 days of service before his termination and therefore opposite party is not liable to give him notice or compensation for terminating his services. The termination of the worker Prem Singh w.e.f. 19-3-85 is legal and justified and accordingly issue is answered. Worker is not entitled for any relief.

#### AWARD

The Government of India, Ministry of Labour *vide* their Order No. L-12012/314/2000/IR(B-1) dated 29-12-2000 referred the following dispute to the Presiding Officer, Central Government Industrial Tribunal-cum-Labour Court, Lucknow for adjudication.

“Whether the action of the management of Assistant General Manager, State Bank of India, Agra in terminating the services of Shri Adarsh Vastavai with effect from 9-7-1999 is legal and justified? If not, to what relief the workman is entitled?”

The worker's case in brief is that he was employed in State Bank of India Chipitola, Agra w.e.f. 31-12-96 and he continued working till 9-7-1999. The worker's job involved cleaning of office tables, make available drinking water carrying registers from one table to another and taking out files and placing again, besides this he was also carrying dak to other branches and thus, he performed the duties of peon. It is alleged that during course of his service he was deprived of all facilities available to the class IV employees. The worker on 21-6-99 approached through union for regularisation. However, the same was withdrawn on the ground that after the termination the case of regularisation is not maintainable. It is also alleged that the employer has not observed provisions contained in Section 25F, G & H of the Industrial Disputes Act, 1947. It is also alleged that other persons such as Sanjay Kumar and Surrender, who were employed in other branches of bank have been regularised and transferred to other branches of the bank. Therefore, the worker has requested that it may be held that the termination dated 9-7-1999 is illegal and unjustified. The worker has further prayed that he be reinstated with full back wages.

The opposite party bank has filed the written statement and has denied the claim of the worker. It is alleged that worker, Adarsh Vastavai is not the regularly appointed employee. It is alleged that there are prescribed procedure for appointment of a worker in the existing vacancy. While giving details of procedure it is alleged that for filling of the vacancy in the Bank, the posts are advertised and the candidates whose names are registered in employment exchange are considered, selection committee is formed and the candidates who qualify the terms and conditions of employment are called for interview and a list is prepared in respect of selected candidates. Thereafter, bank management appoints the candidates from the selected list and appointment letter are issued. After appointment such candidates are kept on probation for a period of 6 months and after successful completion of probation period they are confirmed. It is also alleged that by virtue of this case the worker wants the back door entry in the bank service. It is alleged that Sh. Adarsh Vastavai was supplying the water on contract basis along with Sh. Krishna Gopal Mishra, Satish Kumar and Mahavir, and during the period 97 to 99 the payments were made in respect of the contract in the following manner:

|                  |               |         |          |
|------------------|---------------|---------|----------|
| “Adarsh Vastavai | Krishna Gopal | Mahavir | Satish   |
| April 99         | February 98   | Dec. 97 | April 98 |
| For Jan. 99      | March 98      | Jan. 98 | May 98   |
|                  | Sept. 98      | July 98 |          |
|                  | Oct. 98       | Aug. 98 |          |
|                  | Nov. 98       | Jan. 99 |          |
|                  | April 99      |         |          |
|                  | For           |         |          |
|                  | March 99”     |         |          |

The bank management has denied that the worker at all worked till 9-7-99 as peon as alleged by him. The worker was mainly supplying the water, though he was also entrusted with certain casual work for which he was paid labour charges. It is also alleged that worker filed a case before ALC (C), Kanpur but after filing of written statement

on behalf of the worker withdrew his claim. The worker has concocted the fact should be stated as to at what rate how much amount was paid to him per month. It is specifically been denied that worker was ever engaged for peon work. It is alleged that after 8-9-99, the contract work was not taken from the worker. It is also alleged that worker is not entitled to the provisions of Section 25F, G & H as he was not an employee of the bank during the alleged period. It is also alleged that there is no provision for regularisation of services of any employee in the bank. Allegation about recruitment of Sanjay Kumar, Surendra and Shiv Ram it is alleged that they have been appointed after complying prescribed procedures of the Bank. Accordingly the bank management has prayed that claim of worker be rejected.

The worker has however, filed the rejoinder. It has been denied that the worker worked in capacity of contractor as the management has not disclosed the conditions of the contract, not referred any licence in respect of contract. The worker has reiterated his allegation that he worked as peon for which he was qualified and he was illegally terminated without showing any cause or notice on 7-9-99.

The worker has filed the photo copies of following documents :

1. Notice purported to have been published somewhere, paper No. 6/3-6/5.
2. Banker's cheque dated 1-1-99 for 3600 payable to Adarsh Contractor, Paper No. 6/6.
3. Banker's cheque for Rs. 300 dt. 1-2-99 in favour of Adarsh Contractor, paper No. 6/7.
4. Application of Adarsh, requesting for the payment of charges for the month of January, paper No. 6/8.
5. A certificate in respect of one Satish Kumar. Printed extract showing the payment to Satish Contractor, Shiv Ram Contractor, Mahavir Contractor, Surendra Singh, Contractor, paper No. 6/9-6/10.
6. Application of Krishna Gopal dt. 23-6-97 for payment of labour charges of Rs. 60 regarding cleaning of water tank, paper No. 6/11.
7. Banker's cheque, the date of which is not legible for payment of 3600 to the person whose name is not legible, paper No. 6/12.
8. Application of Krishna Gopal for payment of supply of water, paper No. 6/13.
9. Another application of Krishna Gopal in respect of the labour and fair charges of Rs. 70 paper No. 6/14.
10. SBI paper with respect to payment to Krishna Gopal, Mahavir Contractor, paper No. 6/15.
11. Another list showing payment to Krishna Gopal, Mahavir, Satish, paper No. 6/17.
12. Application of the trade union, INTUC addressed to LLC (C), Kanpur for regularising the service of

workers Krishna Gopal, Satish Kumar and Adarsh Vastavai etc., paper No. 6/17-6/18.

13. Application of Krishna Gopal and others addressed to DGM SBI, paper No. 6/19.

14. Application of Saish Pal Singh and others addressed to ALC(C), Agra, paper No. 6/20.

The worker has filed the affidavits paper Nos. 3 & 5 and 7 & 8. The opposite party has filed the affidavit, paper No. 11. The bank has cross-examined the worker and his witness, Tej Pal Singh, whereas, the worker's representative has cross-examined the management witness Raj Kumar.

Parties have filed written argument.

Worker's representative has written in his written argument that the worker has denied to have worked as contractor and the worker has stated in cross-examination that he was appointed as casual labour and Sh. Tej Pal Singh, the witness of the worker has also corroborated this fact that worker, Adarsh Vastavai was working on 31-12-96 as peon. Sh. Tej Pal Singh has also supported the claim that worker was performing the duties of peon. Sh. Tej Pal Singh also denied that there was any contractor in the bank not any official employee was engaged. It is within his agreement that the worker was terminated on 9-7-99. Tej Pal Singh also stated in cross-examination that from 31-12-96 to 9-7-99 the worker continuously worked and the management has appointed someone else in his place. On the other hand the management has argued that Sh. Tej Pal Singh who was in the subordinate cadre cannot derive knowledge about the nature of the appointment on engagement of the concerned workmen. The statement made by Sh. Tej Pal Singh and Sri Mahavir Singh favouring the concerned workman and contrary to the statement of the bank management are denied. It is further denied that February 2002 is the experience certificate, it is also undated and in as much as it appears that the said annexure relates to some curfew pass for the issuance of which alleged Branch Manager has or had no authority. Accordingly, the said letter is a fabricated document. For the work rendered by Shri Mahavir Singh and others there was no need of any written agreement nor the job which he did, require any written agreement, on the contrary, according to norms, settlements, awards and Rules of the bank appointment letter for the engagement as claimed by the concerned workman was necessary and since the worker was not appointed regularly the question of issuing any appointment letter did not arise. It is argued that the workman has failed to prove his case.

The worker has stated in affidavit, paper No. 7/2 para 5 that he never worked as a contractor under contract. It is also stated in para 7 of the affidavit, paper No. 7/3 that for payment the coercive methods were exercised for obtaining the 'parchi'. It is also mentioned in affidavit that in all he has filed 14 documents the original of which is in the possession of the bank.

On analysing the papers filed by the worker, if find that the banker's cheque is in the name of Adarsh Contractor. It cannot be said that banker's cheque was

issued in respect of the wages. The status of the worker is mentioned in the banker's cheque as contractor. If it is taken to be the genuine document then at the back of this cheque the signatures of Adarsh contractor is visible. Similarly there is also another photo copy of document which is banker's cheque and it is found that same is issued in favour of Adarsh contractor, which goes to show that he was performing the duty of a petty contractor. It cannot be termed as he served w.e.f. January 89 and February 99 as an employee. It cannot be said that the bank shall be reserve coercive method with the workman to issue the wages in form of contract. Similarly, there is another document purported to be regarding supply of water, which is signed by Adarsh contractor. This is a document which is admission on part of worker that the nature of payment he was receiving is of a contractor. Similarly the photostat copy of document, paper No. 6/10 also shows the payment to various contractors which clearly shows the reasons for payment. The another photo copy, paper No. 6/11 is for specific job of cleaning the water tank for which Rs. 50/- was to be paid. Thus, all the documents filed by the worker do not go to show that he was an employee of the bank. All the documents stated above goes to show that status of the worker, Adarsh Vastemai was not of a worker instead he was contracted for supply of water. The notice of SBI purported of the published somewhere also does not describe that the worker was and employee of the bank. There is worker's own admission in cross-examination that he was not engaged after April, 99 for which he has not complained anybody. The Presiding Officer of the court put specific question to the worker for which he replies as follows

“प्र.: Payments दिनांकित 1-1-99, 1-2-99 तथा प्रार्थना पत्र दिनांक 3-4-99 पर आदर्श ठेकेदार लिखो है, तो क्या आप ठेकेदार थे?”

उ: मैं ठेकेदार नहीं था। वो लिखवाकर ले जाता था तो कहा जाता था कि ठेकेदार लिखो नहीं तो भुगतान नहीं होगा। इसीलिए ठेकेदार लिख देता था।

correctness in workers statement in cross examination is clear यह सही है कि अप्रैल के बाद मुझ से काम नहीं लिया गया।”

To another question from the management's representative the worker has stated :

मैंने ठेकेदार लिखाने के बारे में कोई शिकायत लिखित रूप से नहीं किया। सभी से ठेकेदार लिखाते थे।”

The reference is whether the termination of the workman w.e.f. 9-7-99 is legal and justified. It is taken for argument sake then also the worker never worked after April, 99. Therefore, the worker's termination on 9-7-99 is unwarranted. the worker's own affidavit alleging that the worker worked up to 9-7-99 is false and on this context the worker cannot be believed that the worker was working as worker and not as contractor.

So far as statement of Tej Pal Singh is concerned he has availed voluntary retirement and that is why he has no interest with the Bank. On the one hand the worker himself states that he was engaged up to April, 99 but Tej Pal Singh states in affidavit that worked up to 9-7-99, shows the clear falsehood on the part of Tej Pal Singh.

The bank management has produced the Assistant Manager of the main branch of SBI who has been dealing with the files of the case. He has in his affidavit has stated that he is conversant with the case and acquainted himself with the relevant records.

The witness of the bank has proved that for the purpose of recruitment on various posts right from the posts of messenger, peon, farrash and cash collie etc. which are commonly known as class IV employees or subordinate staff procedure is prescribed which includes the advertisement of posts and also calling the names from employment exchange and interview of the eligible candidates. For the subordinate staff the maximum education qualification is High School fail and not High School pass, besides, other conditions such as minimum age etc. are also prescribed. After the candidates are selected for appointment they are given appointment on probation and successful completion of probation period and if there is nothing adverse against such candidate he is confirmed.

The management has also prove that the worker never under gone any such aforesaid procedure for recruitment nor was appointed on any post.

The Asstt. Manager of the bank has also proved that the worker used to serve water to the employees and officers of the bank but not as a regular employee in any capacity nor he discharged any such duties during the period 31-12-1996 to 9-7-99. The management witness has stated that the worker was deputed by the contractor for supply of water and removing waste papers but not throughout the aforesaid period and in any case he was never engaged by the Bank or in connection with its work for 240 days or more continuously during a calendar year.

The witness of the bank has stated in affidavit that allegations made in claim statement are concocted, hence denied. He has also stated that Sh. Krishan Gopal Mishra, Satish Kumar and Mahavir also used to work as contractor and whenever need for engaging any one of them arose they were engaged. Payments were made to the claimant and aforesaid persons not as the 3 employees of the Bank but whenever contract was given to them the payment for said contract of supply of water and removal of waste papers (kura) was made to the contractor. It is also proved that at no point of time the worker was even treated as an employee of the bank nor he was given any salary or allowances etc. admissible to bank employees.

The management witness has also proved that the payment was never made to the worker through establishment register of the bank as the said register is meant for regularly appointed employees of the bank. Regarding the appointment of Sanjay Kumar and others he has stated that Sanjay Kumar, Surendra and Shiv Ram had undergone the prescribed process of recruitment and after their selection they were recruited and posted at various places while the concerned workman never went through such a process.

The worker has not filed any document to prove that he was working since December, 96. I have carefully gone through the letter of INTUC addressed to ALC (C),

Kanpur in which at page 2 it is written as if he has worked from 98 to May 99. Later on it was amended as 96 to 1-6-99. This is another circumstance which shows that the allegation of the worker that he worked from 31-12-96 to 9-7-99 is not true. The notice advertised by SBI is of no avail to the worker as it is related to calling of application from those who worked till 30-5-91. Worker admittedly was not in employment prior to 91. Why the worker has filed these notices is not explained.

From the evidence on record I come to the conclusion that the worker has utterly failed to prove that he worked even as casual worker from 31-12-96 to 9-7-99 as alleged by him in the statement of claim. He has also failed to prove that he worked for 240 days prior to his disengagement. Therefore there is no question of giving any notice or showing any cause for his disengagement and it is also not proved that any one else is appointed on his place. On the other hand the management has proved that the worker was engaged for some time to clean the garbage and supply of the water for some period on contract. From the worker's own statement it is made out that he was not working after April, 99. Therefore, the termination of services of the worker, Adarsh Vastanai on 9-7-99 does not arise. The issue is answered accordingly and the worker is not entitled to any relief.

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I. D. Act, 1947 has referred the following dispute to this Tribunal for adjudication *vide* their Order No. L-12011/147/2003-IR(B-II) dated 3-10-2003.

#### SCHEDULE

"Whether the action of the management of UCO Bank in not regularising the services of Shri Hira Das is legal and justified? If not, what relief workman is entitled to?"

2. The case of the concerned workman according to Written Statement submitted by the sponsoring Union on his behalf in brief is as follows :—

The sponsoring union submitted that the concerned workman Hira Das was orally appointed by the management of UCO Bank Jawra Branch to discharge the duties of Peon and Sweeper from 22-9-89. After his appointment the concerned workman was engaged in performing the following duties :—

- (i) Sweeping the branch premises, cleaning bath room, chairs, tables.
- (ii) Taking out ledgers, registers from the Almirah placing the same on tables/counters and *vice-versa*.
- (iii) Taking out Cash Box from the strong room, placing the same in cash Department and *Vice-versa*.
- (iv) Posting of mails, distribution of dak through Peon book.
- (v) Stitching of vouchers/currency notes as per requirement.
- (vi) Serving water/tea to the members of staff.
- (vii) Carrying token, book, scroll register from Accounts Department to Cash Department and *vice-versa*.

His duty hours covered from 9 A.M. to 5 P.M. every day and sometimes beyond that period. They submitted

that the concerned workman while was posted at Jawra branch management used to pay him Rs. 60 weekly as his wages through vouchers. They submitted further that following an administrative decision the said Jawra branch of the Bank was merged with Bounsi Branch with effect from 30-3-2000 and thereafter the services of the concerned workman was utilised by the Bounsi branch of the Bank in the same capacity as mentioned above from 10.00 A.M. to 6.00 P.M. on week days and from 10.00 A.M. to 3.00 P.M. on Saturdays and sometimes beyond that period as per local requirements. While he was posted at Bounsi branch the management started paying him wages @ Rs. 55 per day through vouchers. They alleged that in spite of discharging duties of Peon continuously and since the date of his joining management did not consider necessary to regularise him as Peon. Even management refused to pay wages during Sundays and holidays and also deprived him the Bonus facilities. In spite of submitting representation to the management as no fruitful result yielded the sponsoring Union raised an Industrial Dispute for conciliation which ultimately resulted reference to this Tribunal for adjudication by the Ministry. The sponsoring Union accordingly submitted their prayer to pass award directing the management to regularise the concerned workman in the service of Peon-cum-Farash along with other benefits which he is entitled to get.

3. Management on the contrary after filing Written Statement-cum-Rejoinder have denied all the claims and allegations which the sponsoring Union asserted in their Written Statement submitted on behalf of the concerned workman.

They submitted that UCO Bank Employees' Association is a branch of the All India UCO Bank Employees Federation having its office at 10 BTM Sarni 2nd Floor, Calcutta-1. The said federation filed a Writ Petition under Article 226 of the Constitution of India on behalf of empanelled casual workers working at different branches of India for regularisation in service pursuant to the agreement dated 12-10-1989 with the recognised Union. By the said agreement it was agreed upon to absorb casual workers working continuously for 240 days during the period of three years immediately proceeding the settlement. In accordance with the said settlement the persons entitled for being absorbed in terms of settlement upon making application they would be empanelled and the empanelled casual workers would be absorbed in the available vacancies that might arise in future. They submitted that as per the said agreement 460 workers of the Bank were empanelled in regular vacancies of the subordinate staff and such empanelment was completed in the year 1990. They disclosed that according to that settlement only empanelled 69 casual workers have been absorbed. They disclosed that Ministry of Finance, Government of India in 1984 advised all public sector Banks to the effect that no additional post should be created and

also the existing vacancies including consequential vacancies arising out of retirement, resignation, death or promotion should not be filled up. Again the Reserve Bank of India created a ban on recruitment of staff including replacement for retirement, resignation in the year 1996-97. The Hon'ble High Court, Calcutta by order dt. 4-8-1999 passed in W.P. No. 1390 of 1990 held that in view of restriction imposed by the Reserve Bank of India the Bank cannot absorb the said casual worker. Hon'ble Court further directed the authority not to fill up any post until those casual workers are being absorbed in the substantive post. In spite of such directions UCO Bank Employees' Association raised industrial dispute for regularisation of Shri Mukesh Kumar Rao and Satya Narain Prasad Gupta. But the Ministry of Labour in both the cases declined to make any reference by order dt. 9-9-2002 and 30-9-2002. Thereafter the said Association again raised two more disputes for Uday Shankar Raut and Shyamanand Maholi but the same also was rejected by the Ministry of Labour and for which they did not consider necessary to make any reference. Management submitted that even refusal of four disputes by the Ministry of Labour, Government of India the UCO Bank Employees' Association raised the present dispute for regularisation by demand dt. 22-10-2002 knowing fully well of the fact that they are debarred from raising such dispute in view of judgment of the Hon'ble High Court, Calcutta referred to above. They further submitted that the concerned workman was engaged as casual part time Sweeper and for which he was paid consolidated wages fixed for the category as per the circular of the Bank dt. 19-10-1989. Accordingly the claim of the concerned workman for his regularisation as Peon-cum-Farash is not maintainable as per the terms and conditions. In view of the facts and circumstances management submitted prayer to pass Award rejecting the claim of the sponsoring Union.

#### 4. POINTS TO BE DECIDED

"Whether the action of the management of UCO Bank in not regularising the services of Shri Hira Das is illegal and justified? If not, what relief the workman is entitled to?"

#### 5. FINDING WITH REASONS

It transpires from the record that the sponsoring Union with a view to substantiate their claim examined the concerned workman as Witness being WW-1. Management also in support of their claim examined one witness as MW-1. It is the specific claim of the sponsoring Union that the concerned workman on 25-9-1989 was engaged at Jawra Branch as Sweeper. WW-1 during his evidence disclosed that said Jawra Branch thereafter was merged with Bounsi Branch and after merger he also was engaged to work there. The document marked as Ext. W-1 shows that Jawra branch, Identification No. 1475 was merged with Bounsi Branch Identification No. 720 on 31-3-2000 in view of circular issued by the management.

dt. 4-4-2000. Therefore, it is clear that after merger there is no existence of Jawra branch where the concerned workman was initially engaged. It is further seen that since 25-9-1989 till the date of merger the concerned workman was engaged as Sweeper at Jawra branch. It is the contention of the concerned workman that though he was engaged as Part-time Sweeper as part of his job he used to perform the following duties :—

- (I) Sweeping the branch premises, cleaning bath room chairs, tables.
- (II) Taking out ledgers, registers from the Almirah placing the same on tables/counters and *vice-versa*.
- (III) Taking out Cash Box from the strong room placing the same in cash Department and *vice-versa*.
- (IV) Posting of mails, distribution of dak through Peon Book.
- (V) Stitching of vouchers/currency notes as per requirement.
- (VI) Serving water/tea to the members of staff.
- (VII) Carrying token book, scroll register from Accounts Department to Cash Department and *vice-versa*.

His duty hour was from 9.00 A.M. to 6.00 P.M. He disclosed further that when he was engaged at Jawra branch by the management he used to draw his wages @ Rs. 180 weekly. It is his specific claim that he performs his duties and carries on his work like that of the job of permanent Peon. He further disclosed that since his joining continuously he is working under the management. But in spite of rendering his continuous service management did not consider necessary to regularise him in service and for which he raised industrial dispute with a view to get his relief. This witness during cross-examination admitted that though he was engaged as part time sweeper he was unable to maintain time as under instruction of the management he had to remain on duty in the Bank for the whole day. It is really peculiar to note that MW-1 was allowed to be examined on the part of the management though he never was posted either at Jawara Branch or at Bounsi Branch under the management. Naturally it was not possible for him to highlight actually under which circumstance the concerned workman was engaged as Part-time sweeper and if thereafter he was asked to perform jobs like that of permanent Peon. This witness admitted during his cross-examination that Manager of the Branch was competent officer and not he himself to highlight the claim of the management in the matter of engagement of the concerned workman. This witness also has failed to disclose if Bounsi Branch where the concerned workman is now working is running without Peon since long years and also whether the concerned workman have been entrusted by the Branch Manager to perform the job of

Peon. This witness further admitted that as per award of the Tribunal three workmen viz. Ramesh Chandra Prasad, Surendra Yadav and Vijay Kumar have already been regularised. This witness disclosed that actually their names were not empanelled previously and after Award their names were empanelled and they were regularised. He disclosed further that those three workmen were regularised by the management as they worked as full time casual workers from the very beginning. This witness further admitted that one daily rated worker Ramesh Prasad Tanti was regularised as Peon and posted at Sono Branch.

Considering the evidence of WW-1 and MW-1 I find sufficient reason to hold that the concerned workman started working under the management since 25-9-1989.

It has also been admitted by the concerned workman that though he was engaged as Part-time Sweeper he used to perform the duties of Peon under direction of the management and for which he had to remain on duty during full official hours of the Bank. The concerned workman during evidence relied on the document marked as Ext. W-1 which shows receipt of his wages from the management on weekly basis as part-time Sweeper @ Rs. 55 per day. The document marked as Ext. W-1 shows the payment of wages to the concerned workman with effect from 1-12-2001 to 26-10-2002. The document marked as Ext. W-1/1 shows order of the Bank relating merger of Jawra Branch with Bounsi branch. The document marked as Ext. W-1/2 shows that Manager, Bounsi branch requested the Regional Office, Bhagalpur for passing favourable order in favour of the part-time Sweeper i.e. the concerned workman. Ext. W-1/3 is the recommendation made by the Branch Manager, Jawra branch requesting the Regional Office, Bhagalpur to engage the concerned workman as Part-time Sweeper at Jawra Branch. The document marked as Ext. W-1/4 is in response to letter issued by the Dy. Chief Officer (Personnel) Zonal Office, Patna, the Manager, Jawra Branch sent bio-data in respect of the concerned workman for consideration. The particulars in respect of the concerned workman sent by the Manager, Jawra Branch marked as Ext. W-1/7. The document marked as Ext. W-1/8 shows that the Manager Jawra Branch requested the Regional Manager, Bhagalpur to confirm the concerned workman in the post of part-time sweeper. Again vide letter dt. 22-2-2002 Manager, Bounsi branch requested the Regional Manager, Bhagalpur to pass necessary order in favour of the concerned workman stating that the concerned workman since the merger of Jawra branch with Bounsi branch working as temporary part-time Sweeper for his placement as permanent part-time Sweeper in place of Ganesh Harijan. In the said letter it has also been disclosed that the Area of the Bank premises where the concerned workman is working is 2200 Sqft and that Ganesh Harijan has already got his promotion as Peon-cum-Farash. By letter marked as Ext. W-1/13 addressed to the ALC(C) management disclosed that

though the name of the concerned workman was not empanelled as casual worker he is working as Temporary part time worker and at present he is drawing wages @ Rs. 55/- per day as per circular dt. 22-12-98. Disclosing this fact management submitted that the services of the concerned workman cannot be considered for regularisation as per direction of the Hon'ble High Court Kolkata in Writ Petition No. 1390 of 1988. Stating this fact management further disclosed that the Bank authority may consider the case of the petitioner and shall absorb rest of the casual worker as and when such restrictions are lifted by the Reserve Bank of India. The document marked as Ext. W-1/15 and Ext. W-1/16 are the certificates issued by the Branch Manager Bounsi branch wherein it was certified that the concerned workman was engaged as worker on daily wages basis from 22-9-89 till 30-4-2003. It has also been exposed from the document marked as Ext. W-1/14 that the concerned workman belonged to SC Community. Considering all the documents as mentioned above it is clear that the concerned workman initially was engaged as part-time Sweeper at Jawra branch in the year 1989 and thereafter on merger of the said branch with Bounsi branch he also was allowed to work there as temporary part-time Sweeper by the management. It is the contention of the representative of the concerned workman that in disguise of temporary part time Sweeper the management is utilising the services of the concerned workman as Peon at Bounsi branch and he performs all the jobs of Peon during the business hours of the Bank. The representative of the concerned workman further submitted that MW-1 was not competent enough to disclose the status and position of the concerned workman in the matter of discharging his duties at Bounsi Branch when this witness was never posted in the said branch. MW-1 during his evidence admitted the fact that he was never posted either at Jawra Branch or at Bounsi branch. Therefore, there is reason to draw conclusion that it was not possible on his part to highlight actually which nature of job the concerned workman used to perform and performs either at Jawra Branch or at Bounsi branch. When no such positive information relating to nature of work performed by the concerned workman has been revealed from the evidence of MW-1, in natural course the question which will crop up is whether the management exploiting the concerned workman used to take his service as Peon though he was engaged as temporary part-time Sweeper. Before coming into conclusion to this fact let me consider the document marked as Ext. W-1/9 which the concerned workman relied in support of his claim. This official document was issued under signature of the Manager, Bounsi branch addressed to the Regional Manager Bhagalpur. From this document it transpires clearly that the concerned workman was engaged as temporary part-time Sweeper since 1989 and for which he made recommendation for his permanent placement in part-time Sweeper in place of Ganesh Harijan, Part-time Sweeper who has got his promotion as Peon-

cum-Farash. This letter therefore shows clearly that at Bounsi branch Ganesh Harijan was a part-time Sweeper but as he got his promotion as Peon-cum-Farash the concerned workman discharging the duties of Ganesh Harijan in addition to his own duties as part-time Sweeper. It has also been exposed that as Ganesh Harijan has got his promotion as Peon-cum-Farash, it is clear that Bounsi branch is equipped with a Peon. Therefore question of discharging the duties of the concerned workman as Peon at Bounsi branch finds no basis just relying on the submission of the representative of the concerned workman. However, it is clear considering materials on record that the concerned workman since 1989 continuously is working as temporary part-time Sweeper under the management. In course of hearing management relied on the circular marked as Ext. M-1/10 relating to policy and procedure concerning selection, appointment and promotion in respect of full time Sweeper and part-time Sweeper. As per the said circular dt. 16-2-82 Part-time Sweepers are recruited through open notification displayed on the notice board of the branch/office for which such recruitment is made under the strict supervision and control of the Divisional Office in consonance with the relevant provisions of AGM/DM Circular No. 4780 dt. 21-10-80 to be read with the provision of AGM/DM circular letter No. 27/81 dt. 22-8-81. Candidate possessing higher educational qualification than class VI pass are not eligible for such posts. On the contrary Selection of full time Sweepers is made out of the existing part-time sweepers strictly on seniority basis ascertained townwise or city-wise to fill up vacancy as and when it arises in any of the branches/offices in the area in question.

The said circular has made further provision for Full time Sweeper in connection with their appointment as Peon/Peon-cum-Farash will also apply to part-time Sweeper for their selection to the post of Peon/Peon-cum-Farash provided that they have passed 8th/9th standard from a recognised school after joining the service in the Bank. Therefore, this provision speaks clearly that for part-time Sweeper there is scope to get his promotion in the post of Peon/Peon-cum-Farash subject to fulfilment of the criteria as mentioned in the said circular. It is clear in view of my discussion above that the concerned workman continuously for more than 14 years is discharging his duties as part-time sweeper. The concerned workman during his evidence disclosed categorically that apart from his discharging his duty as part-time Sweeper under instruction of the management he also performs different duties as mentioned above like that of Peon and for doing so he has to remain in the office everyday during full office hours. This part of his averment was not denied by the management. Therefore, it is clear that though the concerned workman has failed to establish that he was officially designated to work as Peon actually performs his duties of like nature in addition to his duty as part-time Sweeper without any extra remuneration only for the

interest of the Bank under direction of the local authority. Therefore, it is clear that to discharge the function of Peon-cum-Farash/ Peon he has got sufficient experience. The representative of the management submitted that part-time Sweeper must possess qualification of 8th/9th Standard from a recognised school after joining in the service of the Bank before claiming his promotion as Peon/Peon-cum-Farash. As per the circular I find no dispute that minimum qualification for getting promotion in the post of Peon/Peon-cum-Farash from the post of Part-time Sweeper is 8th/9th Standard from a recognised school. The representative of the management submitted that as per bio-data furnished by the concerned workman his qualification is passed Class-IV (Ext. W-1/7). The concerned workman is a member of Scheduled Caste community. It is seen that the concerned workman for the last 14 years is working in the capacity of temporary part-time sweeper but simultaneously he also discharging his duties as Peon though not designated as Peon. The management definitely would not allow him to work as such if his services was not satisfactory. In such circumstances there is sufficient reason to hold that by virtue of his acquiring long experience he has proved his efficiency to work as Peon. Therefore, qualification as earmarked in the circular issued by the management I hold should not be considered as a strict criteria to be fulfilled particularly in the instant case when the concerned workman also belongs to a member of Scheduled Caste community. Accordingly I consider that the concerned workman has acquired his eligibility for empanelling his name for getting the promotion of Peon/Peon-cum-Farash.

The representative of the management submitted that Reserve Bank of India by circular marked as Ext. M-1/1 banned further recruitment of Staff (including replacement for retirement, resignation, etc.) except recruitment of specialised probationary officer with the prior approval of RBI/Govt. of India. The representative of the management submitted that the sponsoring union filed a Writ Petition before the Hon'ble High Court, Kolkata for regularisation of empanelled staff as per settlement entered into between the union and the management. Hon'ble Court relying on the direction of the Reserve Bank of India dismissed the Writ Petition No. 1390/98 marked as Ext. M-1/2. The representative of the management further submitted that even Ministry of Labour also refused to make reference in respect of some workers relying on the decision of the Hon'ble High Court, Kolkata in Writ Petition No. 1390/98 marked as Ext. M-1/5 to M-1/8. Considering the circular as mentioned above I find no dispute to hold that Reserve Bank of India imposed restriction upon the management in the matter of fresh recruitment of any workman under UCO Bank. The representative of the concerned workman on the contrary relying on the annual report for 2002-2003 published by the management submitted that the said restriction imposed upon UCO Bank is not in operation. In the annual

report the management explained the Bank's performance which is as follows :—

“It is, indeed, a pleasure to place on record that the Bank has successfully completed its Medium Term Re-structuring Plan (MTRP), 2000-03 with all round achievement in all areas of its operations. The Bank has achieved its main objective of the MTRP 2000-03 of consolidation and carrying forward of the achievements made under the Strategic Revival Plan (SRP) 1997-2000 and ensuring sustained profitability. The year 2002-2003 marked the end of the Bank's struggle for survival and flagged of the Bank's march towards its Mission of becoming a 'Top Class Bank'. The continuous profit of the Bank for four consecutive years has resulted in appreciation of efforts made by the Bank from the Regulators, i.e. Reserve Bank of India as well as the owners, Government of India. As a sequel to the performance shown by the Bank during the last few years, the Government of India has allowed 'Autonomy' to the Bank. This will enable the Bank in having operational freedom in direct recruitment, reassessment and creation of vacancies in various cadres up to Scale VI, etc. These shifts in the position of the Bank have put UCO Bank in league —with the Top Banks in the country.”

In the said report it has been observed categorically that Govt. of India has allowed “Autonomy” to the Bank. This will enable the Bank in having operational freedom in direct recruitment, reassessment and creation of vacancies in Bank's cadres up to Scales VI etc. Therefore, it speaks clearly that as per autonomy declared by the Govt. of India management is equipped with that power to recruit their own staff up to Scale VI etc. If this fact is taken into consideration I should say that there is no hindrance on the part of the management to consider the case of the concerned workman for empanelling his name for the post of Peon/Peon-cum-Farash when it has been established that the concerned workman ceaselessly rendered his service as Temporary part-time Sweeper only but also his service was exploited by the local management for discharging his duty like that of Peon. I consider that as the concerned workman has got sufficient experience to work as Peon and particularly when he comes from scheduled caste community and also when there is no allegation that the job which he rendered was not to the satisfaction of the management the qualification earmarked for promotion in that category can be ignored. Accordingly after careful consideration of all the facts and circumstances I hold that the name of the concerned workman should be empanelled for the post of Peon/Peon-cum-Farash for his regularisation in that post. In the result, the following Award is rendered :—

“The action of the management of UCO Bank in not regularising the service of Shri Hira Das not legal

and justified. Consequently, the concerned workman should be empanelled for the post of Peon/Peon-cum-Farash for his regularisation in that post."

2. Management is directed to implement the Award within three months from the date of its publication in the Gazette of India in the light of the observation made above.

#### AWARD

The Ministry of Labour by its letter No. L-12012/58/2000/IR (B-II) Central Government Dt. 11-08-2000 has referred the following point for adjudication.

The point runs as hereunder :—

"Whether the action of the General Manager, Oriental Bank of Commerce, Regional Office, Delhi, 8/1, Abdul Aziz Road, WEA Karol Bagh, New Delhi-110005 in not taking on duty to Sh. Ashok Kumar, Ex-Peon of Oriental Bank of Commerce, G. T. Karnal Road Branch, Delhi. When he reported to duty after he was acquitted on 16-09-1998 of the offences reported by the bank in trial in criminal case No. 602/84 is justified legal and reasonable? If not then what benefit and relief he is entitled to." The workman has filed statement of claim. In his statement of claim, it has been stated that the workman Ashok Kumar has been in the employment of Oriental Bank of Commerce and he was working as Peon in Branch, O.B.C., G.T. Karnal Road, Delhi. Prior to his false implication in a false criminal case i.e. FIR No. 602/84 on 23-08-1984 along with another employees Sh. Prem Nath Peon. The workman Sh. Ashok Kumar has been acquitted in the aforesaid case by the Ld. Court of Sh. S.S. Handa, M.M. Delhi, vide its judgement dt. 16-09-1998. (Photocopy of the judgement annexed). It is further submitted that Ld. M.M. has observed in his judgement dt. 16-09-1998 "There was no evidence at all to connect any of the accused with the alleged offence." Hence the judgement is self speaking.

That the workman Ashok Kumar was not allowed to join the duties neither during the trial nor after his acquittal from alleged offence, wherein he is exonerated, due to the reason best known to the management of the Oriental Bank of Commerce. Whereas, co-accused Prem Nath was not even placed under suspension during the trial and there is nothing on the record to make any discrimination in the matter between Ashok Kumar and Prem Nath, which is against the principle of natural justice. That the above action of the management is wholly illegal bad, unjust and malafide and amounts to unfair labour practice. That the above said action of the management has compelled the workman to live near starvation as he has to face great financial hardship and agony during the entire period due to his unemployment and he is only dependent on the mercy of his nears and dears during the aforesaid period.

The management has filed written statement. In the written statement, it has been stated that the brief facts of the case are that the claimant had been engaged as a temporary peon on 27-04-1984 on a leave arrangement and to tide over the temporary increase in work in place of a regular employee who had proceeded on leave. The claimant was fully aware of the temporary nature of his engagement. It is submitted that as per the provisions of para 20.7 and 20.8 of the Bipartite Settlement dt. 19-10-1966, a temporary workman can be appointed for a limited period of work or in connection with temporary increase of work or in place of temporary vacancy caused by the absence of a permanent workman or to fill up a permanent vacancy subject to the provisions that such a temporary absence

shall not exceed a period of 3 months. It is also pointed out that as per the Govt. Guidelines for making regular appointments in the subordinate cadre of the management bank, an indent is placed before the Employment Exchange and they in turn forward the list of eligible candidates from whom the selection is made. In view of the above facts, the claim filed by the claimant itself is ill founded and the very basis of the claim of the workman is liable to be rejected on this ground alone.

That the claim is stale and belated. The claimant worked in a casual/temporary vacancy for a few days in the bank in the year 1984 and the reference now made in 2000-2001 is apparently illegal and unjustified. The claimants cannot take advantage of a court judgement in a criminal case, though for all the years he was sleeping over his alleged rights. It is submitted that the reference may be rejected on the ground of delay/laches alone.

It is wrong and emphatically denied that the claimant was in the employment of the management bank. The fact is that the claimant had been engaged as a temporary peon for a limited period of maximum 89 days and that during the tenure of temporary appointment he was arrested by the police. In view of this, even if the claimant had continued working with the bank prior to his arrest by the police, his services would have come to an end by efflux of time, i.e. 89 days or even earlier, i.e. consequent upon the employee having reported for duties in whose place Shri Ashok Kumar had been engaged. It is submitted that no right/lien is generated in favour of the claimant and it is improper to equate his case with that of a permanent employee. It is wrong and emphatically denied that the claimant was engaged in false criminal case. The fact is that a fraud was attempted at the GT Karnal Road Branch of the management, where the claimant was engaged as a temporary peon and an FIR was lodged as per the rules with the police authorities and the police authorities suspected the involvement of the claimant. The fact is that the claimant never reported for duties after his arrest by the police. Moreover, the services of the claimant came to an automatic end because of temporary contractual engagement of 89 days over with the efflux of time. There has been no violation of principles of natural justice as has been alleged. The claimant has tried to build a false case in order to shape it as an Industrial Dispute where none exists. To suit his case, the claimant has tried to equate his case with that of Shri Prem Nath, who is a permanent employee of the Bank and who had been recruited through the Employment Exchange as per the policy of the bank, as has already explained above. It is again reiterated that the engagement of the claimant was purely temporary and was for a specific period, which ended in the year 1984.

However, it is submitted that since the claimant was not an employee of the management bank, his contentions cannot be acceded to. The claimant was engaged purely

on a temporary basis for a specific period and that also was interrupted in between due to the arrest of the claimant by the police. The claimant was never appointed in the Bank in accordance with the recruitment procedure. He had only worked as a temporary/casual for a few days in the year 1984. The raising of the dispute now would seriously prejudice the case of the management as the relevant records/evidence may not be available now. It is submitted that the reference deserves to be rejected.

The Management has denied most of the paras of the statement of claim. The workman applicant has filed rejoinder and in his rejoinder, he has reiterated the averments of his claim.

Heard arguments from both the sides and perused the papers on the record. It was submitted from the side of the workman that the workman applicant was a regular employee and he should be reinstated. An FIR was lodged against the workman applicant and Prem Nath. After acquittal Prem Nath was reinstated but discrimination was made against this workman applicant. He should also be regularised in view of the acquittal order dt. 16-09-1998. The Hon'ble Trial Court has held that the balance of benefit goes in favour of the accused persons. It was submitted from the side of the management that the case of this workman cannot be taken at par with the case of the other workman who was reinstated. That workman was permanent employee whereas this workman was a temporary employee and he has hardly worked for 4 months. He was appointed on leave vacancy. The workman applicant has himself admitted that he was appointed in the bank on temporary basis. He was appointed for 89 days prior to that he worked for one month. As such, he has worked for 89 days and prior to 89 days, he has worked for one month. As a whole, he has worked for less than 4 months. He has not completed 240 days according to his admission of his cross-examination so acquittal otherwise is not material in his case. He has not completed 240 days duty according to his own admission so Section 25 (F) of the ID Act is not attracted. The law cited by the workman applicant is not applicable in the facts and circumstances of this case.

The reference is replied thus :—

The action of the General Manager, Oriental Bank of Commerce, Regional Office, Delhi, 8/1, Abdul Aziz Road, WEA Karol Bagh, New Delhi-110005 in not taking on duty Sh. Ashok Kumar, Ex-Peon of Oriental Bank of Commerce, G.T. Karnal Road Branch, Delhi, when he reported to duty after he was acquitted on 16-09-1998 of the offences reported by the bank in trial in criminal case No. 602/84 is justified, legal and reasonable. The workman applicant does not deserve to get any benefit as prayed for.

The award is given accordingly. Costs easy.

**AWARD**

The Ministry of Labour by its letter No. L-12012/214/93-IR (B-II) Central Government dt. 17-02-1994 has referred the following point for adjudication.

The point runs as hereunder :—

“Whether the action of the management of Central Bank of India, New Delhi in dismissing Shri Ram Niwas Sharma, Assistant Cashier with effect from 14-01-1988 is justified? If not, what relief, is the workman entitled to?”

The claimant has field statement of claim. In his statement of claim, it has been stated that the workman concerned was appointed as an Asstt. Cashier in clerical cadre in Central Bank of India in the year 1978 and his service conditions were governed by the provisions of the Sastry Award as modified by the Desai Award and as further modified by the various Bipartite Settlements entered into from time to time between the management of various banks including Central Bank of India and their workman. That in the year 1981 when the workman was working at Press Area, New Delhi Branch of the Bank, he was placed under suspension by the management for having committed certain alleged acts of omissions/commissions while posted at Shahbad Mohammedpur Branch of the Bank. This suspension was made with effect from 01-09-1981. The Bank had instituted criminal proceedings against the workman in the same matters for which he was suspended which are still pending before a criminal court at Delhi.

That about 5 years after the suspension of the workman the Regional Manager of the Bank at its Regional Office-B, Delhi issued a Memo dt. 25-06-1986/01-08-1986 to the workman, making certain allegations against him in regard to having allegedly received an amount of Rs. 100/ from a RDS Account Holder in January, 1981 and not depositing the same in the Account of the said Account holder. The workman submitted a reply dt. 10-10-1986 to the aforesaid memo, denying the allegations made therein. Copies of the said memo and reply of the workman are attached as annexures W/2 and W/2 hereto. That, in spite of the reply submitted by the workman, the Regional Manager issued a charge-sheet dt. 15-12-1986 to the workman with a simultaneous order therein that an inquiry would be held against him as he had not submitted any explanation to the memo dt. 25-06-1986/01-08-1986. This charge-sheet was followed by a corrigendum dt. 19-02-1987 stating that the narration in the charge-sheet. “In spite of sufficient time given to him, no explanation is offered by him till date.....” may be substituted by the narration “Mr. Sharma’s explanation dt. 10-10-1986 has not been found satisfactory.” Copies of the charge-sheet and corrigendum are attached as annexures W/3 and W/4 respectively hereto.

That one Mr. Satish Chopra, who had been appointed as the Enquiry Officer to hold the inquiry against the workman simultaneously with the issuance of the charge-sheet on 15-12-1986 commenced the inquiry on 17-01-1987, which was concluded on 14-05-1987 and after submission of the arguments by the Bank’s Presiding Officer and the the Defence Representative of the workman, the Regional Manager/Disciplinary Authority issued to the workman a show cause memo of order of proposed punishment dt. 11-12-1987 which together with a copy of the findings of the Enquiry Officer dt. 26-09-1987 were delivered to the workman on 16-12-1987. A copy of the show cause memo/

order of proposed punishment is attached, as annexure W/5 hereto. That the workman appeared before the Disciplinary Authority on 11-01-1988 and in the hearing held before him on that date, the workman filed his submissions in reply to the show cause memo/order of proposed punishment, where after the Disciplinary Authority passed a final order dt. 16-01-1988 awarding and imposing upon the workman the punishment of dismissal from service as already proposed in the show cause memo dt. 11-12-1987. Copies of the submissions made by the workman before the Disciplinary Authority on 11-01-1988 and the final order passed by the Disciplinary Authority on 16-01-1988 are attached as annexure W/6 and W/7 hereto.

That the workman then preferred an appeal dt. 03-03-1988 before the Deputy General Manager/Appellate Authority at the Zonal Office, New Delhi of the Bank, which was heard on 3rd May, 1988, but was rejected by the Appellate Authority by an order dt. 14-09-1988, a copy of which is attached and marked as annexure W/8 hereto. That the workman, aggrieved by the action of the management, raised an Industrial Dispute in the matter before the Assistant Labour Commissioner (Central) New Delhi, but the conciliation proceedings initiated by the Assistant Labour Commissioner ended in failure of any settlement and the Government referred the dispute thereafter to this Hon'ble Tribunal for adjudication vide its order dt. 17-02-1994.

The management has filed written statement. In the written statement, it has been stated that the opposite party, Central Bank of India, hereinafter referred to as 'the Bank' most respectfully submits its written statement to the statement of claim dt. 19th April, 1994. Before giving parawise reply to the statement of claim the bank raised the following preliminary objections as to the maintainability of the present statement of claim and the Industrial Dispute. It is stated that the workman concerned, Shri Ram Niwas Sharma was involved in various acts of gross misconduct while working as Asstt. Cashier at B/o Shahbad Mohd. Pur, New Delhi. He was allotted the duties of work of cash receipts and payments, HSS ledger postings and completion of pass books. While working in the said branch, Shri R. N. Sharma misappropriated funds to the tune of over Rs. 18,000/- from various parties maintaining their HSS accounts at the said branch by making fictitious entries without accounting for the cash deposited by them through the proper channel of books maintained at the branch.

It is stated that when this fraud came into light of the bank immediately put Shri Ram Niwas Sharma, the workman concerned under suspension and thereafter issued a memo dt. 03-08-1981 to Shri Sharma whereby his explanation was called upon to explain about his acts of manipulation/misappropriation of amounts in the HSS accounts of various parties while working as Asstt. Cashier

at B/o Shahbad mohd. Pur within stipulated period. Thereafter another memos dt. 14-09-1981 and 13-02-1982 were issued to Shri Sharma. It is stated that despite various reminders dt. 18-08-1981, 01-09-1981 and 21-10-1981 the workman concerned did not submit his explanation.

It is stated that Shri R. N. Sharma, the workman concerned while working at B/o Shahbad Mohd. Pur was involved in the acts of misappropriation and manipulation of amounts in various accounts of the parties the details of which have been mentioned hereinafter. It is stated that when no reply was received by us, a charge sheet dt. 26-07-1983 was issued to Shri Ram Niwas Sharma, the workman concerned, wherein full details of manipulation and misappropriation of amounts committed by Shri Ram Niwas Sharma, the workman concerned was given. He was also informed vide the said charge sheet the name of the Enquiry Officer and was also advised that he will be permitted to be defended by a representative of a registered trade union of bank employees of which he is the member. This charge sheet was received by him as is apparent from Annexure M-I. The charges levelled against the workman concerned, Shri Ram Niwas Sharma, are stated herein below :—

"During the course of performance of his duties, Shri Sharma has misappropriated funds to the tune of over Rs. 18,000/- from various parties maintaining their HSS A/cs at the branch by making various fictitious entries without accounting for the cash deposited by them through the proper channel of books maintained at the branch. The details of several such entries appearing in accounts are given below whereby it transpired that Shri Sharma made a number of credit and debit entries under his initials though there were no respective cash receipts and payments shown in the cash receipt/payment books, Cash Scroll Book and Detail Book :—

It has also been observed that though debit entries as indicated above were made in the HSS accounts but no such cash withdrawals were made. Evidently Shri R. N. Sharma manipulated these debit entries in order to cover up the fictitious credit entries made by him in the various HSS accounts. Besides above, Shri R. N. Sharma has also manipulated the below noted accounts at B/o Shahbad Mohd Pur by making fictitious credit entries as detailed below without depositing the said amount received by him from the respective depositors and has thus misappropriated the said amounts :—

It is also observed that, he has made manipulations as detailed below in the HSS accounts at Shahbad Mohd Pur branch by making fictitious debits to cover up his manipulations in respect of misappropriation of credits, so as to manipulate tallying of ledger balances :—

Besides what is stated above it is further observed that Shri Ram Niwas Sharma has tampered with the records of the bank and made several manipulations in the following accounts :—

A/c 801 Bhagwati (Loose Leaf Sheet No. 624570)

On 10-04-1981 credit entry of Rs. 500/- was made by Shri R. N. Sharma in Ledger as well as in pass-book but no such entry is reflected in Cash Scroll and in Cash Receipt Book. This entry was subsequently cancelled in the ledger.

A/c 956 Krishna Devi (Loose Leaf No. 624721)

On 15-10-1980 one credit entry for Rs. 1500/- was made in the ledger by Shri R. N. Sharma and subsequently on 19-12-1980 the ledger entry was cancelled by him.

A/c 1282 Parmanand (Loose Leaf No. 195804)

On 02-04-1981 ledger shows credit of Rs. 1000/- which was not entered in Scroll and in Cash Receipt Book. On 30-04-1981 an amount of Rs. 1050/- was allowed to be withdrawn against the said credit. On the back of withdrawal slip the signature of Shri R. N. Sharma appears and which shows that he had taken the payment and later on 13-06-1981 a sum of Rs. 910/- was deposited by Shri R. N. Sharma under his signature in the deposit slip.

A/c 1005 Sri Ram Vahti (Loose Leaf No. 524771)

On going through this account it has been revealed that entries made in ledger and pass-book do not tally. On 04-10-1980 a debit of Rs. 1200/- was entered in the ledger and again on 03-04-1981 a sum of Rs. 1200/- was credit in the party's account and balance was increased by that amount. Later on 07-04-1981 the balance was corrected by Shri R. N. Sharma.

A/c 1310 Rook Kaur (Loose Leaf No. 195979)

Sometime in March, 1981 a sum of Rs. 1300/- was debited in the ledger account of the party and later in July

1981 the balance was changed and corrected by Shri R. N. Sharma in the ledger as well as in the balance book.

A/c 177 Sardare (Loose Leaf No. 195671)

On 14-04-1981 a credit entry of Rs. 2000/- was made in the ledger as well as in the pass-book of the party under the signature of Shri R. N. Sharma though no such entry was available in the Scroll and in Cash Receipt Book. Again withdrawal of Rs. 1000/- Rs. 300/- and Rs. 100/- were allowed against the said deposit, although no such deposit as per bank's record was made but the said withdrawal of Rs. 1400/- were allowed (whereby the A/c stood over drawn by Rs. 951.59).

It has also been revealed that on 15-06-1981 the following amounts in cash were deposited in the parties' accounts without any signautre of the depositor in the vouchers :—

| Account No. | Amount    |
|-------------|-----------|
| 1317        | Rs. 230/- |
| 1364        | Rs. 300/- |
| 1392        | Rs. 50/-  |
| 1445        | Rs. 200/- |

“The aforesaid acts of Shri R. N. Sharma are prejudicial to the interest of the Bank constituting gross misconduct within the meaning of para 19.5 (i) and 19.5 (j) of the Bipartite Settlement.”

It is stated that the bank has also filed an FIR in regard to various acts committed by the workman concerned. Shri Ram Niwas Sharma and the police after investigation filed a charge sheet in the Court. In view of this the bank had kept the disciplinary action against the workman concerned in abeyance. It is stated that after the charge sheet was filed by the police in the Criminal Trial Court, further proceedings were held and the latest position in this case as informed by the police to the bank is that the case was fixed for the evidence of the prosecution on 31st March, 1994. Further information regarding proceedings in the court have not been received from the police so far.

It is stated that further investigations revealed that the workman concerned, Shri R. N. Sharma was involved in further acts of gross misconduct for which he was served with a memo dt. 25-06-1986. A reminder was issued to this memo dt. 19-09-1986. It is mentioned that even after a lapse of about three months the workman concerned did not submit explanation to the said memo. Hence the bank proceeded in the matter on the basis of available facts and issued him a charge sheet dt. 15-12-1986 in which following charges were levelled against him :—

“On 31-01-1981, Shri R. N. Sharma while working at B/o Shahbad Mohd Pur had received the following amounts for credit of under noted accounts

mentioned against each, from the respective depositors :—

1. Rs. 100/- for credit of RDS A/c 103 Shri Deep Chand Saini.
2. Rs. 100/- for credit of RDS A/c 185 Shri Raj Kumar Saini.

In case of RDS A/c 103 relating to Shri Deep Chand Saini, Shri Sharma got one pay-in-slip for Rs. 100/- scrolled and accounted for amount but in the case of RDS A/c 185 pertaining to Shri Raj Kumar Saini, Shri Sharma neither got the pay-in-slip for Rs. 100/- scrolled nor accounted for.

However, Shri Sharma had made the credit entry of Rs. 100/- each in the respective pass books of the above mentioned accounts duly initialed by him with a view to dupe the cited accounts holders and took monetary advantage thereof. The pay-in-slip of Rs. 100/- pertaining to RDS A/c 103 was duly posted in Bank ledgers. But subsequently, Shri Sharma had intentionally changed the account No. 103 to 185 by tempering with bank's records so as to show as if the amount of Rs. 100/- was originally deposited in the account of RDS 185. His mischievous motive was self-vitiated as Shri Deep Chand Saini's name remained unaltered, bearing scroll no. 3 and recorded as “RDS 103 account Deep Chand” in Cash Receipt Book and thus he has pocketed a sum of Rs. 100/- paid in by Shri Raj Kumar Saini's RDS 185 for depositing in his RDS A/c.

“The aforesaid acts of Omission/Commission on the part of Shri Ram Niwas Sharma constitute gross misconduct within the meaning of Clause 19.5 (j) of the Bipartite Settlement.”

It is stated that the workman concerned was advised vide the said charge sheet that he will be allowed to be represented by a representative of a registered trade union of the bank employees of which he is the member. The bank submits that as a matter of fact the workman concerned was represented by the President of the Central Bank Staff Union, Shri Tara Chandra Gupta during the course of the entire enquiry proceedings.

The workman applicant has filed rejoinder.

In his rejoinder, he has denied most of the paras of the written statement and has stated that no show-cause notice was given to him. No opportunity of submitting application was given to him. His guilt was pre-judged. The fraud alleged related to January, 1981 whereas the charge sheet was given to him after five years.

Both the parties have adduced evidence.

Heard arguments from both the sides and perused the papers on the record. It was submitted from the side of the workman applicant that principles of natural justice have not been followed and he has not been afforded opportunity to properly cross-examine the witnesses and to give sufficient evidence. I have perused the enquiry report. He has participated fully in the enquiry and he was given one employee of the bank to assist him. As such,

the enquiry is quite fair. Principles of natural justice have been followed. It was further submitted by the workman applicant that there was inordinate delay in instituting the enquiry. The alleged fraud was committed in 1981 whereas charge sheet was issued to him on 15-12-1986. As such, proper documents were not available. From perusal of the enquiry, it transpires that two charge sheets have been issued to him. One charge sheet was issued on 26-7-1983 and the second charge sheet was issued on 15-12-1986. It has been alleged that he has misappropriated money from several HSS accounts. A detailed charge sheet has been given to him and every entry has been specifically mentioned. The accounts in which fraud has been committed has been mentioned in the body of the award. They need not be mentioned again. The witnesses in the enquiry proceedings as well as in the court have supported the fraud of the workman applicant. He was given show-cause notice and he gave explanations to the notice also but his explanation was not found satisfactory so charge sheet was issued to him. He has made embezzlement in several accounts. Those embezzlements were detected within 3-4 years so two charge sheets have been given to him. The enquiry officer has conducted the enquiry according to the principles of natural justice. He has deposited some of the money allegedly embezzled by him.

It was submitted from the side of the workman that extreme punishment has been given by the disciplinary authority as well as the appellate authority. The enquiry officer did not apply his mind while finding the charges proved. The Appellate and Disciplinary Authority have not also acted judiciously. I have perused the orders of the Disciplinary Authority and the Appellate Authority. The orders are supported by reasons. The enquiry officer has also reached the conclusion of sufficient evidence. As such, the enquiry is quite fair. It requires no interference. The management has cited several rulings to substantiate the fact that enquiry was proper and principles of natural justice has been followed and the punishment was also proper. There was heavy embezzlement so the punishment of dismissal was quite correct. The workman applicant was working on the post of trust and repose and he has caused valuable loss to the bank so the punishment of dismissal in the instant case is quite appropriate. I have perused 1991 LAB-I cases, 1339 and 1992 LAB I cases, 1585. The law cited by the management are perfectly applicable in the facts and circumstances of the present case. The law cited by the workman applicant is not applicable in the facts and circumstances of the present case. No interference is required.

The reference is replied thus :—

The action of the management of Central Bank of India, New Delhi in dismissing Shri Ram Niwas Sharma, Assistant Cashier with effect from 14-01-1988 is justified. The workman applicant is not liable to get any relief as prayed for.

The award is given accordingly. Costs easy.

2. In this case neither the concerned workman nor his representative found present. Management, however, made appearance through their learned Advocate. It transpires from the record that in spite of issuance of repeated notices the concerned workman or his representative did not consider necessary to appear to take steps in connection with this case. This is a case of 2004. Considering the conduct of the sponsoring union/workman it shows clearly that they are not interested to proceed with the hearing of this case. In the circumstances, there is no justification to adjourn the case for days together *suo moto* by this Tribunal. Hence, the case is closed and a 'No dispute' Award is passed in this reference presuming non-existence of any industrial dispute between the parties.

#### AWARD

1. The Central Government by exercising the powers conferred by clause (d) of sub-section 2A of the Section 10 of the Industrial Disputes Act, 1947 has referred this dispute vide order No. L-12012/149/2002 (IR-B-II) dated 11th December, 2002 for adjudication on the following schedule :

#### SCHEDULE

“Whether the action of the Management of Syndicate Bank, Zonal Office, Gandhinagar, Bangalore is justified in imposing the punishment of dismissal from service in respect of Shri R. Shanmukhappa, Ex-Clerk Syndicate Bank, Hutti Branch, Lingasugur Taluk, Raichur Distt. Karnataka State w.e.f. 31-8-1999? If not, what relief the workman is entitled to?”

2. On the receipt of the reference from the Government, it was registered and notices were taken against the respective parties. First party made appearance through counsel, Shri Dharendra N. Katti on 25-2-2003 and the Second Party management also came on record through counsel, Shri Ramesh Upadhyaya. From 25-2-2003 till 28-7-2004 i.e. from a period of about 5 months, the case under went several adjournments affording opportunity to the first party to submit his Claim Statement and since the first party failed to do so, the matter came to be posted for filing of the Counter Statement, if any, by the Second Party Management and the management also has chosen not to file any Counter Statement and therefore, this award.

3. As noted above, despite the several opportunities given to the first party and despite the fact that he made his appearance before this tribunal through counsel, no attempt was made on his part to file the Claim Statement. From the order sheet maintained by this tribunal it can be further seen that from 15-4-2004 onwards, neither the first party nor his counsel took pains to be present before this tribunal let alone filing the Claim Statement. Therefore, from the above conduct of the first party it is crystal clear that he is no more interested in the proceedings. Of course, as per the point of reference, noted above, the primary burden was cast upon the management to justify the punishment of dismissal of the first party w.e.f. 31-8-1999. However, since the first party himself is not coming forth by filing the Claim Statement, much less, making out a case as to how he is justified in challenging the dismissal order passed against him and as to how the management was wrong in passing the impugned punishment order, the management is not supposed to, rather, need not be called upon to justify its action against the first party. Therefore, in the light of the conduct of the first party, it is to be presumed that he is not interested in the prosecution of the case and in the result there is no point in keeping the proceedings any more pending. Hence the following Award.

#### AWARD

The reference is rejected for non prosecution. No order to cost. (Dictated to PA transcribed by her corrected and signed by me on 13th December, 2004).

#### AWARD

The Ministry of Labour by its letter No. L-42012/128/97-IR (DU) Central Government Dtd. 03-7-1998 has referred the following point for adjudication.

The point runs as hereunder :—

“Whether the denial of promotion of Sh. E.S. Sanil Kumar to the post of Steno Grade-II w.e.f. 1-7-93 and denial of difference of salary on the principle of equal pay for equal work from 1-7-93 onward by the management of All India Radio, Akashwani Bhawan,

New Delhi is legal and justified? If not, to what relief the workman is entitled”.

The claimant has filed statement of claim. In the statement of claim, it has been stated that the workman Sh. E.S. Sanil Kumar joined into the employment of the All India Radio w.e.f. 9-7-91 as a L.DC in proper pay scale and allowances (in the pay scale of Rs. 950-1500). He has unblemished and uninterrupted record of service to his credit.

That the workman aforesaid has been assigned the job of Steno Grade-II w.e.f. 1-7-93 against a vacant post, lying vacant since 1990, which carries the pay scale of Rs. 1400-2600 with usual allowances admissible under the rules. The workman has made various representations for his promotion/regularisation on the post of Steno Grade-II but no fruitful result has been yielded.

That the workman has been working to the entire satisfaction of his superiors who have recommended his case again and again but no fruitful result has been yielded and for that reason it has been decided to raise an industrial dispute under the industrial dispute Act, 1947.

That the action of the management is violative of the directions of the Hon'ble High Court of Delhi in case of MCD V/s Lalit Mohan according to which regularisation of services shall be made on post to post and point to point basis. That the job of the Steno Grade-II against which the workman aforesaid has been working since 1-7-93 is a permanent and regular nature of job.

That the workman aforesaid has been working as a Steno Grade-II independently and satisfactorily and the same has been verified and testified by the supervisory officers/supervisory staff under whom he has been working. That the action of the management is violative of the principle of “equal pay for equal work” as enshrined in article 39(d) of the Constitution of India.

That the action of the management amounts to unfair labour practice as provided in Section 2(ra) read with item No. 10 of the Vth schedule of the Industrial disputes Act, 1947 as the workman has been deprived of proper salary and status by paying him lesser remuneration than those to which he was entitled i.e. the pay scale of Rs. 1400-2600, now revised to Rs. 5500-9000 w.e.f. 1-1-96.

That a demand notice was served upon the Director General of All India Radio by registered A/D post vide communication dated 18th February, 1997 with a copy thereof to the Director General (news), news service division, All India Radio, New Delhi, duly received in their offices but no reply was received and it was presumed that the demand has been rejected. Thereafter the dispute was raised by filing a statement of claim before the conciliation officer (Central), New Delhi. The conciliation proceedings were initiated by the conciliation officer (Central) but resulted in failure because of the adamant and non-cooperative attitude of the management. Hence this reference.

It is therefore prayed that an award be made in favour of the workman holding thereby that the denial of promotion of Sh. E.S. Sanil Kumar to the post of Steno Grade-II w.e.f. 1-7-93 and denial of difference of salary on the principle of "Equal pay for equal work" from 1-7-93 onward by the management of All India Radio, Akashwani Bhawan, New Delhi through Supdtg. Engineer, HPT, Khampur, Delhi-36 is illegal and unjustified and he be held entitled to be promoted to the post of Steno Grade-II w.e.f. 1-7-93 in proper pay scale and allowances and with all arrears thereof on the principle of "equal pay for equal work" from 1-7-93 onward. The cost of litigation as provided in Section 11(7) of the Industrial Disputes Act, 1947 may also be awarded to the workman.

The management/respondent has filed WS. In the WS it has been submitted that the claim petition as framed and filed is not maintainable. That the present reference is bad in law, without application of mind and in a stereotype manner hence liable to be dismissed. That the above claimant has no *locus standi* to file this claim against the respondent management being there no industrial dispute between the parties.

That the claim is not maintainable as there arises no cause of action against the management and in the favour of the claimant. It is absolutely wrong and specifically denied that workman has been assigned the job of Steno Grade-II w.e.f. 1-7-93 against a vacant post. It is pertinent to mention here that he was only attached to vigilance section. After careful consideration the request of claimant was turned down on the reason that the post of LDC and Steno Grade-II are distinct and separate with separate recruitment rules. There is no direct recruitment to the post of Steno Grade-II. Appointment to Steno Grade-II is made only 100% on promotion from the post of Steno Grade-III.

So the question for regularisation as Steno Grade-II does not arise. It is pertinent to mention here that the claimant has been paid as per rules and regulations provided under the law. Hence the question of giving any further monetary benefit does not arise.

It is submitted that the claimant has been paid as per rules and regulations, he was only attached to vigilance section as LDC and paid for the same. It is therefore prayed that the claim petition of the workman may kindly be dismiss with heavy cost in view of facts stated above.

The workman applicant has filed rejoinder and he has reiterated the averments of his statement of claim. The management has denied almost all the paras of the statement of claim. Evidence of both the parties has been taken.

Heard arguments from both the sides and perused the papers on the record. It is admitted that the workman applicant was appointed at the post of LDC from 9-7-1991. It is also admitted that the work of Steno was taken from him since 1-7-1993. MW/1 has stated in his cross-examination dtd. 12-1-2001 that he was given the job of Steno from 1-7-1993. The management witness has

categorically stated that it is correct that the work of Steno Grade-II is being managed by Clerk Grade-II LDC. As such, it is admitted that the workman applicant has been discharging the duties of Steno Grade-II from 1-7-1993. It was submitted from the side of the management that there are no rules for the change of LDC to the post of Steno and there is no rule to promote an LDC to the post of Steno Grade-II. It was submitted that the Court has no jurisdiction as the management is not an industry. The management is an industry in view of the Bangalore Water Supply so there is no force in this argument.

My attention was drawn to 1987 SCC (Lab) 32, the Hon'ble Supreme Court has held that persons in continuous officiation for about 7 years are entitled to pay and allowances equal to Regular and permanent employees.

It has been held in 1986 1 LLJ 134 (SC) that equal pay should be given for equal work. The management has not been able to explain as to who discharged the duties of Steno Grade-II. The workman applicant is discharging the duties of Steno Grade-II and according to the judgement of 1987, SCC (Lab) 32, 7 years officiation entitles an employee to become a permanent employee on that post and to get all the benefits of a permanent employee. Admittedly, the workman applicant is discharging the duties of Steno-Grade-II from 1-7-1993. As such, he is doing the work of Steno Grade-II for almost 12 years. As such, he is entitled to all the benefits that accrue to Steno Grade-II. In view of the Bangalore Water Supply, AIR is an industry. There is a systematic activity. They charge fee for advertisements and it partakes of the nature of trade. As such, the management is an industry in view of the judgement of the Bangalore Water Supply of the Hon'ble Supreme Court.

The law cited by the workman applicant are fully applicable in the facts and circumstances of the case. The law cited by the management are not applicable as the rules cannot override the findings of the Hon'ble Supreme Court and the Hon'ble High Court. Even if the rules do not permit in view of the decision of the Hon'ble Supreme Court, the workman applicant has become a permanent Steno Grade-II and he is entitled to all the benefits of a permanent Steno Grade-II.

The reference is replied thus :—

The denial of promotion of Sh. E.S. Sanil Kumar to the post of Steno Grade-II w.e.f. 1-7-1993 and denial of difference of salary on the principle of "equal pay for equal work" from 1-7-1993 onward by the management of All India Radio, Akashwani Bhawan, New Delhi is neither legal nor justified. The workman applicant deserves to get all the emoluments and the benefits of Steno Grade-II w.e.f. 1-7-1993 till the date of payment. The management is directed to pay the difference of wages by way of arrears from 01-07-1993 till the date of payment. In case, the management fails to pay him the arrears of the wages of

Steno Grade-II as directed within two months, the workman applicant will be entitled to get an interest of 12% per annum over the entire arrears that become due. No order as to costs.

The award is given accordingly.

**AWARD**

The Ministry of Labour by its letter No. L-42011/44/95 IR-(DU) Central Government Dt. 27-6-1996 has referred the following point for adjudication.

The point runs as hereunder :—

“Whether the action of the superintending Engineer, Coordination Circle (Elect), CPWD, New Delhi, by not counting the date of seniority of Sh. Khushi Ram and by not promoting to the post of operator is justified? If not, to what relief the workman is entitled to.”

The claimant has filed statement of claim. In the statement of claim, it has been stated that the petitioner Sh. Khushi Ram was appointed in the department on 14-6-1960 as a cleaner in Air Condition No. II. That the petitioner was promoted as Asstt. Operator on 6-4-64 vide department promotion committee in the grade of 85-2-95-3-110. In order to change the designation from operational side to the serviceman who are to be promoted upto to foreman category. In order to coop this deficiency the department again promoted the petitioner on 24-6-69 again as Asstt. Operator. This promotion should have been made as serviceman and not as Asstt. Operator. However, the petitioner remained in the post. He constantly prayed to the deptt. that he may be given the designation of operator or mechanic in the deptt. Even in the designation of Asstt. Operator, he continued discharging the duty of mechanic.

That the petitioner has passed the trade test of the operator on 9-5-73 but he was not promoted in the case. Also the deptt. had issued letter on 11-1-80 that the concerned workman has passed the test of the operator but was not promoted in that very designation. It is quite unjustified and improper for not promoting the petitioner to the higher designation. The unjustified action of the department is evident from the fact the employee having quite lesser length of service or equal length of service were promoted even to the post of the Foreman, Mechanic etc. some of their names are given as under :—

1. Sh. Gurcharan Dass was promoted as Workmen;
2. Sh. Jai Singh was promoted as Sr. Mechanic;
3. Sh. Bhushan Singh as Sr. Mechanic, and
4. Sh. Mahinder Pratap was promoted as Sr. Mechanic.

There are also other few employees of equally situated in tenure of service. There are other persons also who have been promoted to higher designation ignoring the right of the petitioner.

That the petitioner had made so many representations to the respondent including dated 15-11-91, 19-12-91 and 12-2-92, wherein it was clearly mentioned that great injustice has been done to the petitioner but the respondent management has paid no heed to the request of the workman.

That the petitioner was at the verge of retirement and now he has been retired even and how it is said that the employee who had served the department for about 30 years has not got the due promotion at all, although he

had passed the tests in this matter, yet the department had not issued a letter for the promotion to the concerned workman who had passed the test and promoted as operator vide letter No. 10(59-80)DCEC-I/169-81 dated 11-1-80. According to this letter the deptt. had issued list of employees. The petitioner's name appears on S. No. 43, the name appearing in this letter even juniors were promoted to a designation of operator but the petitioner as ignored with some enmity of the officer or with some malafide intentions of some of the officers.

That the claim of the claimant that he should be promoted as full operator and presently being paid to the petitioner till his retirement be taken into consideration and the full arrears of the amount less paid to him be paid to the claimant considering his case as entitled to the post of full operator in view of letter dated 11-1-1980.

The management/respondent has filed W.S. In the W.S. it has been submitted that Sh. Khushi Ram was appointed as cleaner in the department on 15-7-60 (not on 14-6-60 as claimed by the worker). He was recategorised as Khalasi on 15-7-62 due to merger of the post of cleaner with Khalasi. He was promoted as Asstt. Operator (E&M) on 9-4-64. The worker was reverted to the original post of Khalasi on 25-11-67. At this stage it is not possible to find out reasons of reversion. However worker has never objected to this reversion.

He was promoted as Asstt. Operator, E&M (AC & Refg.) on 24-6-69. The worker claims to have passed trade test for serviceman (E&M) in 1966-1967. No record of the trade test are available at this belated stage. However from available records, it is noticed that the worker on his own accepted the post of Asstt. operator on 24-6-69 as this promotion came earlier and he had already waited for 2.5 years for the post of serviceman.

The worker made a request for change of category from Asstt. Operator to serviceman in 1972 and his application was rejected by his Executive Engineer (Elect) vide his letter No. 15(22)/72-Dated.II/8166 dated 19-6-72.

The worker passed trade test for the post of operator in 1980 and was promoted on 15-4-94 with notional seniority from 5-1-94. It would be seen from the promotion order that Asstt. Operators in general category of seniority of 11-12-61 have been promoted during 1994. As such Sh. Khushi Ram has been promoted in turn with other Asstt. operators. Comparison with other categories is not justified as promotion to those categories was restricted to feeder grade as provided in their (recruitment rules) R/Rs to which Sh. Khushi Ram did not belong. Sh. Khushi Ram's application is an after thought that had he waited for his turn for promotion to serviceman, he would have had better career advancement. It is submitted that the post of Khalasi is the lowest level post in the department from which workers have choice of promotion to a number of specialized categories depending upon their fulfilling the requirement of recruitment rules for the post. Once a worker has been promoted to a particular feeder his

seniority is to be decided with reference to other members of the feeder. He is neither provided option to change his category at a later stage not is allowed to compare his seniority with members of other feeders.

Sh. Khushi Ram has since superannuated from Govt. service on 31-5-94. His case can not be considered at this stage. In view of above, it is prayed that the ID No. 70/1966 may be dismissed.

The claimant has filed rejoinder. In his rejoinder, he has denied most of paras of written statement and has reiterated the averments of his statement of claim.

Heard arguments from both the sides and perused the papers on the record.

It was submitted from the side of the workman applicant that he was appointed on 14-6-1960 and he was retired in 1994. He passed trade test in 1980. He has not been promoted with the others. Even juniors to him have been promoted. It was submitted from the side of the management that he was promoted as Asstt. Operator but he was reverted on 09-04-1994. The papers of his reversion are not available due to long gap of time. From the post of Khalasi, he was promoted as Asstt. Operator on 24-6-1969. It is not known on what grounds he was reverted and again how he was promoted. The worker on his own accepted the post of Asstt. Operator on 24-6-1969. No record of trade test are available at this belated stage. The workman applicant was promoted alongwith others. He made a request for change of his category to serviceman in 1972 and his application was rejected by his Executive Engineer vide his letter No. 15(22)/72-DED-II/816 dt. 19-6-1972. It was further submitted by the management that the category cannot be changed and he was promoted as Asstt. Operator on 24-6-1969. His seniority will be continued from that date of promotion. He has already waited for 25 years for the post of serviceman. He was promoted on 05-01-1994 according to his seniority. No juniors to him have been promoted. He wanted to be promoted at the post of serviceman but he was a Khalasi and he cannot be promoted to serviceman. He was promoted to Asstt. Operator. The workman applicant was promoted in 1969 as Asstt. Operator if his seniority was undermined then he ought to have made representations and in case his representations were rejected, he should have filed ID case within time. His representation was rejected in 1972 but he sat silent and after two years of his retirement, he has moved this case after a gap of 25 years. The Limitation Act is not applicable in the ID Act cases but delay and laches deprive a man of his requisite rights. The papers regarding his service are not available so the management is not a position to say anything as to how he was reverted. The workman applicant has not filed the papers.

It was submitted from the side of the management that after retirement, the workman applicant cherished second thought and he filed his case. In case, his letter for promotion to serviceman was rejected, he should have

filed the case. The Limitation Act. is not strictly applicable but the case of the workman applicant deserves to be rejected on the ground of a long gap. He has not proved that juniors to him have been promoted. He did not want to join the post of Operator. He wanted to be promoted as serviceman and due promotion was given to him according to the management in January, 1994. As such, I find no force in the case of workman applicant. My attention was drawn to 1980(1) SLP Page, 390, I have perused the law. This judgement is not applicable in the facts and circumstances of the case due to long delay and laches on the side of the workman applicant.

The reference is replied thus :—

The action of the superintending Engineer, Coordination Circle (Elect), CPWD, New Delhi, by not counting the date of seniority of Sh. Khushi Ram and by not promoting to the post of operator is justified. The workman applicant does not deserve to get any relief as prayed for.

The award is given accordingly.

**AWARD**

The Ministry of Labour by its letter No. L-13011/3/98 IR-(DU) Central Government Dt. 13-11-1998 has referred the following point for adjudication.

The point runs as hereunder :—

"Whether the action of the management of Delhi Cantonment Board in rejecting the candidature of Sh. Surat Singh for the post of pump operator is justified after taking into account the provision for relaxation of qualification and experience prescribed for the post in the notification dated 2-7-87? If not, what relief the workman is entitled to do".

The claimant has filed statement of claim. In the statement of claim, it has been stated that the workman Sh. Surat Singh S/o Sh. Bhundu Ram, R/o H. No. B-6, East Sagar Pur, Gali No. 11 Palam Road, New Delhi-110046 is a member of the Delhi Chawani Board Karamchhari Union. He has an uninterrupted and unblemished record of services to his credit with the management i.e. Delhi Cantonment Board.

That the workman, belonging to the scheduled caste was appointed as labourer in the Delhi Cantonment board on 20-3-68. He was however promoted as a pump operator vide order No. 248, dated 22-9-72 issued by them Cantonment Executive Officer Mr. D.R. Paul. However the workman was continued to be paid the pay scale of a sweeper. The management however designated the workman as a valveman in 1984 vide order No. 144 dated 7-5-84.

That the management has been taking the work of a pump operator from the workman right from 1972 and continues to do so till date. That the said workman has continued working as a pump operator performing the duties and discharging the responsibility of a pump operator independently and to the satisfaction of the management. It is submitted that there is no difference in the work performed by the concerned workman, the responsibilities discharged by the concerned workman and those performed by the regular pump operators. It is further submitted that the workman concerned has been and is subject to the identical service conditions including the identical disciplinary regime as is applicable on the regularly appointed pump operators. The management however with the aim and intention of denying the

concerned workman of his rightful wages and has been treating the workman as a sweeper/valveman on paper and thereby paying him the wages of a sweeper/valveman; while his counterparts who are also doing identical work in all respects were paid their salary in the normal pay scale of a pump operator with usual allowances admissible under the rules applicable to the management.

The same has been done with the sole aim of denying the concerned workman of the regular pay and allowances of a pump operator for the work being performed by the workman. It is submitted that the same amounts to commission of unfair labour practices as enumerated under the fifth schedule of the Industrial Disputes Act, 1947.

That the workman has been regularly representing against the injustice being meted out to him by way of regular representations. The workman concerned has consistently represented that he has been working as a pump operator since 1972 and regularly since 1984 and therefore, his services should either be regularised as pump operator or he should be appointed as pump operator in the regular pay scale with usual allowances. However, he has not received any reply from the management with respect to the same. It is submitted that the management has even promoted/appointed employees junior to the workman as pump operators. In the year 1988, the management appointed Sh. Jain Bhagwan, a fireman, as pump operator. It is submitted that the said person had never even rendered any service as pump operator. The management has therefore been adopting an appointment policy which is not only blatantly unfair, illegal, arbitrary but is based on the principal of "pick and choose".

That the management has continued to take the work of a pump operator from the concerned workman while paying him wages and allowances of a sweeper/valveman, which are substantially less than that of a pump operator. It is submitted that the said workman is qualified for the post of a pump operator as he fulfils the qualifications as laid down in the Gazette Notification dated July 2, 1987, which is applicable on the management. Even other wise it was the right of the said workman to be considered for the post of pump operator. The concerned workman therefore under law should have been regularly appointed as pump operator by the management and paid the regular wages along with the usual allowances.

That the action of the management in making the concerned workman work as a pump operator while paying him the wages of a sweeper/valveman, is unjust and arbitrary. The management has not bothered or cared to respond to the representations of the concerned workman or the union.

The obstinate and adamant attitude of the management forced the union to take necessary action by raising an industrial dispute on 19-11-96. The management however continued to play their games and adopt an anti labour attitude during the conciliation proceedings also.

On 16-10-97, before the conciliation officer, Sh. Khushal Singh, Assistant Labour Commissioner (C) the management represented that they would appoint the workman as a pump operator. However, they did not even consider the workman for the said post. The aforesaid statement was made by the management only to mislead the said workman the conciliation officer. The proceedings were closed. It was much later when the management did not take any action and showed no intention of fulfilling its promise the said workman had to have the conciliation proceedings revised.

The respondent management has employed the said workman as a pump operator but instead of regularising his services or appointing him de jure also as a pump operator has chosen to keep him as a sweeper/valveman. this act of the management amounts to unfair labour practices and is also violative of articles 14, 21 and 39 of the constitution of India. It has to be remembered that the management is "state" within the definition of article 12 of the constitution of India and therefore unlike any other employer has greater responsibility towards its employees. The said act on part of the management respondent is also not in consonance with various Supreme Court Judgements, wherein the Government has been time and again called upon to be a "model employer" and not to indulge in any unfair labour practice and the exploitation of the labour.

That the above action of the management is wholly illegal, bad, unjust and malafide and amounts to exploitation of the labour and unfair labour practice. That a representation/demand notice was given by the said workman on 7-6-96 to the chief executive officer, Delhi Cantonment Board, Delhi which was duly received by his office on the same day. However no reply was received and it is therefore presumed that the said demand had been rejected.

That thereafter a dispute was raised by filing a statement of claim in the office of the Regional Labour Commissioner (c) on 19-11-96. The conciliation proceedings were initiated but resulted in failure because of the adamant and non co-operative attitude of the management. Hence this reference.

The management/respondent has filed WS. In the WS it has been submitted that the workman was appointed as temporary mazdoor in March 1968. Later under the office letter no. 12/VI/ad-hoc dated 30-10-73 his services were terminated. Thereafter again on his request on 16th November 1973 vide letter no. 12/VI/ad-hoc, the workman was appointed as Sweeper. Later on his appointment as sweeper was confirmed. In May, 1984 the workman was designated as valveman. Till date the workman is continuing as a valveman.

That the requisite qualifications for the post of pump operator are prescribed under Gazette notification No. 9/17/82 published in part III of the Delhi Gazette, Delhi

Administration. The qualifications applicable to the board for the post of pump operator are (i) Metric pass and (ii) certificate in electrical or equivalent from ITI or any other recognized institution. However the workman does not possess the requisite qualifications for the said post. Moreover as per the CFS rules the post of pump operator is not a promotional post. It is submitted that the said post is direct recruitment post and only qualified candidates may be recruited against the post.

It is submitted that the terms of reference are misconceived. It is submitted that there is no order as to relaxation of requisite experience/qualification in case of recruitment of pump operators. The only relaxations available is with regard to the age which is applicable in case of departmental candidates alone. However a candidate not fulfilling the requisite educational qualifications is not entitled to any consideration for the post of the pump operator.

It is denied that the workman was appointed as a pump operator vide order No. 248 dated 22-9-72 issued by the then cantonment executive officer Mr. D.R. Paul. It is submitted that in the year 1972, due to manpower contingencies and constraints vide the said letter the workman was appointed as pump operator on temporary and ad-hoc basis. It is submitted that this ad-hoc appointment did not confer any right to any permanent post. Moreover the services of the workman were terminated vide management office letter dated 30-10-73. Later on he was appointed as sweeper in November, 73. It is also not denied that the management designated the workman as valveman in 1984 vide its order No. 144 dated 7-5-84. However, it is submitted that since both the posts i.e. that of sweeper and valveman are of class IV and having the same pay scale, the workman was not entitled to any increase in the pay.

It is denied that the management has been taking the work of a pump operator from the workman since 1972 and continues to do so till date. It is submitted that the workman was appointed as a pump operator on temporary basis and thereafter in the year 1973 his temporary services were terminated. It is denied that the workman has performed the duties of a workman independently.

It is submitted that since he did not possess the requisite qualification or the trade certificate as per the norms laid down by the Delhi Administration (now Government of NCT of Delhi) in the notification number F. 9/17/82-LSG dated 31-12-82 and the Gazette Notification of Delhi Administration, Delhi of July, 1987. It is denied that any person without having the requisite qualification for the post of pump operator was ever appointed a pump operator by the management. It is also denied that the management ever adopted an appointment policy which was unfair, illegal or arbitrary. Besides the fact that the post of a pump operator is a non-promotional one, the workman does not possess the requisite qualifications for

the said post. The question therefore of regularising his services cannot arise.

It is denied that the management has continued to take the work of a pump operator from the concerned workman while paying him wages and allowances of a sweeper/valveman. It is submitted that in the year, 1968 the workman was appointed as a temporary mazdoor. His services were terminated under this office letter No. 12/VI/Ad-hoc dated 30-10-73. Later on, on his request in November, 1973 he was appointed as a sweeper under F-9 (A.F. Area) on purely temporary basis with the condition that in case the sanction for competent authority is not received the services can be terminated and he will not be entitled to the posts as a matter of Right. Later on his appointment to the post of sweeper was confirmed.

It is submitted that the workman is an illiterate person and does not possess the qualifications as mentioned in the preceding paragraphs. It is further denied that even otherwise it was the right of the workman to be considered for the post of Pump Operator. As submitted above the management can appoint only such candidates for the post of pump operator who possess the requisite qualification or the trade certificate as per the norms laid down by the Delhi Administration in their notification as given above.

It is stated that the respondent management appointed the said workman as a pump operator in the year 1972 on temporary basis and thereafter his services were discontinued, under law the workman does not have any right or claim to the post of pump operator. Moreover, the workman is not possessing the requisite qualifications stated above.

The management has denied most of the paras of the statement of claim. The claimant has filed rejoinder and in his rejoinder, he has stated that he has sufficient duty of a Pump Operator though he was not initially appointed as Pump Operator but the duty of Pump Operator have been taken from him for a long period, as such he should get the salary of the Pump Operator and he should be continued at the post of Pump Operator. It was submitted from the side of the workman applicant that by office order dt. 17-08-1990, he was appointed reliever at Old Nangal Village. As such, he started the work of Pump Operator from 17-08-1990. According to office order dt. 17-09-1992, he was given the duty of Pump Operator. By order dt. 11-12-1992, again he was given the duty of Pump Operator. By order dt. 25-3-1993, he was given the duty of Pump Operator and by order dt. April, 1993, he was given the duty of Pump Operator and on 14th August, 1993 he was appointed reliever. He was given the duty of Pump Operator w.e.f. 6-5-1996 and he worked at the post of Pump Operator for more than 7 years. The papers submitted by the workman applicant have been denied by the management. No doubt, these papers are photocopies but

they bear the signature of the person who distributed the duty to the workman applicant for doing the work of Pump Operator. It is but natural that the original papers would be in the possession of the management. The management has been asked to produce those papers but the management has not produced the papers. It was submitted from the side of the management that initially the workman applicant was not appointed pump operator but according to the workman applicant, he has worked on the post of Pump Operator right from 20-07-1987 to 07-06-1996. It was further submitted from the side of the management that the workman applicant did not possess the requisite qualification and he was not interviewed for the post of Pump Operator. There is no rule for promotion to the post of Pump Operator. The workman applicant did not possess the requisite qualifications.

It was submitted from the side of the workman applicant that qualification was relaxed by Delhi Gazette registered No. D/187 on 2nd of July, 1987. According to that Gazette, 5 years experience is required for the post of pump operator. It has also been mentioned that the post will be filled up by promotion 100%. In case, it is not possible, it shall be filled directly for the pump operator. It has been specifically mentioned that the post is to be filled up by promotion and only qualification required is 5 years, practical knowledge of operation IC Engine and electric motors. It was further submitted from the side of the workman that the workman applicant has filed photocopies according to which he was posted as Pump Operator from 17-08-1990 and he has worked almost upto 6-3-1996. So he has worked for more than 5 years as Pump Operator in the same department as such, it is presumed that he has absolute knowledge of the operation of the IC Engine and electric motor prior to 1990 and he was given the duty of Pump Operator from 17-08-1990. As such, he has more than 5 years experience of operation of the pump of the management itself. The management has assigned him duty after ascertaining his qualification and practical knowledge of the operation of the electric motor and IC engine so it shall be deemed to be admitted by the management that the workman applicant has complete knowledge of the operation of IC Engine and electric motor. He has worked from 17-08-1990 to 1996-97 so he has more than 5 years experience and according to the Gazette dt. 2nd of July, 1987, he deserves to be promoted automatically to the post of Pump Operator in view of his previous posting as Pump Operator in the management itself. It is paradoxical that the management is taking duty of Pump Operator and arguing that his not minimum qualification.

My attention was drawn to 1986-4-LLJ-SC Page, 134, the Hon'ble Supreme Court has held that a person performing the identical work should get identical pay. The Hon'ble Supreme Court has pronounced the principles

of equal pay for equal work in 1987-SCC-LAB-32. It has been held by the Hon'ble High Court in 1995-LLR-438 that in case, an employee is performing the duties for a considerable period, he should be deemed to be permanent on that post and he is entitled to get the emoluments of that permanent post. It was further submitted by the workman that in case the management did not rely on the photocopies of duties assigned to the workman as Pump Operator, the management should have filed original papers. The original papers are lying with the management but the management has not filed any other paper so it is established that the workman applicant is discharging the duties of Pump Operator from 17-08-1990. It implies that he has got previous experience and knowledge of the operation of the pump so he was given the duty of the Pump Operator. According to the Gazette dt. 2nd July, 1987 after 5 years experience, he is entitled to be appointed as permanent Pump Operator. There is no force in the argument of the management that he lacked qualification according to the Gazette of 1982. That Gazette has been replaced by the Gazette of 2nd of July, 1987 so the later Gazette is applicable and there is no minimum qualification for pump operator and the post is promotional. As such, the management has failed on both the counts—on requisite qualification and experience. The requisite qualification has been relaxed in 1987 in order to provide promotion to the employees of the management.

In view of the above discussions and the law cited by the workman applicant, it becomes quite obvious that he should be deemed to be promoted from 1st January, 1995 in view of his five years experience as laid down in the Gazette dt. 2nd of July, 1987 and he should get all the emoluments and consequential benefits of a permanent Pump Operator from 1st January, 1995.

The reference is replied thus :—

The action of the management of the Delhi Cantonment Board in rejecting the candidature of Sh. Surar Singh for the post of pump operator is not justified after taking into account the provision for relaxation of qualification and experience prescribed for the post in the notification dt. 2-7-87. The workman applicant shall be deemed to be promoted from 1st of January, 1995 and he is entitled to get all the consequential benefits just as arrears of wages and increment etc. within one month from the date of the publication of the award. The workman applicant shall get an interest of 12% per annum in case arrears are not paid within one month from publication of the award.

The award is given accordingly.

#### AWARD

The Ministry of Labour by its letter No. L-13011/4/98/IR (DU) Central Government Dtd. 30-07-1998 has referred the following point for adjudication.

The point runs as hereunder :—

“Whether rejection of the candidature of Sh. Upkar Singh, for the post of pump operator on 25-04-1991

was justified viz-a-viz the relaxation of qualifications and experience prescribed for the post vide notification dtd. 02-07-1987 which was not taken into account of by the management at the time of interview?”

If not, what relief the workman is entitled to.”

The union has filed statement of claim on behalf of the workman. In the statement of claim it has been stated that the workman Sh. Upkar Singh S/o Sardar Mahendar Singh, R/o 3/17, Pyaralal Building, Gopi Nath Bazar, Delhi Cantonment is a disabled person and is a member of the Delhi Chhawani Board Karamchari Union. He has an uninterrupted and unblemished record of services to his credit with the management i.e. Delhi Cantonment Board.

That the said workman had been sponsored by the ITI-Vocational Rehabilitation Centre, ITI Building, Pusa, Delhi, a center operating as an employment exchange for the disabled. The said center conducted a proper test for pump operators, testing both the practical and the theoretical knowledge of the workman. It was after the said test that the workman was certified as a pump operator and a card issued to him by the centre. The said workman was otherwise also qualified to work as a pump operator as he had worked from 1980 to 1986 as a pump operator, with a licensed contractor for the Delhi Cantonment Board/MES, and had thereby acquired rich experience of the job. That the management thereafter called the workman for an interview/test for the post of a Pump Operator on October 5, 1989 and thereafter finding the workman fit and qualified for the post of Pump Operator, appointed him as such vide Order No. 256 dtd. December 4, 1989 on daily wages. The said workman was appointed as a Pump Operator along with two other workmen, S/Shri S.K. Mishra and Raj Narain Sharma.

That the said workman thereafter continued working as a pump operator, performing the duties and discharging the responsibility of a pump operator independently. However throughout the management paid the said workman only daily wages thereby denying to him the pay scale of the regular pump operator. The said workman continued to perform his duties diligently and to the satisfaction of his superiors. That the services of the other two workmen, S/Shri S.K. Mishra and Raj Narain Sharma, appointed with the said workman, were regularised as pump operators by the management on July 4, 1991. However on December 24, 1991 the services of the said workman were, suddenly regularised on the post of a Malaria Mazdoor, in the Sanitary Department, a job the workman had never performed and a Department the workman had never worked in. The said workman was however asked to continue discharging the duty of a pump operator, till as recently as February 21, 1997. It is submitted that there is a substantial difference in the pay scale of a Malaria Mazdoor and a Pump Operator and the workman of

the management to regularise the said workman as a malaria mazdoor was done intentionally to rob the workman of his rightful dues.

That on February 22, 1997 the said workman, without any reason or cause was told to work as a Malaria Mazdoor and not as a Pump Operator. The Respondent Management has employed the said workman as a pump operator but has been paying him the wages of a Malaria Mazdoor. This act of the management amounts to unfair labour practice and is also violative of Articles 14, 21 and 39 of the Constitution of India. It has to be remembered that the Management is "State" within the definition of Article 12 of the Constitution of India. That the above action of the management is wholly illegal, bad, unjust and malafide and amounts to exploitation of the labour and unfair labour practice.

The management has filed written statement. In the written statement, it has been stated that the present complaint is not maintainable for it being filed with malice. Shri Upkar Singh who had been employed as Malaria Mazdoor by the respondent board is absent from his duties, ever since the orders were issued for reporting of Malaria Mazdoor to Sanitary Supdt. Cantonment Board Office, on 18-10-1996 Shri Upkar Singh has not reported to the concerned official. He had sought the leave which was duly sanctioned till 30-11-1996. Thereafter there has been no application for extension of leave or any just reason for his abstention from work. It is manifest that Shri Upkar Singh who is a truant employee has chosen to move the Hon'ble Court to subvert the operation of the above dated orders. The orders had been proclaimed by the respondent board in order to brace themselves upto fight the epidemic of Dangué.

Shri Upkar Singh had never been employed as Pump Operator. He has been working as daily wages mazdoor in the respondent board. Subsequently, on 27-12-1991 he had been duly regularised as Malaria Mazdoor. His regularisation as Malaria Mazdoor entailed due benefits. Which naturally flow out of the said employment. There has never been official orders either of his promotion to the post of pump-operator or of his appointment as Pump Operator. In order to avoid working diligently Shri Upkar Singh abstained from reporting to the concerned Sanitary Supdt. and has filed his bogus claim. It is not possible to promote or employ Shri Upkar Singh as Pump-operator as he does not have requisite qualification. Malaria Mazdoor being Class-IV post and pump-operator being Class-III post there cannot be any inter-class promotion in this case. Also Shri Upkar Singh is only 10th Standard pass and is wanting in qualification required to hold the post of Pump Operator. As per classification of post the post of Pump Operator is a direct recruitment post and not a promotion post.

It is denied that Shri Upkar Singh is adequately qualified to become a Pump-Operator. The required qualifications as enumerated in the official gazette does not entitle him to the said post. The prescribed qualification as per Gazette notification No. F-9/17/82-LSG dtd. 31-12-1982 are as under :

**Essential :**

- (i) Matric pass from a recognised University/Board/School or equivalent.
- (ii) Certificate in Electrical or equivalent trade from I.T.I. or any other recognised Institution.

Shri Upkar Singh has been truant in working and has always been avoiding to work sincerely as Malaria Mazdoor. The respondent Board has been considerate and liberal with him and has not taken any disciplinary action against his callous attitude towards his rightful duties. The representation made by Shri Upkar Singh was rightly turned down by the respondent board as there was no reason for his promotion. Any such order favouring his promotion would have been patently illegal, unjust and arbitrary qua other suitable and qualified candidates for the post of Pump-Operator.

It is denied that there has been any arbitrariness, un-lawfulness on the part of respondent Board in denying the post of Pump-Operator to Shri Upkar Singh. On the contrary, any such order favouring his promotion or employment as Pump-Operator would have evoked wrath of Article 14 of the Constitution of India qua the other suitably qualified candidates. It is to be submitted that the mere fact that there are regular vacancies of Pump-Operator in the respondent Board does not entitle Shri Upkar Singh to it in the absence of requisite qualification as provided in the official gazette.

The management has denied most of the paras of the statement of claim.

The claimant has filed rejoinder. In his rejoinder, he has denied most of the paras of the written statement and has stated that he was appointed on the post of Pump Operator and subsequently he was reverted to the post of Malaria Mazdoor. By letter dtd. 29-09-1989, he was required to appear for interview on 05-10-1989 of the Pump Operator and on 4th of December, 1989 on the basis of interview and test, he alongwith Shri S.K. Mishra and Raj Narain Sharma was appointed Pump Operator from 11-12-1989. On 17th of March, 1990, he was again appointed as Pump Operator w.e.f. 10-03-1990. By order dtd. 9th of July, 1990 he was again appointed as Pump Operator w.e.f. 09-06-1990. On 17-08-1990, the workman applicant was appointed Pump Operator w.e.f. 18-08-1990. By office order dtd. 17-09-1992, the workman applicant was appointed Pump Operator w.e.f. 21-09-1992. By order dtd. 11-10-1992, the workman was further appointed Pump Operator w.e.f. 15-12-1992. On 23-12-1993, the workman

applicant was appointed Pump Operator. According to roaster on 5th of April, 1994, he was given the duty w.e.f. 16-4-1994. By order dt. 5th of April, 1995, the workman applicant was again given the duty of Pump Operator. By duty roaster dt. 16-10-1995, he was again given the duty of pump operator. By office order dt. 6-8-1996, he was again given the duty of the Pump Operator. As such, the workman applicant worked as pump operator from 11-12-1989 to the last of 1997.

It was submitted from the side of the workman applicant that he has worked for more than 7 years as Pump Operator and he has been given duty as permanent employee so he cannot be reverted to the post of Malaria Mazdoor as he was appointed to do the duty of the Pump Operator and he discharged the duties of Pump Operator for more than 7 years.

It was submitted from the side of the management that the workman applicant did not possess the requisite qualification so he was reverted to the post of Malaria Mazdoor. Despite his reversion to the Malaria Mazdoor, he was given the duty of Pump Operator for almost 4 years. In case, he was lacking qualification, he ought not to have been given the duty of Pump Operator. It was submitted from the side of the management that the qualification of the Pump Operator has been prescribed and only the candidate having requisite qualification can be appointed at the post of Pump Operator. In this connection, my attention was drawn to Delhi Gazette dt. 2nd July, 1987, and it has been mentioned that the operator should have five years experience and he should have the knowledge of I.C. engines and electric motors and he will have to appear in interview regarding his knowledge of diesel engine and petrol engine, pump and other machinery, and experience of conducting and taking care of the engine and the other machines. It was submitted from the workman applicant that his interview was taken and thereafter he was appointed. It was further submitted from the side of the management that the workman applicant did not possess the requisite qualification of Pump Operator. He must be Matric Pass and he must have certificate of electrical or of the I.I.T. or is equivalent.

It was submitted from the side of the management that the workman applicant was appointed at the post of Pump Operator on 11-12-1989 and he has worked in that capacity upto 1997. Appointment letter is annexed with the record and the orders regarding the duty has also been annexed with the record. These papers are photocopies. It is but natural that the originals are lying with the management but the management has not deliberately filed the original papers regarding the duty and appointment. It was submitted from the side of the management that by Gazette dt. 1982 for the post of Pump Operator, the minimum qualification is Matric Pass+ a certificate of electrical or of ITI or its equivalent. The

workman applicant is lacking qualification so he was reverted to Malaria Mazdoor in 1994 but from the papers filed by the workman applicant, it is quite explicit that he has worked continuously from 11-12-1989 to the last of 1997 at the post of Pump Operator. He has filed several papers regarding the duties assigned to him. The management has not filed the originals of the same papers deliberately by way of concealment. In case, there were papers regarding assignment of duty to the post of Malaria Mazdoor, they should have filed the original duty chart but no such charge has been filed. As such, it is established that the workman applicant has worked almost from 1990 to the last of 1997 as Pump Operator. So far as qualification is concerned, it has been relaxed by notification dt. 2nd of July, 1987. This Gazette indicates that the minimum qualifications have been relaxed and the post of the Pump Operator has been made promotional. Five years experience is required and knowledge of operating IC Engine and electric motor is required. The workman operated the pump of the management right from 1990 to the last of 1997. As such, he has more than 5 years experience and he was initially appointed at the post of Pump Operator and he has continued to discharge the duties of the Pump Operator. Even if, he has not minimum qualification, he has operated the pump of the management for almost 6 to 7 years. The management found him fit and experience to operate the pump so he was assigned the duty of the Pump Operator. It is paradoxical that the management is taking duty of Pump Operator and arguing that he lacks minimum qualifications.

My attention was drawn to 1986-I-LLJ-SC Page, 134, the Hon'ble Supreme Court has held that a person performing the identical work should get identical pay. The Hon'ble Supreme Court has pronounced the principles of equal pay for equal work in 1987-SCC-LAB-32. It has been held by the Hon'ble High Court in 1995-LLR-438 that in case, an employee is performing the duties for a considerable period, he should be deemed to be permanent on that post and he is entitled to get the emoluments of that permanent post.

There is no force in the argument of the management that the workman applicant does not possess the minimum qualification for the post of the Pump Operator in view of the Gazette dt. 2nd of July, 1987 and there is no force in the argument of the management that he has been ever reverted to the post of Malaria Mazdoor. The management has filed no papers in order to prove the stand taken by the management. The workman applicant has complete knowledge and experience of the operation of IC Engine and electric motor as he has been discharging the duties of a Pump Operator since 1990 upto the last of 1997. After 5 years experience in view of the Gazette dt. 2nd July, 1987 he shall be deemed automatically to be promoted to the post of Pump Operator. Since he is operating the pump of the management itself, as such, no experience is required.

In view of the law cited by the management, it becomes quite obvious that the workman applicant shall be deemed to be promoted at the post of Pump Operator from 1-1-1994 after completion of 5 years duty at the post of Pump Operator with all the consequential benefits. In view of the judgement cited above, he is entitled to get arrears of wages and due increments and he shall be deemed to be permanent from 1-1-1994 at the post of Pump Operator. The management has indulged in unfair labour practices in not considering the case of the workman applicant.

The reference is replied thus :—

Rejection of the candidature of Sh. Upkar Singh, for the post of pump operator on 25-04-1991 was not justified viz-a-viz the relaxation of qualifications and experience prescribed for the post vide notification dt. 02-07-1987 which was not taken into account by the management at the time of interview. The workman applicant shall be deemed to be promoted at the post of Pump Operator from 1-1-1994 and he is entitled to get all the consequential benefits just as increments and arrears of wages etc. w.e.f. 1st January, 1994. In case the management fails to pay the arrears of wages within one month from the date of the application of the award, the workman applicant shall get an interest of 12% per annum.

The award is given accordingly.

#### AWARD

1. Central Government, Ministry of Labour. New Delhi, vide its notification no. L-14011/7/98/IR(DU) dated 17-8-98 has referred the following dispute for adjudication to this Tribunal :

Whether the action of the General Manager, HAL, Kanpur, in not promoting S/Shri S.K. Vasudeva, S. Prasad, R.N. Savita, Vaseer Ahmad, S.G. Sharma, S.S. Gaur, B.C. Banerjee and Sri S. Charan to wage group E is legal & justified? If not to what relief the workmen are entitled?

2. In the present case after exchange of pleadings between the parties, the case was fixed for filing documents by the parties and evidence of the parties. Both parties filed respective documents in support of their respective cases. On 29-7-04, the case was taken up for hearing when the evidence of the workmen was to be recorded in the case. Since no one was present in the case on the date of hearing on behalf of the workmen nor workmen adduced any evidence hence, workmen were debarred from evidence and the case was fixed for evidence of the management. Ultimately when the case was taken for hearing on 11-8-04, during the course of pretrial meeting of LOK ADALAT, the representative for the management appeared and made an endorsement on the order sheet to the effect that as the workers have not given any evidence in the case we do not give also.

3. Thus from the above it is clear that virtually it is a case without evidence of the parties and under these circumstances the tribunal is left with no other option but to hold that the Union is not entitled for any relief whatsoever for want of evidence and the reference is liable to be answered against the Union.

4. In view of discussions made above, the reference is answered in affirmative holding that the Union raising

the present dispute is not entitled for any relief for want of evidenc.

#### AWARD

1. Central Government, Ministry of Labour, New Delhi, vide notification No. L-40012/56/98/IR(DU) dated 30-11--98 has referred the following dispute for adjudication to this Tribunal :

Whether the action of the management of Telecom Department Lucknow in terminating the Services of Sri Om Prakash is legal and justified? If not, to what relief the workman is entitled?

2. The instant case was identified for decision through LOK ADALAT, despite the fact that the workman was debarred from adducing evidence after exchange of pleadings between the parties as he failed to make his appearance before the tribunal on the date fixed in the case i.e. 30-6-04. The same day the representative for the management appeared and made an endorsement on the ordersheet to the effect that as the workman has not adduced any evidence in the case, management do not want to adduce any evidence in support their case. However, notices were issued to the parties for hearing the case in the pretrial meeting of LOK ADALAT for 11-8-04.

3. The case was taken up for hearing in the pretrial meeting but despite notice none appeared from the side of the workman to attend the hearing of the case on 11-8-04, whereas the management was duly represented through its representative.

4. Therefore, from the facts and circumstances stated above it appears that virtually the present case is a case of no evidence and as the workman has palpably failed to adduce his evidence in support of his case, the claim of the workman is liable to be rejected for want of evidence and the workman is also not entitled for any relief pursuant to the present reference order made to this tribunal.

5. Accordingly it is held that the workman involved in the present industrial dispute is not entitled for any relief for want of evidence and his claim is liable to be rejected and is hereby rejected.

6. Let two photocopies of this award be sent to the Government for its publication.
